A Beautiful Home IS IN MY HANDS FOR SALE

One of the best, gilt-edge pieces of property in Independence in the way of a residence. The house is recently built, the additions having been made within the last year. There are ten rooms in the house, and calculating as most carpenters do at \$175 a room the house would cost \$1750 to build. There is a barn 16x32 feet on the property, and it is new. Besides these improvements there is a chicken house 10x12 and meat house 8x10. There are 16 fruit trees just coming into bearing. There is a hedge fence in front and part of one side. Of the two lots which go with the property one corner lot is fenced with 5-foot woven wire chicken fence. All this property can be bought within ten days for \$1,500. Half price.
