Fred J. Wagner, Dallas

On January 2nd, I will open in my building, a half block east of the skating rink, an agricultural implement house and general repair shop. Will be pleased to see all my old customers and assure them the best of treatment and prices that will suit.

Do You Know

that the best and cheapest wood you can buy is the block wood from the Willamette Valley Lumber Co.'s sawmill? Because it is cut from big timber, therefore is superior to second-growth fir. Leave your order at Webster's confectionery store, or call Mutual phone No. 1407

WORKS SPECTACLE GAME.

News Agent Persistently Works an Old Swindling Scheme.

A "peanut butcher" on the Dallas train running out of the Jefferson street passenger station has become such a nuisance of late that numerous complaints have been made against him. Persons who allege that he has endeavored strenuously to victimize them into buying so-called gold spectacles. In other words the complainants claim that the "peanut butcher" is a what-not-seller has been working the flim-flam known as the "gold rimmed spectacle" game.

This "peanut butcher" in particular who poses as a news agent, those who have traveled on the Dallas train recently say, is the most persistent they ever saw. First he picks out his man. Then he approaches him with a story about having just found a handsome pair of glasses which he knows must have been left behind by some wealthy old farmer.

The glass rims look like gold, but they are anything but that. The "boy" says he is willing to dispose of his find for \$4 or \$5 although he is confident that at a jeweler's one would have to pay twice that sum. The gold alone, he claims, by persons who allege that he has endeavored strenuously to victimize them into buying so-called gold spectacles. In other words the complainants claim that the "peanut butcher" is a what-not-seller has been working the flim-flam known as the "gold rimmed spectacle" game.

INDEPENDENCE.

Courtesy West Side.

Mrs. Emma Lee, the wife of Dr. Lee, who formerly resided at this place, visited here over Sunday with friends. Mrs. Lee's home is now in Seattle.

Geo. W. Shaw, who is proprietor of the brick and tile factory, will move his plant, about the first of April, to the Fugate place, about a mile north of town.

John M. Murney, formerly of Beverly, Mass., is now stationed at Independence to take charge of the Pacific States Telephone and Telegraph Co., as manager. Mr. Murney, who is a young man, will be welcomed by the young people of this city.

Chas. Hornback, recently from Albany has bought the Phillips & Boyce restaurant. Mr. Hornback took charge on Tuesday. He is an experienced cook and will have charge of the kitchen. Those who patronize him are assured of good service.

A. F. Robinson a jeweler from Portland, has accepted a place with the firm of O. A. Kramer of this city. Mr. Kramer has found his business so thriving that the addition of more help becomes a necessity. Welcome, Mr. Robinson, to Independence.

J. H. Hawley & Sons, of McCoy, have just received a car load of breeding ewes. The sheep were shipped from Ontario, Canada, and are the third shipment made by Rogers Bros. of fine sheep to this locality. The car contained one hundred head of ewes and one buck. This shipment will make a valuable addition to the already fine stock of Polk county.

Lieut. F. A. Williams, who is now doing duty with the 2d Ilocos, in the Philippines, is expected to arrive in Independence in about three weeks to spend a furlough of three months or more. Mr. Williams will be remembered as having gained considerable fame as sprinter and football player during his schooling at Corvallis. He now holds the three-quarter mile record for the Northwest.

The Home Telephone Company, of Independence, was organized in this city Tuesday evening, and enough stock was

pledged at the meeting to make the promotion an assurance. The stock of this new enterprise will be owned and controlled by local people only and will be run in connection with the Northwestern long distance and Home Telephone company of Portland lines. It is said that construction work on the new telephone line will be commenced within a short time.

H. Hirschberg has at his office in the Independence National Bank, a large quantity of sugar beet seed which he has at considerable expense taken the pains to bring here for the purpose of testing the growing qualities of the soil adjacent to this city. It is his intention to distribute the seed free to the farmers of this locality and this fall to send samples of the products to La Grande to test the sugar quality of the beets grown here. If the experiment proves what he anticipates then the country will be justified in growing sugar beets as one of its resources, and incidentally, this city will have a sugar refinery.

BACK GIVES OUT.

Plenty of Dallas Readers Have This Experience.

You tax the kidneys—overwork them—They can't keep the continual strain—the back gives out it aches and pains; Urinary trouble sets in. Don't wait longer—Take Doan's Kidney Pills.

E. E. Gilliam, proprietor of the livery and feed stable, at 62 Ferry St. and living at 332 Water St., Salem, Ore., says: "Years of almost constant driving and an injury I received several years ago tended to weaken my kidneys. I suffered from backache and lameness in my loins so that at times I could hardly straighten. Sharp pains caught me when I arose after sitting and none of the remedies I tried did me any good until I used Doan's Kidney Pills. In a short time I obtained more relief from the backache and disordered condition of the kidneys, than I had for years. I now know of persons who have used Doan's Kidney Pills and they all speak of them in the highest terms."

HOME PROOF—There is plenty of local testimony like the above. Call at Bell & Cherrington's drug store and ask to see copies of statements of Dallas people who have used Doan's Kidney Pills. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Blown up by Powder.

The funeral of William Roy Anderson, who died as the result of a powder explosion on the Winstanley farm, where he was engaged in blasting stumps, was held last Tuesday at the home of his brother, Charles M. Anderson, 855 South Third Street. Rev. P. S. Knight preached the funeral sermon. Among the relatives from outside who attended the funeral were: Mr. and Mrs. H. Muehlenhoff, and stepfather of the deceased, from near Dallas; I. E. Anderson, brother from Plainview, Lincoln county; William Roy Anderson was born near Albany, on June 17, 1882, and his entire life was spent in the Willamette valley. He was married about three years ago to Miss Eva Roberts, whose parents reside near Dallas. The widow survives, with one child, a daughter of about seven months. When the unfortunate man made the contract to clear a certain amount of land on the Winstanley farm he removed to this city. The wife and little daughter were visiting at the home of the former's parents near Dallas when the accident occurred.—Statesman.

Lunches that Leave You

"Wishing that the lunch had not yet begun," is what a customer said the other day of the goods put out by Johnson Bros. Everything so cozy, cooked in good taste, and the food so varied and appetizing that even a fastidious dyspeptic cannot fail to say a good word for that popular establishment.

The Oysters We serve

Are the very best to be obtained in Oregon and we know how to cook them to the queen's taste. You can have them in any style and with all the concomitants that go to make up a first-class oyster house.
