CATARRH BLOOD AND SYSTEM DISORDERED

Catarrh is not merely an inflammation of the tissues of the head and throat, as the symptoms of ringing noises in the ears, mucous dropping back into the throat, continual hawking and spitting, etc., would seem to indicate; it is a blood disease in which the entire circulation and the greater part of the system are involved. Catarrh is due to the presence of an excess of uric acid in the blood. The Liver, Kidneys and Bowels frequently become torpid and dull in their action and instead of carrying off the refuse and waste of the body, leave it to sour and form uric acid in the system. This is taken up by the blood and through its circulation distributed to all parts of the system. These impurities in the blood irritate and inflame the different membranes and tissues of the body, and the contracting of a cold will start the secretions and other disgusting and disagreeable symptoms of Catarrh. As the blood goes to all parts of the body the catarrhal poison affects all parts of the system. The head has a tight, full feeling, nose continually stopped up, pains above the eyes, slight fever comes and goes, the stomach is upset and the entire system disordered and affected by this disease. It is a waste of time to try to cure Catarrh with sprays, washes, inhalations, etc. Such treatment does not reach the blood, and can, therefore, do nothing more than temporarily relieve the discomfort of the trouble. To cure Catarrh permanently the blood must be thoroughly purified and the system cleansed of all poisons, and at the same time strengthened and built up. Nothing equals S. S. S. for this purpose. It attacks the disease at its head, goes down to the very bottom of the trouble and makes a complete and lasting cure. S. S. S. removes every particle of the catarrhal poison from the blood, making this vital stream pure, fresh and healthy. Then the inflamed membranes begin to heal, the head is loosened and cleared, the hawking and spitting cease, the constitution is built up and vigorous health restored. S. S. S. also tones up the stomach and digestion and acts as a fine tonic to the entire system. If you are suffering with Catarrh begin the use of S. S. S. and write us a statement of your case and our physicians will send you literature about Catarrh, and give you special medical advice without charge. S. S. S. is for sale at all first class drug stores.

FOUND CUTICURA INDISPENSABLE
 For Her Children—Little Girls Suffered with Itching Eczema Which Simply Covered Back of Head—Baby Had a Tender Skin, Too.
 ALL PROMPTLY CURED BY "WONDERFUL OINTMENT"

"Some years ago my three little girls had a very bad form of eczema. Itching eruptions formed on the backs of their heads which were covered. Before I heard of Cuticura, I used to try almost everything, but they failed. Then my mother recommended the Cuticura Remedies. I washed my children's heads with Cuticura Soap and then applied the wonderful ointment, Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another baby whose neck was broken and even bled. I used Cuticura Soap and Cuticura Ointment and the next morning the trouble had disappeared. I am using the Cuticura Remedies yet, whenever any of my family has any sores. I can never recommend Cuticura sufficiently. It is indispensable in every home. I cannot find its equal. Mmo. Napoleon Dupepe, 41 DuLuth St., Montreal, Que., May 21, 1907."
