BRYAN MONEY PLENTIFUL.

Looks Like the Commoner Will Have Sinews of War.

When William J. Bryan returned to Lincoln Tuesday morning he found approximately a bushel of letters containing contributions to his campaign fund. These letters came from every part of the United states and contained amounts varying from $1 to several hundred dollars. Among checks was one from a Memphis newspaper for $426.75, which that paper had collected from its subscribers. List of givers to this Memphis fund included a "widows mite" of $1 and an equal amount from the Mary Galloway home of Memphis.

Word has been received at Fairview that in all parts of the country Democratic newpapers are receiving subscriptions to Mr. Bryan's fund. Especially in the south is this kind of work done.

On the train between Omaha and Lincoln this morning several contributions were handed to Mr. Bryan. He was highly gratified at the reception accorded him in Iowa and in Nebraska.

Every democratic paper in the United States has been made a sort of sub-treasury for the receipt of Bryan campaign funds. The Itemizer will be glad to receive any contributions from Polk county and forward then to Mr. Bryan. If desired, a list of the contributions will be published. Anything from $1 to $100 is welcome.

Mrs. Anna Glaze, of Pendleton, has been with old friends here.

The Star bakery has changed hands, Mr. Dan Brown having sold out to Bruckner & Fuchs. Mr. Buckner is a late arrival from the east, and Mr. Fuchs formerly owned the bakery.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our backs, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. *Why* the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed *free* on request. Address Dr. R.V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

HER FEET WERE SORE AND CRACKED

Soles Seemed as Though Covered with Knife Cuts—Could Not Bear Weight of Feet Even on Pillow—Was Long Unable to Walk—Many Remedies Failed—Now Cured.

WILL PRAISE CUTICURA AS LONG AS SHE LIVES

"Some four years ago I had the misfortune to have my feet get sore. The doctors could not tell me what it was. I used everything I could hear or think of but all to no avail. The feet were all cracked across the bottom as if you had taken a knife and cut them every whichway. They would peel up, and, oh, my! how they did hurt when I would try to walk—which I was not able to do for a long time. One day one of our neighbors came to our house and asked what was the matter. I showed him my feet and he said he had some Cuticura Ointment which would heal them up. There was only enough to apply once, but I found it helped me so much that I sent for a set of Cuticura Soap, Cuticura Ointment, and Cuticura Pills, costing one dollar, and to my great joy, my feet were cured and have never troubled me since. I shall praise Cuticura as long as I live for the great help it has been. Mrs. Margaret Primmer, Plattin, Mo., June 30 and July 21, 1907."

Found Dead Indian.

The other evening while George Record, of Dallas, was returning to his ranch on the Siletz in company with an Indian, the latter was busily lying by the roadside. As it was dark they only investigated sufficient to find out that the man was dead and went on to camp. In the morning they again sought the body in company with Mr. and Mrs. M. M. Ellis, who were on their way to Newport, and found it to be an Indian, who had been shot by parties unknown. The matter was reported to the Lincoln county coroner and an inquest held. Two Indians are suspected of the crime.

Careless Shooting.

While John Embree was standing on the porch of his residence last Sunday morning a gun was fired, the shot striking all about him. Some hit the window panes, some penetrated the window casings and others dopped on the porch floor. Luckily they were pretty well spent, or a serious accident may have happened. Too much care cannot be taken in the use of fire arms, as it is hard to accurately figure out just how far a shot will carry. The shot fired carried some 700 or 800 feet, and was probably fired from within the city limits, which is against the ordinances as laid down and provided.

LAMENTABLE ACCIDENT.

Mrs. Thomas Pomeroy Fatally Injured by Bullet.

Mrs. Thomas Pomeroy, of Independence, a sisterinlaw of Mrs. J. Byers and Mrs. J. G. Van Orsdal of this city, met death in a tragic manner at her home in that city the other day. Mr. Pomeroy after a return from a hunt had cleaned and reloaded his gun, and while taking it into the house the shell exploded striking Mrs. Pomeroy in the thigh. She was taken to a hospital in Salem for medical relief, but did not survive the shock. She was a most estimable lady in every respect and leaves a husband, two sons and two daughters to morn her sudden taking away.

WHY IT SUCCEEDS.

Because it's for One Thing Only, and Dallas People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only. They cure sick kidneys.

They cure backache, every kidney ill.

James N. Ayre, living at Fifth St., McMinnville, Ore., says: "Doan's Kidney Pills proved of great value to Mrs. Ayre. She doctored a great deal and used many remedies but was unable to obtain relief from the pain through her back accompanied by a weakness of the kidneys. When she arose in the morning she felt tired and worn out and it was all she could to get around. She also suffered from dizzy spells and her eyesight was affected. At last my attention was called to Doan's Kidney Pills, I procured a box for her and she began using them. In a short time she was cured and has not had a sign of the trouble since."

Home Proof—There is plenty of local testimony like the above. Call at Belt & Cherrington's drug store and ask to see copies of statements of Dallas people who have used Doan's Kidney Pills. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States. Remember the name—Doan's—and take no other.

Tent Meetings.

A series of Gospel meetings under the auspices of the Seventh Day Adventist denomination will be conducted in a tent pitched two blocks east of Main on Mill street, begining Friday evening, July 31st at 8 p. m. These meetings are in charge of Eld W. F. Martin, of Portland, assisted by G. W. Pettit and H. H. Dirksen. Eld. W. F. Martin, wife and two daughters, G. W. Pettit and wife and Mr. H. H. Dirksen are camped on the grounds and expect to be citizens of our town for at least one month. This company of workers just closed a series of Gospel meetings at Falls City.
