A BIG CHANCE

To Advertise Dallas in All the Eastern States.

It is now up to the citizens of Dallas to take time by the forelock and secure to themselves one of the best chances for advertising their resources and advantages that has ever come to them.

Our basketball team is soon to make a tour of the eastern and middle states. They have with them a financial manager in the person of Mr. H. L. Fenton, who is a booster, and he should have all the helps necessary; i. e., plenty of discriptive matter to tell the people east just what our country is capable of, what it can produce, and our climatic conditions for the raising of fine stock. We have lots of good things to tell not equaled anywhere on the globe. Let us seize this opportunity, and have our basketball team circulate the literature.

Believing that the citizens of Dallas fully realize the advantages of this opportunity, the Itemizer hereby takes the initiative and requests that the citizens meet at the court house

Friday Evening

for the purpose of discussing the matter, and if found the proper thing appoint committees to solicit the necessary funds.

Humor and Philosophy

By DUNCAN M. SMITH

THE GREAT COMMONER.

There's something in a story
That warms you to the lad
Who draws a long one from his vest
And says, "This ain't so bad."
You feel not that same brotherhood.
Although you grasp his hand,
For one who hands you a cigar
That's done up in a band.

Though rough may be its jacket,
It's flavor strong and loud,
With nothing in its outlines
To make the owner proud,
Yet it is so suggestive
Of friendship worth the while
You take it as it's proffered
And light it with a smile.

Though modest, poor and lowly,
The man who goes about
With stogies in his pocket
And freely hands them out
Has always friends in plenty,
No odds where he may turn,
Who'll stick to him like brothers while
The weed holds out to burn.

No smoke aristocratic,
No proud and haughty pipe
Built only for the wealthy,
Who scorn the lowly "snipe."
The stogy makes its smoker
A person minus show,
Who has to see how far he can
Make every nickel go.

Getting Even.

"Revenge! Revenge! I have had revenge!"

"Licked somebody?"

"Naw."

"What have you done?"

"Met the iceman face to face and wouldn't speak to him."

Superior Beings.

"It is the flimsy, gaudy things just made to catch them that attract women."

"Yes, indeed. It is style rather than substance that gets their money."

Having settled this matter to their own satisfaction, the men walked up to the cigar counter and selected two expensive smokes because they liked the looks of the band.

Necessary Appliance.

"I am going to organize a stock company for $1,000,000."

"That sounds good. Still I think you ought to have a cash capital of at least 40 cents before you start."

"What for?"

"To buy a watering can to water the stock."

Original Research.

"What he doesn't know about politics isn't worth knowing."

"He must have read a lot of books."

"No; he was head clerk in a livery stable for three years."

PERT PARAGRAPHS.

Sometimes it costs lots of money to get sarcastic at the expense of somebody else.

When you feel that you just have to be cranky, go down cellar and turn the grindstone for somebody else awhile.

If you are bound to be suspicious, at least contrive to conceal the fact and put your open mindedness and generosity on parade.

Many a woman has taken her widowhood so gayly that she has found it impossible to keep it.

We are very quickly forgotten, and most of us have reason to be devoutly thankful for the same.

Once in awhile we run across people whose hearts are so wide open that it is impossible to keep anything in them.

It must be a sad old world for those people who are afraid of work. No doubt they are scared blue half the time.

In a great number of cases there is many a trip between the cup and the sip.

Didn't Like the Trimmings.

"Going to buy your daughter a title?" asked one millionaire carelessly of another as they settled down after a hard day's work clipping coupons.

"I haven't made up my mind yet," replied the other. "I would like to do something of the sort if it would please the girl, only there is one drawback that makes me hesitate."

"And what is that?"

"They always insist on throwing in a duke or a count with it."

Childhood's Sunny Hours.

"Goodness, sonny, what's the trouble?"

"Nawthin'. I just wanted to see if I had forgotten how to cry—boohoo!"

WISE TALKS BY THE OFFICE BOY

LAUGHARY'S GROCERY.

I was reading about a fellow who was asked what he had had for lunch, and he said: "A piece of baconine, some almost shanghigh bearies, (eggs) a grunt and a cackle, (ham and eggs) a cup of near coffee and some not quite pie." Well, you wont find any near coffee around this shop; that is if we sell it to you for coffee. Our eggs are fresh—no eastern or packed eggs. It is easy for a grocer to give you a good run for your coffee money if he isn't too stingy. Our coffee is better than ever before, It all depends upon how much a grocer is willing to pay for his coffees. You can buy the old Govt. Java or you can buy near Java which comes from Brazil, but whatever we sell you whether it is Java, Mocha and Java or Costa Rica, you may know it is the best grade that can be sold for the money. Loughary has a big coffee trade and that helps to give you fresh roasted coffee any old day you want it, and not the tastless kind which has lost most of its strength. I expect a lot of ladies in the store today to buy their coffee.

Catarrh Cannot be Cured

With local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Halls Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free. F. J. Cheney & Co., Props., Toledo, O. Sold by druggists, price 75 cents. Take Hall's Family Pills for constipation.

The Doctor's First Question

"How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says.
