Tenth and Morrison, Portland, Oregon A. P. Armstrong, LL.B., Principal  
We occupy two floors 65 by 100 feet, have a \$20,000 equipment, employ a large faculty, give individual instruction, receive more calls for office help than we can meet. Our school admittedly leads all others in quality of instruction. It pays to attend such an institution.  
Said a Business Man: "Keep hammering away everlastingly on thorough work. It will win in the end." Said an Educator: "The quality of instruction given in your school makes it the standard of its kind in the Northwest."  
Open all the year. Students admitted at any time. Catalogue free. References: Any bank, any newspaper, any business man in Portland.

### COLLEGE Y. M. C. A.

#### To Bring the Nefed Bancroft to Our City.

Franklin P. Davis, of New York, was in our city Monday. Mr. Davis is manager and sole director of the noted Psychologist, Dr. George Gilbert Bancroft, and Miss D. Lillian Lewis vocalist and impersonator. Manager Davis made arrangements with the college Y. M. C. A. to bring this talented pair to our city for two entertainments Oct. 30th and 31st at the Woodman Hall. Dr. Bancroft will give on the first evening his famous lecture "Hoodlum" a startling discourse on all supernatural Phenomena. On the second evening he will appear in his humorous sketch "When, Whom, and How to Love," a musical lecture novelty and a laugh from start to finish. Dr. Bancroft will be assisted both evenings by the charming singer Miss Lewis in a repertoire of literary and vocal gems, impersonations, etc. The advance seat sale so far has been very encouraging and no doubt they will be greeted by a large audience.

#### Caught Stealing Milk.

For some time Frank Holman's enemies in the second ward have been missing their milk bottles. It was surmised that young lads were the thieves. The genial manager of the Stoltz bottling factory determined to lay for the boys with the result that Thursday night he caught the culprits red handed and delivered them into the custody of Chief Odum. They were let off with a reprimand, but the next time it will be reform school for them. It is hoped that both youths will now fully see the error of their ways.

#### Always to Be Depended Upon.

When a person gets up in the morning with a dull headache and a tired, stretchy feeling, it is an almost certain indication that the liver or bowels, or both are decidedly out of order. At such a time Nature, the wisest and best of all doctors, takes this means to give warning that she needs the help and gentle assistance which can best be obtained from that old family remedy, Brandreth's Pills, which has been in use for over a century. They are the same fine laxative pill your grandparents used when doctors were few and far between and when people had to have a remedy that could absolutely be depended upon. Brandreth's Pills can be depended upon and are sold in every drug and medicine store either plain or sugar-coated.

All members of Mistletoe circle, Women of Woodcraft, are especially requested to be present at the next regular meeting on Wednesday, October 14th.

### Judge Truitt Smiles.

State Senator Warren Truitt attacked Pete Grant, editor of the Troy News, on Main street in Moscow, Idaho, Thursday, inflicting several scalp and facial wounds with a piece of iron. The senator was arrested and taken before a justice but was released. Senator Truitt took exception to statements made in Grant's paper during the recent campaign. Judge Truitt was a resident of Dallas some 25 years ago, and owned the Itemizer office once upon a time for some 15 minutes.

#### Another Train on Yamhill.

The latest talk, which seems to be well founded, is that a Newberg passenger train is to be put on the run between here and Yamhill. It will probably leave here at 6 o'clock in the morning and return about noon. And in the afternoon leave Newberg probably about 1 o'clock and return late in the evening. The passenger-crows are fighting on who shall have the new run and it is stated that the train will be put into service at an early day. Better service always stimulates travel and with the new schedule Newberg will be pretty well fixed for train service to and from the city.—Graphic.

#### Won Prize Dog House.

Master Earnest Stowe, a son of Mr. Joe Stowe, of this city, presented himself in our office Saturday morning with an order from School Superintendent Seymour for the cash prize of \$5 offered by the Itemizer to the lad who could erect the neatest dog house. We have not seen the edifice, but understand from those who have that it is a masterpiece of workmanship, especially for a lad so young as Earnest, and we feel confident that it will fully protect and shield our Scotch collie from the winter blasts now near at hand.

#### Correspondent's Contest.

A number of correspondents have asked us if subscriptions will count in the contest now on. We had not intended that anything but regularity in sending in items would be a factor, but as so many seem to desire this change, we will add a special prize and let subscriptions count. We have purchased of Adams, Brobst Company a nice Morris chair covered with leatherette, automatic in action, and with fine finish, Mission style. This we will give to the correspondent sending in the most subscriptions during that time. Each \$1 sent in will count 100 votes for the Morris chair, and it may be for new or old subscriptions, job work or advertising.

Get your tire set at Fred Wagner's, the household tire-setter, in 15 minutes or while you wait.
