The Badge of Honesty

Is an every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can, in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Sion and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-distilled glycerine. Send to Dr. H. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Cole, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action at all weak stages of the stomach, accompanied by indigestion or dyspepsia as well as all bilious or liver complaints and in all "stomach diseases" where there is loss of flesh and gradual running down of the strength and system. "Makes rich, pure blood and so invigorates and purifies the blood, liver and bowels. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores or ulcers, it is well to insure their final cure by applying them Dr. Pierce's All-Healing Salve. If your druggist don't have this Salve in stock, send fifty-four cents in postage stamps to Dr. J. C. Pierce, Medical, Surgical and Sanitary Institute, Buffalo, N. Y., and it will be sent to you by return post. You can afford to accept a secret posture as a "knows composition, not even though the urgent dealer may deny it." Dr. Pierce's Pleasant Pellets regulate the bowels, and are a "Sugar-coated, tiny granules, easy to take as candy."

SUFFERED WITH ECZEMA 25 YEARS

Limb Peeled and Foot Was Like Raw Flesh—Had to Use Crutches, and Doctors Thought Amputation Necessary—Montreal Woman Writes of Cure Seven Years Ago.

BELIEVES LIFE SAVED BY CUTICURA REMEDIES

"I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My doctor had advised me to have my leg cut off, but I said I would try the Cuticura Remedies. First, he said, 'Try them if you like, but I do not think they will do any good.' At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a case of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Pills. After the first two treatments the swelling went down, and in two months my leg was cured and the new skin came on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use it for his own patients. I used two cases of Cuticura Soap, three boxes of Ointment, and five bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have since been a frequent user of Cuticura, and I always recommend it to the many people whom my business brings to my house every day. Mrs. Jean-Baptiste Renaud, ex-prisonier, 277, Montreal St., Montreal, Quebec, Feb. 20, 1907."

Miss Edith Hayes, of Kansas City, Mo., who has been visiting at the home of John Duigan for some time, was unexpectedly called to her home by the news of the death of her father, who left on the afternoon train Tuesday.

Claggett Case at Dallas.
The case of Elizabeth Claggett vs. W. Claggett, by agreement of the attorneys, Carson & Brown for the plaintiff, and W. M. Kaiser and M. E. Poque, for the defendant, will come up for hearing at Dallas on August 14th. At that time an order will be asked by the plaintiff requiring the defendant to pay a suitable amount for alimony, pending the suit and for expenses to conduct the suit. A petition was filed yesterday asking that Mrs. Claggett be allowed \$700 temporary alimony. The cause of the case being set for Dallas was on account of Department No. 2, of circuit court convening there at that time.—Statesman.

Young Darter Discharged.
The case of young Morris Darter contra Justice Holman last Friday, he was on motion of Prosecutor Silbey discharged from custody, and the case granted on the docket. Mr. Silbey gave his reasons for making the motion that it was the law's first offense, that he had made full restitution, and that as he was only 17 years old, leniency shown now might tend to his betterment and save his future career. Darter's implication of Bert Miller in the forgery was found to be made out of whole cloth, in fact, the youth proved himself a great pretender of the truth all the way through.

Recovers From Smallpox.
Rev. A. A. Winter, who has been ill of smallpox, has returned home from the Detention Hospital, having fully recovered. His wife and child have had a very mild attack of the disease. The family will be quarantined for about ten days longer. Rev. Mr. Winter probably contracted the disease at the home of a friend, where he went with 12 members of the Sunday school board one evening. It turned out that Mr. Keenan's child had a slight attack, so slight that the nature of the illness was not recognized. None of the others contracted the disease. Of the many who had been in contact with the patient, Professor D. M. Metzger, of Dallas College, was infected, and he is now at the Detention Hospital suffering from a mild attack.—Oregonian.
