Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has THE BADGE OF HONESTY on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, disagreeable, catarrhal, pelvic drain, dragging-down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription;" it will not perform miracles; it will not disolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, *free*. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

BY HIS OWN HAND

George Selby Lifts Veil of Mystery.

Last Thursday afternoon Mr. J. M. Walters noticed smoke coming from Geo. Selby's place some 4 miles from town, and in company with Mr. Reed, another neighbor, went over there to find the outbuildings and house nearly consumed by the flames. They noticed a body in the house, but the fire was too hot to reach it. Word was sent to Coroner Chapman and he empaneled a jury consisting of T. J. Hayter, J. D. Smith, H. B. Cosper, H. L. Crider, W. J. White and Ed Biddle. From the evidence offered these gentlemen adduced these probable facts: That George Selby had not been in good health for some time; that continual brooding over his ailment had rendered him temporarily insane; that while in this condition he set fire to his barns and outhouses, and then went into his dwelling house, fired that, and took his own life by a bullet. Everything bears out such a conclusion. He was in this office only a few weeks ago, and was perfectly rational in every respect, but George Medley testifies that he suffered much from insomonia, which would eventually drive anyone crazy.

Mr. Selby was a man of some 45 years, and had lived here since 1883, on a tract 50 acres which he bought of Judge Boise. He used to make a living by hauling wood, but quit that a year or two ago, having enough ahead to support him in his simple mode of life. He was a bachelor, and seemed to cherish a special aversion for womankind. His place is well stocked, and brought in sufficient income for all his needs, and he leaves several hundred dollars in the bank. He came here from Virginia and it is thought has a brother yet residing there, and maybe other relatives elsewhere. Coroner Chapman has wired to know their wishes in the matter. Eugene Hayter is acting as administrator of the estate.

As the body was nearly consumed, no bullet marks were to be seen, but the gun was close by and had been fired off by hand and not by the heat. His watch stopped at 2:08, so that settles pretty closely the time of his death.

George Selby was a man of no vices, a good neighbor, an honorable citizen, and one of whom it is to be greatly regretted that he should take this means of exit from the troubles of this world.

HELD FOR COUNTERFEITING.

Albert Bozorth Charged With Belonging to a Bad-Coin Gang.

Albert Bozorth, alleged to be a counterfeiter, was arrested at Independence Sunday and brought to Portland by United States secret service agents. He is said to be a confederate of Charles Adams, arrested a few weeks ago by Portland police, charged with passing counterfeit $5-gold pieces. One side of the coin represented a coin of the Argentine republic, and the opposite side that of a United States coin of $5 denomination. It is charged that Adams and Bozorth made it a practice of following county fairs, where they operated cane and knife racks and passed off their spurious coin. Both Adams and Bozarth are wanted by the police of Elma and other Washington towns.—Oregonian.

Miss Ruby Reese was awarded a life certificate.

Mr. and Mrs. Nez Dale have purchased the Willamette rooming house on Sixth and Ahler, in Portland, and moved down Monday to take charge at once.

PRONOUNCED HIS CASE INCURABLE

Whole Body Raw with Eczema—Life was Intolerable—Was Even Incased in Plaster—Discharged from Hospitals as Hopeless.

SUFFERED 14 YEARS CURED BY CUTICURA

"From the age of three months until fifteen years old, my son Owen's life was made intolerable by eczema in its worst form. He was all right until a red rash broke out on his forehead, but we were not alarmed at first. Very soon, however, the rash began to spread over his head and shoulders, and it caused him great discomfort. I took him to a doctor and tried half a dozen other treatments, all with the same result: no improvement at all. The disease gradually spread until nearly every part of his body was quite raw. We had to strap him down in bed, for he used to tear himself dreadfully in his sleep. The agony he went through is quite beyond words. No one thought we would rear him. The regimental doctor, a very clever man, pronounced the case hopeless; at least, he said the only hope was that he might, if he lived long enough, outgrow it to some extent. We had him in hospitals four times and he was pronounced one of the worst cases, if not the worst, ever admitted. From each he was discharged as incurable; in fact he got worse under the successive treatments. At one hospital they incased him in plaster, and this seemed to aggravate the soreness terribly. He looked so badly that no one liked to go near him and his life was a burden to him. We kept trying remedy after remedy, but we had got almost past hoping for a cure. Six months ago we purchased a set of Cuticura Soap, Ointment, and Resolvent Pills and persevered with them. The result was truly marvelous and to-day he is perfectly cured, his skin not having a blemish on it anywhere. Mrs. Lily Hedge, 51, Vaughan Road, Coldharbour Lane, Camblewell Green, Eng., Jan. 12, 1907."

HON. J. C. WHITE DEAD.

One os Polk's Prominent Residents Passes Away.

Hon. J. C. White, well known to all old Polk county residents, passed away at his Oak Grove home Monday evening at 6:30 o'clock of softening of the brain, from which disease he had been a sufferer for some time, although it had not reached a critical stage until about two weeks ago. Mr. White was aged about 70 years, and since 1865 had been a continuous resident of Polk county. In that year Mr. and Mrs. White came from Missouri, and purchased what was known as the old Jesse Morris donation claim, where they have lived ever since. Mr. White has always been a prominent worker in the grange, and has held many responsible and trustworthy positions therein. He was also quite prominent in politics, being a democrat of lifelong standing. He was not an office seeker, but loved to see his friends elevated to positions of honor and trust, and to assist them to get there. Mr. White's father represented Polk county in the legislature at an early day. He was an ardent member of the Presbyterian church, and an honorable Christian gentleman in the broadest and best sense of the term. He was a man strong in his convictions, one who could not be swayed from what he conceived right and justice between man and man. In short, the world does not produce more honorable, capable or better men than John C. White, as we have found him to be in the many long years in which we have had the pleasure of his acquaintance. He has gone to a just reward.

The funeral services occurred at Zena Wednesday afternoon at 1 o'clock, being conducted by his old pastor and friend, Rev. McKinley. A large and sorrowful assembly gathered to do him this last sad honor and lay him away with fitting rites forever.

Besides his wife, deceased leaves one brother, W. W. White, of Enterprise, two half brothers, M. F. White of Rickreall, and Jacob White, of Salem, and two half sisters, Mrs. [illegible] Kantner, of Salem, and Mrs. [illegible] Harbuck.

Hon. J. E. Cherry Dead.

From a late Afton, Iowa paper, we clip an account of the death of J. E. Cherry, who has a number of relatives in Dallas: Hon. J. E. Cherry, of this place, died last night. He was one of the pioneer residents of this section and for eight years served as county auditor. He has been ill for a year and a half of a complication of disease and his demise has been anticipated for some time. He was 68 years of age at the time of his death, having been born in Perry county, O. He leaves a widow, two sons, Carroll Cherry, of Chicago, and W. E. Cherry, of Des Moines. He was a brother of J. W. Cherry, Mrs. J. M. Gadd and Mrs. J. H. Bishop, as well as being an uncle of Mrs. Jerry Sullivan, all of Des Moines. He was a man of sterling worth, and as a county official was one of the best Union county ever possessed.

Dwelling House Burned.

Monday afternoon our fire department was called to a burning residence in the southern edge of the first ward. It belonged to G. R. Allen, who came here with his family about a year ago from Pennsylvania, and who was absent at the time. By the time the hose boys got there employees of the W. V. lumber mill had taken out everything movable, but for lack of water could not extinguish the flames. 1100 feet of hose had to be run out to get to a hydrant. The house was practically burned up, but the boys did good service in saving adjacent property.
