RHEUMATISM
CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead of a weak, sour stream, constantly depositing acrid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties—just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.

ITCHING ECZEMA FIFTY-FIVE YEARS

Suffered Torments from Birth — Boils Formed as Big as Walnuts —In Frightful Condition and Could Hardly Work—Tried All Kinds of Remedies to No Avail—At Last

WHOLLY CURED IN 8 MONTHS BY CUTICURA

"I had an itching, tormenting eczema ever since I came into the world, and I am now a man fifty-five years old. I tried all kinds of medicines I heard of, but found no relief. I was truly in a frightful condition. At last my blood was so bad that I broke out all over with red and white boils, which kept growing until they were as big as walnuts, causing great pain and misery. I thought they would take the skin off my whole body, but I kept from scratching as well as I could. I was so run down that I could hardly do my work. Mr. Nelson R. Burnett recommended the use of Cuticura Remedies, telling me he was confident they would benefit and, in time, cure me. I used the Cuticura Soap, Ointment, Resolvent, and Pills for about eight months, and I can truthfully say I am cured. I cordially recommend Cuticura Remedies to all who are afflicted the same as I was, believing that, if they will use them according to directions, they will find them all they are represented to be. Any one doubting the truth of the above can write to Mr. Burnett, who will cheerfully vouch for my statements.

"Hale Bordwell, R. F. D. 3, Cedar Corners, Tipton, Ia., Aug. 17, 1907."

"I cheerfully endorse the above testimonial. It is the truth. I know Mr. Bordwell and know the condition he was in. He never tires of praising the Cuticura Remedies.

"Nelson R. Burnett, Tipton, Ia."

Gentle anointings with Cuticura, the great Skin Cure, preceded by warm baths with Cuticura Soap, followed in the severer forms, with mild doses of Cuticura Resolvent Pills, afford instant relief, permit rest and sleep, and point to a speedy cure of torturing, disfiguring, itching, burning, and scaly humors, eczemas, rashes, and inflammations, from infancy to age.
