THIRD ANNUAL

School Children's Fair, Polk County.

The Third Annual School Children's Fair for Polk county will be held in the W. O. W. hall in Dallas, Wednesday, Thursday and Friday, October 1st, 2nd and 3rd. The committee in charge have secured the W. O. W. hall for the fair and no matter how hard it rains everything will be in the open air. The building, having come forward and offering livestock as prizes will have them at the fair and they will be placed on exhibition in the big black tent. Children living in the county will be invited to place their exhibits on the train or stages and send them to the School Children's Fair committee. Charges will be paid by the committee. The sending exhibits this way must be careful to have them labeled so that the committee will know to whom to send the prizes and the school record to be presented and win the prizes. Several schools that will be in session during the fair will close for the day of the parade and will send their schools in a body to the fair.
Special rates have been offered by Mr. Hirschberg on the motor line for children from independent, Manmouth and the county adjacent, and Mr. Geringer has made an offer of special rates on the Salem, Falls City and Western R. R. and we may also secure several special trains.
The business men and citizens of Dallas have donated liberally for a watermelon feast for the children taking part in the parade, and after it is over they will be banqueted upon watermelon. Think of it, children, a ton of watermelons.
A good program has been arranged for each evening and Stockwell's band, of Dallas, has been secured which in some ways the band music will be on the list. It is only a few days now until the fair, and we earnestly hope that every boy and girl in the county will try and have something on exhibition. If you have nothing to show, come anyway, and see what the other boys and girls are doing; then go in the parade and show that you are going to be classed as one of the school children of Polk County, the county that does things.
Yours for a successful fair,
L. C. SEYMOUR.

NEW ENGLAND DINNER
Given for the Free Library October 2nd.

The city free library for some time past has been in debt to the bank for running expenses, and is getting about to the end of its credit. The action of the city council Monday night in issuing a warrant for \$100 on this year's appropriation greatly relieved the situation. Plans are well underway for the big banquet entertainment which is to be given the evening of October 2nd, and it is gratifying to note that with worthy response everyone is making ready to

COULD NOT WALK FOR FOUR MONTHS

Mass of Itching, Burning Humor on Ankles—Feet Fearfully Swollen—Opiales Alone Brought Sleep—Many Treatments Failed but

TORTURES OF ECZEMA YIELDED TO CUTICURA

"Cuticura Remedies are all you claim them to be. I had eczema for over two years. I had two physicians, but they only gave me relief for a short time and I cannot enumerate the ointments and lotions I used to no purpose. The itching and burning were so intense that I could not sleep. I could not walk for nearly four months. One day, my husband said I had better try the Cuticura Remedies. After using them three months, I had the best night's rest in months unless I took an opiate. I used one ointment after another, Cuticura Ointment, and Cuticura Resolvent Pills, and my ankles healed in a short time. It is now a year since I used Cuticura, and there has been no return of the eczema.
I had a small lump in the corner of my eye for over a year which was very painful and got larger all the time. I bought I would try Cuticura Soap and Ointment on it, and now it is gone. I am a satisfied customer and have lived on the farm I now occupy for twenty-seven years. Cuticura Remedies are the safest and most reliable I have ever used for all skin humors. Mrs. David Brown, Locke, Crawford Co., Ark., May 18 and July 13, 1907."

DISFIGURED For Life is the Despairing Cry of Thousands

Of skin-tortured and disfigured victims of humors, eczema, tetter, and rashes, who have tried and found wanting many remedies, and who have lost faith in all. To such Cuticura Soap, Ointment, and Pills appeal with irresistible force. They are absolutely pure, sweet, gentle, and wholesome. They afford immediate relief in the most distressing cases, and point to a speedy cure when all else fails.

Internal Treatment for Every Form of Eczema, Tetter, and Rashes. Cuticura Ointment (50¢) to treat the skin, and Cuticura Pills (50¢) to purify the blood. Cuticura Soap (50¢) for the bath. Cuticura Remedies, Boston, Mass.

The money made from this will not have to be used for debts, as was first thought, but will go toward new books, periodicals, etc. for this winter's reading. The big dinner and concert will take place at the Woodman hall, the dinner being spread from 5:30 to 8:30, and concert will follow at 8:30. The general arrangements for the dinner are in the hands of Mrs. Louis Geringer, Jr., and the concert program is under the direction of Mr. Gorman, representative of the Wiley E. Allen Co. He will have both local and Portland talent take part, and there will be a grand piano, and three Grand pianos. Profiting by the unfortunate experience of last year's New England dinner, there will be no repetition of the crowding, long waiting, and lack of attention. Nearly 200 people can be comfortably seated at once in the big army and dining room, and more than double the provisions of last year will be provided. On Monday and Tuesday of next week, the solitary committee under the direction of Mrs. E. W. Fuller will call on every one for contributions. This committee is made up of the same ladies who served so efficiently last year: Mrs. Barnes, Mrs. Hawkins, Mrs. Richmond, Mrs. Otto Williams, Mrs. Frank Condit, Mrs. E. M. Smith, Mrs. F. S. Ramsey and Mrs. Ed Shaw. The menu to be served will be practically the same as that of last year—Boston baked beans and brown bread, boiled ham, roast beef, corn beef, salads of several kinds, pickles, doughnuts, cakes of all kinds, apple, pumpkin, and mince pies, tea and coffee.

The county rock crusher is now in operation on Warren Frick's land near Falls City.
Dick Madison and son were over from Salem Tuesday to see their many old friends here.
Mrs. E. V. Hoover is down from Roseburg to a visit with her mother, Mrs. E. H. Hubbard.
Miss Viola Hall, of Falls City, will teach in Astoria this winter.

Running Away from Roosevelt.

Washington, D. C., Sept. 21, 1908.
It is a most remarkable thing that the Democrat campaign book just issued, contains no criticism, or censure whatsoever of Mr. Roosevelt or Mr. Roosevelt's administration. This is one of the peculiarities of politics. A still more remarkable fact is that this was purposely done and at the instigation of Mr. Bryan himself. But when one looks at the logic of the situation, it will readily be seen that Mr. Bryan could not have done otherwise. All of the policies that Mr. Roosevelt has achieved popularity in promoting, were taken bodily from Democrat platforms and Mr. Bryan's speeches. There is not a single one that is advocated by Mr. Roosevelt of any importance but what was taken from Mr. Bryan's teachings.

However the fact has been clearly established that the Republican party is running away from Mr. Roosevelt's policies. This is shown to some extent by the nomination of Mr. James S. Sherman as the running mate of Mr. Taft. Mr. Sherman is interested in dozens of trusts and has been a collector of campaign funds for the Republican party for many years. This only goes to show that the Republican party intends to "stand in the trust" and if they are successful, the tariff will be adjusted in the interests of the trusts instead of in the interest of the people. The treasury board of directors of these great concerns has succeeded in evading the law against corporation contributions to campaign expenses. He has discovered that while the corporations cannot contribute to the Republican campaign fund, there is nothing to prevent the Secretary or any of the members of the board of directors of these great concerns from contributing. As there is absolutely no enthusiasm in the Republican campaign whatever this year, the Republicans are proceeding to squeeze all the money they can out of corporations, such as the beef trust, the steel trust, the harvest or trust, the oil trust and so on, so they are depending on the power of a big corporation fund to carry the election against Mr. Bryan. But the people are not likely to be bought up this time as they were in the days of Mark Hanna. It is said that the farmers of the country are sending money orders to Mr. Bryan by the mail bag and that every day he gets in from one to two bags of mail from farmers, ranging from one to two dollars a piece. This is a mighty good plan and every Democrat in the country should send at least one dollar to Mr. Bryan at Lincoln, Nebraska, and more if he can.

Keep Your Blood Pure.

No one can be happy, light-hearted and healthy with a heavy fall of blood that cannot do its duty to every part because of its impurity; therefore the first and most important work in hand is to purify the blood so that every particle of the body will get the full benefits of a healthy circulation. There is no remedy we know of so good as that old family remedy, Brandreth's Pills. Each pill contains one grain of the solid extract of sarsaparilla blended with two grains of a combination of pure and mild vegetable products, making it a blood purifier unexcelled in character. One or two taken every night for a while will produce surprising results. Brandreth's Pills have been in use for over a century and are sold in every drug or medicine store, either plain or sugar-coated.

CORRESPONDENTS' CONTEST.

It Will Begin October 1st and End April 1st.
The Remizer's third annual correspondents' contest will begin October 1st and end April 1st. We will offer as a first prize the same as in the last contest, a beautiful sewing machine, of good design and workmanship. This time we will give a second prize of an unabridged Webster's dictionary to the one coming out second best. Regularity in correspondence is what will count in the competition. We want a regular weekly letter from ever locality in the county and take this means of securing it. If your precinct is not represented, send us a weekly letter. Remember that those who start on time and keep it up are the ones to be benefited.
Ex-County Clerk J. A. French and John Wood, of Walla Walla county, were visitors in Dallas Monday.
The Oregonian recently published a list of so-called Democrats that voted in republican primaries in Multnomah county. It is something like that list of Taft club members published here, and which is being republished by so many.
