WHAT DO YOU THINK OF THIS

767

The parchment used for drumheads is prepared from the skins of donkeys, calves, goats and wolves and that for writing purposes from the skins of sheep. The polishing is done with pumice stone.

A Mustard Bath.

Nothing can be more refreshing to wearied limbs than a bath in which there has been thrown a tablespoonful of dry mustard. As soon as the bath is over there is felt a delicious glow and a perfect refreshment of mind and body.

Copper and Steel.

When steel is heated and dipped into cold water it is hardened; the same treatment softens copper.

Kimberley.

Owing to the old system of digging out diamonds by means of shovels, the center of many fans at that period and later.

Fan Mirrors.

The bolles of England during the reign of Henry VII. carried little hand mirrors suspended from their girdles. The same custom prevailed in the time of Elizabeth the first. They formed the center of many fans at that period and later.

Colossus of Rhodes.

The accounts which we have of the height of the Colossus of Rhodes are various. The extreme statement is 157 feet. If faith is to be placed in these figures, the ancient statue standing at the water's edge without any pedestal could have overtopped the statue of Liberty in New York harbor about six feet.

Italy.

Italy consists of about 91,000 square miles and about 10,000 in the hands. This area is about equal to New York, New Jersey, Delaware, Maryland and Pennsylvania combined.

Sierra.

The word "sierra" means "a saw," hence a mountain whose top is indented like a saw or a range of mountains whose tops form a saw-like appearance, as Sierra Nevada in Spain, Sierra Leone, in Africa; Sierra Nevada, etc.

Roller Skates.

The first roller skate was patented by a Frenchman in the year 1810, but since that time scarcely a year has passed without some improvement in wheel skates.

London Smoke.

The smoke of London in certain states of the wind is found condensed on the sea as far away as Devonshire, blackening the water for miles.

Catarh Cannot be Cured.

With local applications as they cannot reach the seat of the disease, Catarh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarh. Send for testimonials free. F. J. Cheney & Co., props., Toledo, Ohio. Sold by druggists, price 75 cents. Take Halls Family Pills for constipation.

Having a baby Go-carts and Carriages sale right at the height of the season. When every merchant expects a good profit, we are cutting and slashing prices away below others. "You might say why." Because all jobbers and manufacturers are done with this line for the season and are willing to sell at most any old price for cash. We on the other hand are laying for just such snaps and are there with the ready cash, that is why we can offer you such exceptional values: Come while the sale is on. You will not be disappointed. We mean and carry out what we say.

SEWING MACHINES

We are also making a special low price on Standard Sewing Machines, one of the highest grade machines made that never retails for less than \$50. If taken during this sale the price will be only **\$35**
