We hope every one who can will come to Falls City Saturday, and if they do we know they will have an enjoyable time, and go home after the day's celebration feeling satisfied that everything was done for their comfort and pleasure.

OLD SORES FED AND KEPT OPEN BY IMPURITIES IN THE BLOOD

Whenever a sore refuses to heal it is because the blood is not pure and healthy, as it should be, but is infected with poisonous germs or some old blood taint which has corrupted and polluted the circulation. Those most usually afflicted with old sores are persons who have reached or passed middle life. The vitality of the blood and strength of the system have naturally begun to decline, and the poisonous germs which have accumulated because of a sluggish and inactive condition of the system, or some hereditary taint which has hitherto been held in check, now force an outlet on the face, arms, legs or other part of the body. The place grows red and angry, festers and eats into the surrounding tissue until it becomes a chronic and stubborn ulcer, fed and kept open by the impurities with which the blood is saturated. Nothing is more trying and disagreeable than a stubborn, non-healing sore. The very fact that it resists ordinary remedies and treatments is good reason for suspicion; the same germ-producing cancerous ulcers is back of every old sore, and especially is this true if the trouble is an inherited one. Washes, salves, nor indeed anything else, applied directly to the sore, can do any permanent good; neither will removing the sore with caustic plasters or the surgeon's knife make a lasting cure. If every particle of the diseased flesh were taken away another sore would come, because the trouble is in the blood, and the ***BLOOD CANNOT BE CUT AWAY.*** The cure must come by a thorough cleansing of the blood. In S. S. S. will be found a remedy for sores and ulcers of every kind. It is an unequalled blood purifier—one that goes directly into the circulation and promptly cleanses it of all poisons and taints. It gets down to the very bottom of the trouble and forces out every trace of impurity and makes a complete and lasting cure. S. S. S. changes the quality of the blood so that instead of feeding the diseased parts with impurities, it nourishes the irritated, inflamed flesh with healthy blood. Then the sore begins to heal, new flesh is formed, all pain and inflammation leaves, the place scabs over, and when S. S. S. has purified the blood the sore is permanently cured. S. S. S. is for sale at all first class drug stores. Write for our special book on sores and ulcers and any other medical advice you desire. We make no charge for the book or advice.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

I was afflicted with a sore on my face of four years' standing. It was a small pimple at first but it gradually grew larger and worse in every way until I became alarmed about it and consulted several physicians. They all treated me but the sore continued to grow worse. I saw S. S. S. advertised and commenced its use and after taking it a while I was completely cured. My blood is now pure and healthy from the effect of S. S. S., and there has not been any sign of the sore since S. S. S. cured it.

PURELY VEGETABLE

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of *unknown composition* as a substitute for "Golden Medical Discovery," which is a medicine OF KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

HEMORRHOIDS SORES AND ECZEMA

Accompanied by Terrible Itching—A Complicated and Most Distressing Case—Well-known Remedies Failed to Cure—Doctor Thought an Operation Necessary—Then

CUTICURA PROVED ITS WONDERFUL EFFICACY

"I am now eighty years old and one morning, three years ago, I was taken with a hard pain in my right side. In two days I had an attack of piles (hemorrhoids), bleeding and protruding. The doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P—— remedy; but if I did not use it every day, I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to using the S—— remedies. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my flesh. This and the pile trouble brought on an inflamed condition. Then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the irritated surfaces and injected a quantity of Cuticura Ointment with a Cuticura Suppository Syringe. I also took Cuticura Resolvent Pills three times a day. It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice a week. It is fortunate that I used Cuticura. The treatments I had tried took a lot of money that I would have saved by using Cuticura Remedies sooner, but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. J. H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907."

IT IS SERIOUS.

Some Dallas People Fail to Realize the Seriousness.

The constant aching of a bad back, the weariness, the tired feeling, the pains and aches of kidney ills are serious—if neglected. Dangerous urinary troubles follow.

F. A. Sutton, of 1125 Walla St., Salem, Ore., says: For ten or twelve years rheumatism and kidney troubles was the scurge of my life and two or three times I was completely laid up. I had to leave my farm and come into the city to doctor for the trouble but nothing brought me more than temporary relief. My limbs would scarcely support me and I could only get around at times with the greatest dificulty. Doan's Kidney Pills benefited at once and when I had used the contents of three boxes I was absolutely free from every symptom of my old trouble and health was better than it had been for 14 years. I can concientiously say that Doan's Kidney Pills are the best kidney remedy I have ever used."

Home Proof—There is plenty of local testimony like the above. Call at Belt & Cherrington's drug store and ask to see copies of statements of Dallas people who have used Doan's Kidney Pills.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

We Lay Our Eggs

We lay our eggs before you fresh from the farm. From hen to your table they come as quickly as it is possible to get them. Try some and see how different they are from just ordinary eggs. But good as they are they are not a bit better than all groceries handle here. If you like fresh eggs, as you surely will, you will like our other groceries equally as well. You will like our prices too. They are always the lowest that will pay for fine quality.
