The annual meeting of the Dallas Woodman Association will be held on Tuesday, March 31st, at which time officers will be elected for the ensuing year, and the financial report for the past year will be presented. A good attendance is desired.
Mr. and Mrs. F. E. Strong, of Dallas, and Miss Marie Strong, of Portland, were guests at the Mrs. Julia Schaffner house last week. They departed Tuesday, Mr. and Mrs. Strong returning to Dallas and Miss Strong to Portland to attend to her duties at the University of Oregon and college—Philomath Review.

A number of county papers over the state have been kicking lately because the Oregonian has exchanged with them an exchange rate of \$5 a year. Presumably they are in advance subscriptions to the Oregonian that the Itemizer does, and they think they would like to have the exchange rate. Mrs. Jane Allen died at the home of her son, R. G. Allen, at Suver, Sunday, at the age of 90 years. She had been a member of the United Presbyterian church for 75 years. Mrs. Allen was born in Ohio in 1818. She moved to Illinois when young, and came to Oregon in 1861. She leaves five children, 27 grandchildren and five great-grandchildren. The children are: James B. Allen, of Elton, Ia.; Martha Finley, of Portland; E. G. Allen, of Suver; John L. Allen and Henry T. Allen, of Princeton, Mo.
Few magazines will have a scientific presentation of "spirit" and "nervousness" but Everybody's made public this month a reliable account of Hurlin Garland's experiments in occultism, entitled "The Shadow World." It is sensational, authentic, and compelling, and leads to a truly remarkable discovery in the New Mississippi, the transition from ancient to modern in river traffic and shows clearly the great possibilities for the development of this "arm of the sea."

It will be but a short time now until our street improvement work begins, and we would suggest that all property owners keep up with their street improvement, and at the same time tearing up their old board walks and laying cement ones. Dallas can be as pretty a town as there is in the west if we do about it rightly, and there is no time like the present to commence. A good plan would be to organize a body of directors to see that everything was done by a certain rate. Then all would be uniform and pleasing to the eye, and not of the haphazard style likely when every property owner expresses his own ideas as to what looks best.

CARLTON.
Spring is here once again.
Mrs. A. D. Morrison went to McMinnville last Friday.
Miss Effie Smith will have a spring military opening.
Everybody is over the scare of the snuffbox, as the case is able to be out again.
C. A. Kan had the misfortune of having Judge Harper fell a tree across his woodshed.
Carlton was visited, last week by two detectives, trying to find who was the cause of the fire.
Miss Maud Cox's brother, Albert, who has been attending school here, has returned to his home in Independence.
The Young Ladies' Sewing Club met last Saturday, at Miss Myrtle Elsworth's. Those present were Misses Marie Keiser, Ethel, Bernice, Rosa, Jan and Irene Carl. All report a good time.

FALLS CITY BOOST INCLUDES OIL DRILL

Money Troubles All Over and It's All Shoulders to the Wheel.

Falls City is to have a booster club. A number of citizens assembled in the town in 11 Saturday to discuss the question of establishing a commercial club, which would be a committee in charge of the many prospects and advantages of the town were set forth. A permanent committee of three, consisting of Messrs. G. L. Holman, B. F. Beezley, and W. Thompson, was established. A membership fee of \$5 per year was established. The club is to be organized to draw up a constitution and by-laws. The town is ripe for advertising. The recent financial troubles have passed and the town is in very good shape again. The mills are all running full blast, with miles upon miles of timber in the Siletz basin to fall back upon. New houses are being built and a water power electric plant has been recently installed. The surrounding country is rich in timber and has been removed. The timber is being landed. Fruits do especially well.
A subscription is being raised for the purpose of boring a 2,000-foot hole in hopes of finding oil, coal and gas. The country is volcanic and abounds in sulphur springs.

PLEADED GUILTY

And Paid Fine for Violation Local Option Law—Layton Smith.

At one o'clock Tuesday afternoon Layton Smith, of Independence, was sentenced by Judge Harris to pay a fine of \$50 and costs for violating the local option law. Smith is an Independence saloon keeper, and became to Corvallis, took orders for whiskey which he subsequently forwarded to his buyers by freight to this city. The complaint alleged that he sold a gallon of whiskey to Harry Waggoner, and to the complaint, Smith pleaded guilty. The indictment was returned by District Attorney McFadden, on evidence originally secured by Sheriff Wells, and perfected by investigation by Judge McFadden. Smith claimed that it was his first offense, and insisted that he did not know that he was violating the law. In consideration of the former fact he was given the minimum fine—Corvallis Gazette.

FREE LIBRARY BENEFIT.

Every Dallas Citizen Should Attend This Entertainment.

Everybody is looking forward with great interest and pleasure to the Liberty Benefit entertainment, which will take place at the Colosseum Rink tomorrow, Friday night. "Echoes from Dixie Land" will be the subject of Mrs. McGuire's lecture. "Emminently qualified by birth and association," Mrs. McGuire's portrayal of the quaint folk, lore of the south, her negro dialect and speech and reminiscences of her Southern home were inimitable, keeping the audience delighted from beginning to end. A daughter of the south, born in the famed blue grass region, Mrs. McGuire knows her people black and white. Miss Lenah Caldwell in a program of Southern songs will add greatly to the evening's enjoyment. Tickets on sale at Bell & Orrington's. Adults 35 cents, children 25 cents.

BIG PRODUCERS.

Roosevelt Should Have them Move to the U. S.

One of our correspondents sends in the following item, which he vouches for, and to which we give place as something a little out of the common run.
"Our strenuous president should at once take steps to see that such families get on this side of the line. There are four brothers living in Alberta. Three of their wives had triplets and the other one twin. Now last month, comes the one who had twins, and gives birth to a sextet, three boys and three girls. Three died soon after birth but the others survived. The six children weighed 22½ pounds, the weight of the mother being less than 100. The wife of a physician living nearby recently gave birth to a quartet. Surely that must be a wonderful country. Just think of it. Five

families who have in the last year increased Alberta's population by 17. Can that be beaten anywhere in the world short of an incubator. It is certain, going too fast for us. Americans are not for going home in almost anything they undertake, but we think in this instance they will have to yield the palm to the mother country.

Fiske, the best printer.
Special prices Saturday at The Vogue on all pattern wats.
Hawley made good with 11. first speech in congress.
Everything in ladies and children's furnishings at the Ladies Emporium.
The Polk County Oil Company has filed articles of incorporation, formed for the purpose of developing oil in Polk county. It has a capital stock of \$100,000, the incorporators being Daniel M. Watson, Carl R. Mallory, Frank M. Caldwell, and George Curtis.
Geo. Vick and J. Hunter returned last week from Silver Lake, Eastern Oregon, and were much impressed with the possibilities in that section. C. E. Hill, L. T. Murphy, R. Donahoe and others from Falls City and Messrs. Bowman and Erickson, of this place, have now gone there to take up claims.
One of the most convincing compilations of facts ever circulated to advertise a given section of country is "One Thousand Facts of Production," collected by J. R. Shepard, giving actual results of producers throughout the Willamette Valley. This compilation deals with fruits, vegetables, livestock, cereals, grasses, poultry, hops and nuts. A. F. H. Ser, secretary of the Salem Board of Trade, will be glad to send this to any address, and it is a character of information that should be in the hands of every active newspaper man as well as the officers of every commercial body throughout the state of Oregon, and in fact all over the United States.

Candidates' Column

I hereby announce my candidacy for county School Superintendent of Polk county, subject to the republican primaries, April 17.

H. C. SEYMOUR

I hereby announce myself as a candidate for the Democratic nomination for the office of

REPRESENTATIVE

on the democratic ticket to be voted for at the primary election on April 17. If elected I shall support the people's choice for United States Senator in Congress without individual preference.

WAYNE D. HENRY

I hereby announce myself as a candidate for the Democratic nomination for the office of

COUNTY TREASURER

of Polk county, to be voted for at the primary election, April 17, 1908. If elected, I promise a faithful performance of the duties of the office and a painstaking regard for the welfare of the people's money.

EDD. C. DUNN

I hereby announce myself as a candidate for the Democratic nomination for the office of

COUNTY CLERK

of Polk county, Oregon, subject to the will of the voters at the primary election on April 17, 1908.

FRED S. CROWLEY,
Falls City, Oregon

I hereby announce myself as a candidate for the nomination for the office of

COUNTY JUDGE

of Polk County, subject to the vote of the republicans. My platform is Good Roads.

C. O. HOLMAN,
Bridgeport Precinct.

I hereby announce myself a candidate for a second term as County Judge, subject to the will of the Republican voters at the April primaries.

PLATFORM

Good roads and bridges, and keeping the county expenses as low as a progressive and business-like administration will permit.

ED. F. COAD

We are authorized to announce the name of

J. E. SIBLEY

as a candidate for the office of

COUNTY JUDGE

subject to the will of the voters at the Democratic primaries. Mr. Sibley assures us that if elected he will devote his attention to the improvement of the county roads.

J. C. VANORSDAL
Candidate for

COUNTY JUDGE

of Polk county, Oregon on the Democratic ticket, to be voted for at the primary on the 17th of April, 1908, will set out the following platform:
First—I will advocate good roads and a fair distribution of the road tax. It is not just to collect taxes from the county districts, and not give the tax payer his share of the road work to make it more convenient for him to reach market.
Second—No waste of public money; strictest economy consistent with a good administration of county affairs; a square deal, and good treatment for everyone.
Third—I will try, if nominated and elected, to work in harmony with the county commissioners so far as I think is for the good of the people.
Fourth—Should the voters of this county decide that I am the proper person to fill the office of county judge, I will give to the management of the business of the county, the same energetic and careful attention that I have given my own business.
Fifth—I believe in the direct primary. I think that is one of the agencies in the hands of each elector to bring the government nearer to the people, and take it out of the "boss rule" giving us "a government of the people, by the people, and for the people."
I will say in conclusion that I served the people of this county from 1898 to 1902 as sheriff, and you can look into my record, and if found wanting, you can turn me down the same as you should any man who was unfaithful in his trust.

J. G. VANORSDAL

ENGLAND SAYS NO ALUM IN FOOD

and strictly prohibits the sale of alum baking powder—
So does France
So does Germany
The sale of alum foods has been made illegal in Washington and the District of Columbia, and alum baking powders are everywhere recognized as injurious.
To protect yourself against alum, when ordering baking powder,
Say plainly—
ROYAL BAKING POWDER
and be very sure you get Royal.
Royal is the only Baking Powder made from Royal Cream of Tartar. It adds to the digestibility and wholesomeness of the food.

FALLS CITY.

Frank Chapin has moved to his brother's ranch adjoining town.
George Vick returned last week from an extended visit to the Eastern Oregon country.
Mr. Lombard is at home again after an absence some months in Washington, where he was visiting his son.
Falls City people were well pleased to see on our streets Louie Gerlinger, and to learn that his wife is rapidly improving in health.
A party of our young men are starting for Eastern Oregon this week with the intention of taking up homesteads. We wish them success.
Another two story store building will soon be erected on Main street, and the proprietor will carry an up to date line of groceries and dry goods.
The only empty store building now here will soon be occupied as a general furnishing good store, by a gentleman who now has two similar stores in the valley.
Little Mildred Thompson gave a birthday party to her numerous little friends last week. The afternoon was spent in playing games, swinging and other amusements.
Thomas Edgar is doing some large remodeling on his handsome residence on the hill. He has laid out a beautiful lawn, and is now having his residence painted white.
Our rustling and progressive young business man, Josh Talbot, has started the foundation for a large skating rink. This will be a fine addition to the city, and add a clean wholesome place of amusement to our other attractions.
Real estate in Falls City is moving lively these days. Several pieces of property changed hands last week, among them being the Dombine place, purchased by Mr. Frink, and some fine residence lots on the hill bought by Mrs. Flower.
Last week two young men from the Falls country were entertained at lunch by Uncle Jim Chamberlain, our city marshal, and when they left town, promised in the future they would keep the road and riding their ponies on the sidewalks.
The meeting in Wagner's hall Saturday night, called for the purpose of organizing a board of trade, was well attended, and a good start was made. About twenty-two members were secured for the new organization. Falls City is all right, and the new organization intends that the many advantages of our city and vicinity shall become known.

Annual Conference

The annual conference of the United Evangelical church of Oregon will meet in Dallas, Thursday, April 2nd, at 9 a. m. The examination of junior preachers will take place on Wednesday fore-
