Patronize One Another for the Upbuilding of Town and County

Bad Blood

Especially is this so in the latter instance, when cement is entering so readily into all modern construction. Up to date building now calls for its use in many ways and we might just as well have it here already for the market as to send away for it, or make it.

Hood's Sarsaparilla

In usual liquid form or in chocolate tablets known as Sarsatabs. 100 doses \$1.

The buying of a rock crusher and roller was a wise move for Polk county, and the court are to be congratulated on their foresight. That we will have better roads next year is now certain.

1908 will register the greatest crop of berries and cherries that Oregon has ever produced. Quality is magnificent, quantity almost unlimited, and while quantity is enjoying this fruit, the maturing hay crop insures a big increase in the dairy output, which has been greatly benefited by good Spring pastures as were ever known in this section. Residents of the Northwest should take pains to see that their eastern friends are made familiar with the unequalled conditions which make dairying so profitable here.

We have before us a list of questions purporting to be of history, asked the eighth grade in their recent examination. Here are the first four, and if there is anything savoring in the least degree of history we would like to know it: "Name three places on the Pacific coast visited by the Atlantic fleet?" "For what port did the fleet sail after leaving the Pacific coast?" "Name six county offices and two state offices that were filled in Oregon by the June election?" "What was the result of the vote on the University appropriation bill?" We had always supposed that an action should at least have a chance to get cold before it becomes history.

There are two industries that could be started in Dallas that would prove profitable to the projectors and of benefit to us all. We refer to a green house and a cement block factory. The need of both is becoming daily more and more apparent. There is no use in having to send away for what we need in both these lines. The money paid out might just as well be kept right here at home.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. If they are weak, the kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Send 10c in stamps, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

C. & E. SCHEDULE.

Commencing June 22nd and until further notice, the following train service will be in effect on the line of the C. & E. R. R. between Albany and Yaqima, daily except Sunday:
Train No. 16, Mixed—Leave Albany 7:45 a. m.; arrive Yaqima 1:30 p. m.

This woman says Lydia E. Pinkham's Vegetable Compound saved her life. Read her letter.

Mrs. T. C. Willardson, of Manning, Iowa, writes to Mrs. Pinkham: "I can truly say that Lydia E. Pinkham's Vegetable Compound saved my life, and I cannot express my gratitude to you in words. For years I suffered with the worst form of female complaint, continually doctoring and spending lots of money for medicine without help. I wrote you for advice, followed it as directed, and took Lydia E. Pinkham's Vegetable Compound and it has restored me to perfect health. Had it not been for you I should have been in my grave to-day. I wish every facting woman would try it."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ailments, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, profuse pains, backache, that bearing-down feeling, flatulency, indigestion, nervousness, or prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She will send you a copy of her health. Address, Lynn, Mass.

NONE APPEAR TO BE SPLICED NEXT SATURDAY.

The Carnival committee are still without a couple to appear as the main actors in the public wedding scheduled for next Saturday. It was thought for a time that a couple had been secured, but they concluded that they did not desire to delay the nuptial ceremony and get married on the day after tomorrow. If there are two young people in Polk county who desire to unite their destinies, be relieved of all the cares of the world, seeking and receive a nice little pick up in cash, now is the time for us to hear from them. Quite a list of nice wedding presents have been secured and are being given: Bee Hive Store—table cloth. Mrs. Bertha Toner—hat. Dallas Furniture Co.—baby cart. Smith & Shelton—collar and tie. Steiner—year's subscription. Staffer drugstore—comb and brush. U. S. Laundry—smoking and brown. Cherrington drugstore—cut glass vase. Gray Bros.—set Rogers tea spoons. C. L. Crider—washboard. Simonton & Scott—set water glasses. Elyse Clothing House—silk pajamas. W. H. Roy—silk bowl. Campbell & Hollister—set napkins. Backer—silk skirt. M. & A. Reside—ribbon. Dallas Shoe Store—pair gloves. Dallas Mercantile Co.—lady's gloves. Backer—year's subscription. Wm. Faulk—Granite iron kettle. Boyd & Son—broom. Hall & Hayes—bookin glass. C. H. Harris—sugar shell. A. H. Harris—sugar shell.

It is suggested that this even be a fitting time to the big celebration at 10 o'clock, Saturday night in the big tent, with the doors will be thrown open and every one admitted to see the happy couple joined.

REAL ESTATE TRANSFERS.

Clay Belche of ux to Anna Belche land in Monmouth \$ 300

A Small Business For Sale.

A well established agency for the sale of a very profitable business that can be sold in a few days. The business is in a very nice location, with a large and exclusive right to one party. Can be handled by any one. It is a very profitable business with a very small amount of capital. It is worth investigating. Address: F. O. Box 26, Dallas, Oregon.

ELECTRICITY FOR LIGHTING IS ONLY EXPENSIVE TO PEOPLE WHO ARE WASTEFUL AND CARELESS.

TO YOU, WHO ARE NATURALLY CAREFUL, IT DOES NOT COME HIGH.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn, when not needed, to save bother of lighting and adjusting. In some homes the electric light bill amounts to only about \$2 per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation, ruins your eyesight, smokes your walls, mars decorations and increases household work. You can probably save a dollar tomorrow by going without your meals, but it wouldn't be economy. It is not so much what you save, but how you save, that counts. We are always ready to explain the "ins and outs" of the lighting proposition to you. Call on us or phone to us. We are never too busy to talk business.

A oak folding bed in good condition, good mattress and springs—price of L. A. Mathews, room 1, Staffer building, over Simonton & Scott's grocery.

STRAWBERRIES

WISER TALKS BY U. S. LAUGHARY'S OFFICE BOY

I heard of a farmer who made his first trip through Colorado over what is called "The Scenic Route," handling out objections to the mountain peaks and gorges because he said they obstructed the scenery. The boss says: "It all depends upon your point of view." I was reading about Mr. Todd, the New York banker with skills of money and brown stone houses who is living out in a hut, about 20 miles from nowhere, doing their own housekeeping and eating grub like the poorest people in the world. Mrs. Todd and he are out there to get the fresh air. But with all their money they can't use up no more than a poor kid like me. Fresh air is so cheap I guess that's why some folks don't want it. There's bunches of you that like a bit of hot air and some sugar-coated flattery. But what most people want is value. And that's what they get when they buy anything of Laughary's Grocery, especially fresh fruits. We are strong on strawberries and they are coming fine now.

Do You Know

that the best and cheapest wool you can buy is the blue wool from the Willamette Valley Lumber Co.'s sawmill? Because it is cut from big timber, therefore is superior to second-growth fir. Leave your order at Webster's confectionery store, or call

How Much Paint to the Can?

UNCLE Sam sets the Standard Measure for a gallon at 128 cubic inches. The "HIGH STANDARD" PAINT can has 27 1/2 cubic inches. Every time you buy a "HIGH STANDARD" gallon can, you get a gallon of paint. Every time you buy a 2 1/2 inch inside can, you get about one more even though it is filled to the brim.

Every size can of "HIGH STANDARD" is full U. S. Government Standard Measure of paint—not capacity only. So when you are offered paint a little "cheaper" than Lowe Brothers, see if the quantity is there.

But most quality is the real consideration, after all. That is where the real economy comes in—satisfaction and service.

"HIGH STANDARD" PAINT is made of the materials which a third-century of practical scientific painting has proven to be best mixed and milled, ground and ground, by powerful machinery to an indissoluble fineness and a perfect union of solids and liquids. "HIGH STANDARD" PAINT is sealed in airtight cans—which keep it always fresh and good—and sealed with "The Little Blue Flag"—Low Protection.

There is a Lowe Brothers Paint for every use and a Lowe Brothers dealer in nearly every town. Write us for nearest dealer's name and our practical booklet, "Paint and Painting." Mailed Free.

The Lowe Brothers Company, 450-456 Third St., Dayton, O.
