

# — PINKIE PRIM —

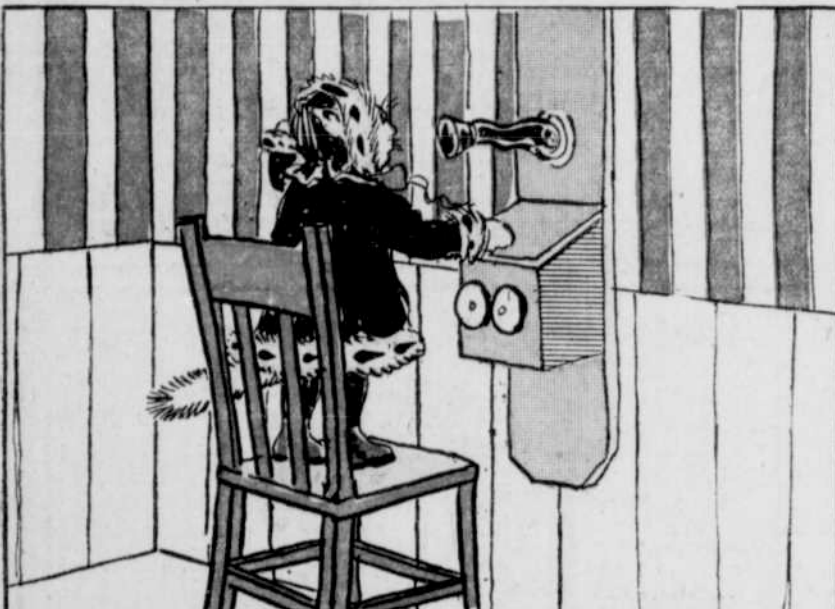

Pinkie pulled her penny out,  
And dropped it in the slot.  
Did the scale give her a weigh?  
Well, I should answer not!

What did Pinkie Prim do then?  
Well, what do you suppose?  
She straightway sought the Boss out,  
And said, "Why, goodness knows,

You ought to put a sign up  
When scales won't give a weigh!  
So I want my money back!"  
The Boss said, "Run away!"

Pinkie ran to nearest phone,  
And called up Uncle "Tim."  
Uncle let his business drop,  
To rush to Pinkie Prim.

"What's the matter?" Uncle asked.  
"That scale! It stole my cent!"  
Pinkie answered forcefully.  
"Right here is where it went."

"Open up!" cried Uncle Tim;  
"Or else I'll smash the scale."  
Pinkie stands for PRINCIPLE!  
I will not see her fail!"
