The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed *free* on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days *insist* on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of KNOWN COMPOSITION. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing *only*. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound.

If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

BOY TORTURED BY AWFUL HUMOR

Almost Covered with Eczema—No Night's Rest for Nearly a Year—Feared Lifelong Disfigurement—All Treatments Failed and Limit of Endurance Seemed Near.

PERFECT RECOVERY IS DUE TO CUTICURA

"With the exception of his hands and feet, my son Clyde (thirteen years old) was almost completely covered with eczema. Physicians treated him for nearly a year without helping him any. While they were very kind and did all in their power, yet nothing seemed to relieve him. And I had tried many remedies sent to me by kind friends but they all failed. His head, face, and neck were covered with large scabs which he would rub until they fell off. Then blood and matter would run out and that would be worse. Many a time he looked as if his ears would drop off. Friends coming to see him said that if he got well he would be disfigured for life.

"When it seemed as if he could possibly stand it no longer, I decided to try Cuticura. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Resolvent. I used them in the evening and that was the first night for nearly a year that he slept. This may sound exaggerated to you, but in the morning there was a great change for the better. In about six weeks you could not have told that he had ever had anything wrong with him. I treated him twice a day for six months and at present he has a fine complexion and not a scar on his body. This story may seem overdrawn, but neither words nor pen can describe Clyde's suffering and how he looked. Our leading physician, Dr. ——, recommends the Cuticura Remedies for eczema. Mrs. Algy Cockburn, Shiloh, O., June 11, 1907."

Frequent shampoos with Cuticura Soap and weekly dressings with Cuticura stop falling hair, remove crusts, scales, and dandruff, destroy hair parasites, soothe irritated, itching surfaces, stimulate the hair follicles, supply the roots with nourishment, loosen the scalp skin, and make the hair grow upon a sweet, wholesome, healthy scalp, when all other remedies fail.

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults consists of Cuticura Soap (25c.) to Cleanse the Skin, Cuticura Ointment (50c.) to Heal the Skin, and Cuticura Resolvent (50c.), (or in the form of Chocolate Coated Pills, 25c. per vial of 60) to Purify the Blood. Sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, Mass.
