# BABY GIRL CRIED

All the Time—Torturing Eczema Covered Her Body—Could Not Sleep—Doctor Said Sores Would Last for Years-Skin Now Clear.

#### **CURED IN THREE MONTHS** BY CUTICURA REMEDIES

"I take great pleasure in telling you what a great heip it was for me to use Cuticura Soap and Cuticura Ointment for my baby niece. She was suffering from that terrible torture, eczema. It was all over her body but the worst was on her face and hands. Her hands were so bad that she could not hold anything. She cried and scratched all the time and could not sleep night or day from the scratching. I had her under the doctor's care for a year and a half and he seemed to do her no good. I took her to the best doctor in the city and he said that she would have the sores until she was six years old. But if I had depended on the doctor my baby would

want of aid.

"I used all the remedies that everybody told me about and I tortured the
child almost to death. Then I saw in
the paper how Cuticura was the thing
for irritating skin. I bathed her with
warm water and Cuticura. Scap and used
the Cuticura Ointment. She was cured
in three months. Now her skin is as
clear and smooth as it could be. I shall
recommend the use of Cuticura wherever
I see the skin in bad condition. Alice
