According to Senator republican party can do no even if they elect him

Candidate Taft has yet by the people to an office served them in many difficulties, but each time was Quite a record. Roosevelt ing to appoint him president

The republicans have no so scared of Bryan's proba that in addition to Roosevelt sending out the entire cab speeches. And the people to thus neglect the duties

It is now conceded by a scheme of republican pol worked, and that Gov. will not be elected senator gon by the next legislatu the way in which the ri that party prove faithi promises and obey the wi people.

Republican papers are cartoon entitled No Retre Taft defending the White on his gun a label. Spee ance A prominent repu town heard that speech a mined him to vote for says it was the lamest th listened to—Taft seemi to touch on vital issues.

Don't allow the p litie now on to make you over onist rates in effect durin and October, and r-ment friends and acquaintanc the older states can rom of the Pacific Northwest tickets at le-s cost now t time during the coming

THE OREGONIAN'S CY.

For some time the I gouian, organ of the def can party, has devoted space in an attempt to s Bryan is a man of chang That it has or has not su showing we leave its read The purport of this s simply to make the rema ple who live in glass b not throw stones. The notel for changing its sometimes quite suddenly now is to deride the ban plan advocated by Mr. B longer ago than May 21st it was unqualifiedly in proposition, and in an that date, rather cleverly it would be a good thing ple, and instanced the tween the failure of a ba hama, where the people ved by law, and in Forti where they are at the me rascal that close to put o and run a bank. It does an extraordinarily sensi readily see the rea-on for of policy on the Orego Such a measure for the people was not made a p republican platfo m but democratic. Why then when the Oregonian claims that there is no publican party in Orego
