### Loren Webster Dies.

Loren Webster, son of Mr. and Mrs. Oliver Webster who reside near Independence, passed away at the home of his uncle, Mr. John Webster, on March 29th, of heart disease, and was laid to rest in the Old Fellows' cemetery here, Monday at 10 o'clock. Rev. W. N. Sogor officiating at the funeral services. Loren was born at Woodlawn, Yolo county, California, November 21, 1889, coming to Oregon with his parents when five months old, and has since been a resident of our county. He has been a sufferer from heart trouble for many years, and while his death was expected at almost any time, still it came as a sudden shock to those so near and dear to him. He was a most exemplary young man, of many attainments, and had he not been handicapped by ill health would have made a brilliant life record. His sorrowing relatives have the sympathy of all in their sad bereavement.

### At Rest.

James Taylor Syron, born April 11, 1877, died at the home of his mother, Mrs. M. J. Seward. Taylor was born at their farm, 1 1/2 miles west of Belleton, where he lived with his aged mother till his health began to fail and in hopes to recover it, he left a few years ago to spend the year in Hesperia, but as it did not improve his health, returned to his mother and home. In October, 1907, he went to Santa Ana, California, but returned home on New Year's night and since that time spent his remaining days at home. He was confined to his bed about two months and passed away happy March 23, 1908, and was laid to rest Tuesday at Pleasant Hill cemetery beside his sister and father, who had passed away many years ago. He leaves two sisters, one brother, an aged mother and many friends, who will be sorry to hear of his death.

### A Square Deal

Is assured you when you buy Dr. Pierce's family medicines—for all the ingredients entering into them are printed on the bottle-wrappers and their formulas are attested under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless. None of the most delicate women of the family. Not a drop of alcohol enters into their composition. A much better remedy than any other for heartburn, indigestion, flatulency, and other ailments. This agent possesses intrinsic merit, being a most valuable antiseptic and anti-ferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heartburn, flatulency, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, bowels or liver. Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or throat, and is also a most valuable remedy for all cases of hemorrhoids, piles, etc. It is a well-known fact that the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the system from two or three times a day with Dr. Pierce's Cathartic Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption in advanced stages, Dr. Pierce's Golden Medical Discovery is a most efficient remedy, especially in those obstinate, long-continued cases caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not a cough suppressant, but it cures the cause of the cough, and in all cases of chronic cough, no medicine will do that—but for all the chronic, chronic, lead up to consumption, or badly treated, lead up to consumption. It is the best medicine that can be taken.

Yielding to the repeated solicitations of the basketball team from Stohomish, Wash., for a series of games to decide the coast championship, the Dallas college champions have re-organized their team and will play the first game of the series in Stohomish tonight. It had been decided to disband for the season on account of sickness of two members of the Dallas team, it being thought inadvisable to play with a crippled team. If each team wins a game the deciding game of the series will be played at some central point, probably Portland. The second game of the series will be played on the local floor, on Wednesday, April 8th.

## We Trust Doctors

There is a daily action of the bowels, in the morning, morning, dyspepsia, and the same should be kept in mind. Ayer's Pills are liver pills. Act gently, and give relief.
