How Is Your Blood?

If you lack strength, are nervous, have no appetite, do not sleep well, get tired easily, your blood is in bad condition. You cannot be strong without pure, rich blood. Hood's Sarsaparilla makes good, rich blood and keeps it good.

Dyspepsia—For six months my system was out of order with dyspepsia and indigestion. Spent lots of money in vain, but Hood's Sarsaparilla cured me. J. S. Zakra, Oregon, Neb.

Mad No Appetite—"I was troubled with dyspepsia and had no appetite. I had a full feeling after eating. My constipation was all run down, but Hood's Sarsaparilla fully relieved me. FLORENCE STOWE, Sunderland, Wisconsin.

Weakness—"I bless the day I heard of Hood's Sarsaparilla, as it cured me of extreme weakness after grip, built my strength up, and put me in my children. J. S. Zakra, Oregon, Neb.

Sarsaparilla—100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

Have you registered yet? Now is the time to do so.

Marriage market shows brisk traffic in Hun-arian counts, French Dukes, fair demand.

In that auto endurance test it is a case of the race being to the strong, rather than to the swift.

We hope the 800 democrats who have been hiding in the woods on late election days, will come out this year and register and vote.

The Philadelphia preacher who declared that "God is stirring up the nation" must dislike to give any credit to a Republican President.

Every democrat in Polk county should take the Commoner, W. J. Bryan's paper. You can get it and the Itemizer one year for \$1.75.

A Chicago preacher says a girl who can't cook shouldn't marry. How about the man who lacks the ability to provide something to cook?

"Let us laugh at trouble," sings a cheerful Western poet. The advice would be good but for the fact that so few kinds of troubles are funny.

A New Jersey man has been frustrated in twenty attempts to commit suicide. He is evidently determined not to be branded as a quitter in a double sense.

If the Department of Agriculture carries out its plan of having a poultry census taken in 1910, it should see that no chickens are counted before they are hatched.

Every town in Oregon does not need a fruit cannery, no more than every farmer needs a hop yard. There is too much tendency to over do any particular line by rushing into it.

The Syracuse Herald says that Public Printer Stillings "failed to deliver the goods." There is a suspicion that quite the contrary is true. Too many goods at a price entirely too high.

Was there ever an Oregon legislator who was worth \$400 to his constituents?

For the last two months we have been suffering from a physical affliction, of nearly life long duration, that has kept us chained to a bed almost all the time. It has been a constant sapper of energy, and all that goes to make this life a pleasure. Almost three weeks ago we went under an operation, and now hope in a day or two to once more be in our office, ready to greet our friends and patrons, and cured forever of the distressing ailment. Dr. W. S. Carey was the artist with knife, and thanks to his knowledge and artistic manipulation of the same, our our better condition. Counsel Stiffin was head nurse, and Dr. A. Starbuck administered the anesthetic in no scientific way that we felt no pain nor scientific efforts. And right here we want to remark that we never could see any use in going off to a Portland hospital when we have such competent physicians and surgeons in our midst as those who form our Dallas corps, and now we are further grounded in such a belief.

While in this condition I wrote to Mrs. Pinkham for advice and took Lydia E. Pinkham's Vegetable Compound, and I am now strong and well."

FACTS FOR SICK WOMEN. For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that tearing writing her, and because of her vast experience she has helped thousands. MILITIA COMPANY.

A Meeting Called for Thursday Evening, March 19th.

There will be a meeting held at the court house Thursday evening, March 19th, in the interest of the militia company being organized in Dallas. It is hoped that all who are interested will attend whether desiring to enlist or not. The proposition needs the support of every business man in the city, as it is a business affair, which means that sooner or later the state will build an armory of sufficient size for a drill room and company quarters, or will rent from some individual who has or will build such a place. This will make a good assembly room for all public gatherings, a place that Dallas much in need of. The whole militia from start to finish is of no expense to the town or enlisted men, as the state furnishes the building, and the government the arms, uniforms and other equipment.

ENTERTAINMENT.

A Woodman Hall Thursday, March 19th.

Concerning the entertainment which is to be at the Woodman hall on March 19th, we extract the following from the papers of cities where this popular trip have appeared:

"Miss Maud Drake appeared before a large audience and gave a dramatization of I Were King. She carried the audience with her from climax to climax. This thrilling story, filled with heart felt incidents, served as a fine medium for Miss Drake to demonstrate her wonderful interpretative ability."—Chicago, Ill. Record.

"Miss Helten Goff proved the surprise of the evening. She possessed a mezzo-soprano voice of wide range and splendid quality, which shows careful training. She displayed a thorough knowledge of music and enthused her listeners. Los Angeles has reason to be proud of this talented lady."—Los Angeles Cal. Herald.

"A novel feature of the program was the selections by Mr. George Bartlett Cutter, of Boston, descriptive singer. Mr. Cutter plays his own accompaniment, and at the same time illustrates his songs by expressive gestures, which add to their effect. His humorous selections were especially good, but all were enthusiastically received, and he was obliged to respond to encores on four of his four appearances."—Northwich, Conn. Bulletin.

The speakers, subjects and institutions are as follows:

McMinnville College, Joseph G. Richardson, The Trust of the How, W. Gwynn, Pacific University, W. E. Gwynn, National University, Oregon Agricultural College, E. E. Callaway, A Nation's Need, Oregon State Normal School, Mrs. C. A. Bryant, A Prophetic Record, Willamette University, Clarke R. Belknap, The Twentieth Century State, University of Oregon, Bert W. Prescott, Mercy That Condemns, Pacific College, Harry Maxfield, Training for Intelligent Citizenship.

Albany college is a member of the association but will not have an orator this year because of his withdrawal from school on account of illness. Careful preparation is being made to secure good music. The Normal Girl's Glee Club, the Faculty Quartet, Mrs. Rabbitt, and an orchestra of ten pieces will each contribute. The orchestra will entertain the audience for a half hour preceding the regular program. College songs and choruses by several hundred youthful, enthusiastic partisans will also lighten the occasion. An elaborate banquet will be served in the gymnasium immediately after the contest. Covers will be laid for one hundred and fifty. The orchestra will also furnish music for the banquet.

Each institution will be represented officially by delegate delegates, one member of the executive committee and one or more members from the faculty. In addition, as many students as desire will come as rosters. It is expected that Pacific University, Pacific College and McMinnville College will enter a special train to return after the program. Not less than one hundred and fifty and probably four hundred students from visiting colleges will be in attendance. It will be worth coming miles to see and hear those picked young men and women, the flower of the higher institutions of learning in the state.

Monmouth and Polk county will throw wide their hospitable doors in honor of the great occasion.

INDEPENDENCE.

Courtesy West Side.

L. Solberg, of Hood River, was looking up the situation in this part of the valley and may conclude to locate in Polk county.

Will Babin's little son had the misfortune to fall from a tree Sunday and broke one of his legs. He is reported as getting along nicely.

Ross Nelson was appointed county fruit inspector Saturday and will take up his duties of his office at once. Those in need of information in regard to spraying or anything in connection with the care of fruit trees should consult him, as it is part of his official duties to aid the fruit growers along that line.

The public school had a fire drill yesterday and the house was emptied in 15 seconds. In view of the fact that 120 children were burned to death in Cleveland, Ohio, a few days ago, it is important that the schools should be well drilled, and it seems that the Independence school is as good as any.

Eight years ago Monmouth had the pleasure of entertaining the Intercollegiate Oratorical Association of Oregon. The annual meeting has since gone the rounds and returned to Monmouth again. In those eight years, the student attendance in the colleges belonging to the association has more than doubled. If the quality of the oratory has likewise improved, this contest will be a most interesting one.

The speakers, subjects and institutions are as follows:
