POPCORN.

Too cold for growing weather. Leon Clark is at home on a visit to his parents. Mr. Mackley has bought ten acres of Lake Labish land. James Best is shearing goats for Mr. Seeley at Oak Grove. Dor Gibbons has set out two and a half acres of strawberries. Mrs. R. E. Young left Tuesday for Albany after a visit with her niece, Mrs. C. A. Sykes. Eugene Waites was buried Saturday at Zena. Gen. left a great many friends in the hills to mourn his loss.

EAST DALLAS.

There is a new telephone going up eight miles out from Dallas on the Monmouth road. The greater part of Southwestern Taxis is still down and the people there are still calling for literature describing this far famed state of the great northwest. Mr. Kimble and wife came up to Dallas Sunday morning, and in the afternoon went over to their Pigrah farm. He is going to put in a phone at the farm, also to have his orchard reset with one hundred Royal Ann cherry trees. Mr. Kimble says there will be a larger immigration to this country this year than ever before. Quite a large crew are working on the road between Dallas and Monmouth. It certainly does need work, but what's the use of packing mud onto mud? Why not build a dike and be done with it? The rain comes and washes the fresh dirt all away, and there are the old ditches as bad as ever and the county's money goes for little profit.

SMITHFIELD.

Mrs. Willard is visiting her parents, Mr. and Mrs. Jones. Mr. Myer is having a wire fence made around his hop yard. Mrs. George Smith's daughters called on Mrs. Sam Smith Saturday. Mr. Gibson had a horse quite badly hurt. We have not heard the particulars. Mr. James Myer, and wife, spent Friday and Saturday with Mr. and Mrs. Fisher. Mrs. Osborne passed away quietly after long and patient suffering and was buried Sunday afternoon. Time in his loving journey, will gather all home at last, where, his hopes, we'll meet our loved ones, and in peace forever rest.

SMITHFIELD.

Mrs. Remington and Miss Dunlop spent the evening with Mrs. Smith Tuesday, and Mr. Reed and daughter. Mrs. Fisher and Mr. Belle Townsend were there Wednesday, and at Mrs. Hubbard's were Miss Townsend and Miss Reed. A well known Manitoba writer writes: "As an inside worker I find Chamberlain's Stomach and Liver Tablets invaluable for the troubles of biliousness natural to sedentary life, their action being gentle and effective, clearing the digestive tract and the head." Price 25 cents. For sale by Staffin Drug Co.

BUTLER.

Lena Yeacom has the mumps. Mrs. Lee Rowell is on the sick list. Roy Newbill has been shearing sheep for Ira Young. L. F. Tharp is in Portland on business this week. Louis Pettijohn drove a band of cattle to the coast last week. Miss Eloise Blair and brother, Ray visited a few days of last week with relatives here. The Scott & Butler Lumber Co. have their mill completed and have commenced sawing. Lee and Willis Rowell and Mrs. Clara Pettijohn are in Sheridan at the side of their father, who is seriously ill. Mr. Davis and family, of eastern Oregon, have returned home after a visit with his brother, Sam Davis, of this place. Miss Bessie Hossey and Harry Ker-shaw, of Williamson, were married at Dallas last week. Bessie is well and favorably known in this vicinity, and her many friends wish her a long and happy married life.

KINGS VALLEY.

W. L. Price visited Corvallis Saturday. Mr. LaBlanch is in Salem attending court. Felix Dodele spent last week in the valley. Claud Ramsdell, of near Dallas, is visiting in the valley. A brother of Mrs. Josh Brunson arrived Friday from Oklahoma. Rev. and Mrs. Burns will go to Dallas Tuesday to attend conference. John Banks was called to Alsea Saturday to see his stepfather who is ill with rheumatism. Miss Lessie Bush is spending her vacation in the valley with her parents, Mr. and Mrs. H. E. Bush. Mr. and Mrs. Will Dodele went to Albany Sunday to consult a doctor in regard to the former's health. Mr. Mac Mayfield, of Black Rock, and Mrs. Frank Mayfield, of Falls City, are here visiting at the home of H. T. Maxfield. Mr. Will Graham, was called to Sheridan to see his wife, who has the measles. She is visiting her parents, Mr. and Mrs. Neathamer, at that place.

FALLS CITY.

Ralph Harrington and Henry Pfand-hofer are at home from the O. A. C. for a vacation. Glen Holman was working this week of the woods last week in the interests of himself as candidate for county judge. Falls City is to have an exclusive dry goods store in the near future, the building for that purpose being rented now. Cal Kramer returned home yesterday from a few weeks stay in Portland, where he is engaged on some timber deals. The last week meetings have been held in the Methodist church on every evening, conducted by Rev. Dixon, of the Dallas church. The meet-

DOCTOR ADVISED USE OF CUTICURA

After Other Treatment Failed—Eczema in Raw Spot on Baby Boy's Face Lasted for Months—Cried with Pain when Washed.

ECZEMA WAS CURED AND HAS NEVER REAPPEARED

"Our baby boy broke out with eczema on his face when one month old. One place on the side of his face the size of a nickel was raw like beef-steak for three months, and he would cry out when I bathed the parts that were sore and broken out. I gave him three months' treatment from a good doctor but at the end of that time the child was no better. Then my doctor recommended Cuticura. After using a cake of Cuticura Soap, a third of a box of Cuticura Ointment, and half a bottle of Cuticura Resolvent he was well and his face was as smooth as my baby's. He is now two years and a half old and no eczema has reappeared. I am still using the Cuticura Soap. I think it is the finest toilet soap I ever used. I keep my girl's hair clean and clear with it too. I am so thankful for what Cuticura has done for me. M. H. HARRIS, Falls City, Altam. Kan., May 14 and June 12, '07."

SANATIVE

Antiseptic Cleansing Oil Best Accomplished by Cuticura.

Women, especially mothers, find Cuticura Soap, Ointment, and Pills the most effective remedial for itching, purifying and beautifying the skin, scalp, hair, and face, for the treatment of most of the most of inflammatory and skin diseases, such as eczema, pimples, pale, weak, nervous, prematurely faded, run-down women. Guaranteed absolutely pure under the United States Food and Drug Act.

DEAFNESS CANNOT BE CURED.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by internal remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out of the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which, unless removed by an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

WHAT IT MEANS TO BE FORCED OUT

Graves & Co. Compelled to Sacrifice Immense Stock of Musical Instruments and Sheet Music Account of Exorbitant Demands of Landlord.

Prices the lowest ever seen in print.

We fully realize that only the most extraordinary inducements will move the immense stock of musical instruments and sheet music now in our present quarters, but it will be our duty to get out of our present quarters owing to the exorbitant demands of our landlord. Profit is out of all question now. Prices have been cut—yes, actually slaughtered to below even the bare factory cost. We don't want you to take our word for it. Come and see for yourself. Compare prices and values and you'll quickly realize that everything we have said is exactly so. We can't begin to describe and quote prices on everything in our immense assortment. Space will not permit. If there is anything you are thinking of securing in the way of violins, guitars, harps, mandolins, accordions, band instruments, talking machines, music boxes, lutes, satchels, cases, sheet music, musical folios, and musical supplies, we say come right away. If you want to secure a fine high-grade piano—one that will not last for two, three or four years, but for a lifetime—and get it below even the established wholesale or jobbing figures, or an average saving of \$125 to \$250 below the regular retail value of the instrument—if this is an object to you—come right away and see and judge for yourself. A largest and fanciest style Lindy upright, \$225. A virtually new Hamilton upright, cost \$250, now only \$198. Another Steinway upright just like the new, the Vertigrand style, \$340. A beautiful walnut case Pesse upright, cost \$196, Cash or payments, 10% off, will accept any reasonable terms now. RARE OLD VIOLINS. Think of being able to secure a real violin maker's violin now for \$5.24. Another splendid instrument, rich tone, easily worth \$20, now only \$9.35. A Stradivarius style violin, never sold for less than \$40 and \$50, now only \$21.75. In mandolins and guitars you can se-

Eureka! Yes I have Found it at Last.

Found what? Why that Chamberlain's Salve eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December 1905, the itching has stopped and has not troubled me.—Elder John T.
