ALL RIGHT - I'LL PUT IT OUT MYSELF.

GRACIOUS! WHAT'S THIS?

SERVES YOU RIGHT FER TRYIN' TO PUT OUT OUR BON-FIRE -

YES - AND I'M GOING TO GET THE WHOLE TOWN TO SIGN IT.

YES. I WILL SIGN IT, MAJOR.

### RECORDS

A great pleasure in an-  
Photographs a number  
Records, which will add  
in its present form, and  
made by Mr. Edison  
at we now have to offer  
process and playing an  
Its most important  
twice as fine as the  
and twice the playing  
of the Record itself.  
but it became necessary  
to wear of the smaller  
a 200-thread Record,  
changes and refinements  
to secure these results,  
and supervised by Mr.  
action of its kind that  
note that the eye can-  
more clearly, more  
the same time, they  
minute records will be  
making it the lowest  
onger than any other  
present Phonographs,  
rd in addition to the  
to offer an attachment  
ograph, so that users  
nizer to play the new  
a Phonograph so that  
easy to attach to any  
ing the speed of the  
carry either the two-  
ducing point so that it  
Triumph Phonographs,  
will explain also the  
both the present and  
Mr. for playing both the  
and the Edison Standard  
Combination Type  
Combination Type,  
Phonographs equipped  
all the Gem, Standard,  
fore.  
estimated. Everyone  
and that interest greatly  
bearing the Amberol  
have been made by  
ent—that is, the long  
best Phonograph for
