At Campbell, well known in Dallas, is now a contractor and builder in Victoria, B. C. Come in and let us equip your phonograph with the new 4-minute attachment. We have them in stock.—L. D. Daniel.

Dr. Donohoe, dentist, Uplow building. Mrs. W. A. Ayers is visiting Portland friends. Mr. and Mrs. Henry Stump were passengers this morning for the metropolis. Next time you make cake, try a package of Olympic cake and pastry flour at Crilker's. Harris & Stump have once more leased Ed Biddle's foundry, and will run it from now on. E. R. Tuttle, a former Dallas resident, was over from Independence today to pay his sewer assessment. Miss Wallie Ghorko has returned home from Portland, where she has been visiting her sister, Mrs. J. R. Rankin. Have you seen those nice envelopes just gotten out at this office for the Dallas Development league. None better. Kennedy's Laxative Cough Syrup stops the cough and drives the cold from the system. Children like it. Sold by Conrad Stafarin.

W. J. Wagner has taken charge of the blacksmith shop at the Wagner agricultural store, and would like to see all his old customers. When you want prescriptions filled by a competent druggist, one who is careful and knows what he is about, go to Conrad Stafarin's drug store. Kodol for dyspepsia and indigestion will digest any and all food at any and all times. Kodol is guaranteed to give prompt relief.—Sold by Conrad Stafarin. After several weeks spent at a Salem hospital, where she was operated upon for appendicitis, Mrs. D. F. Harris has returned home greatly improved in health.

President Laughry informs us this afternoon that another meeting of the Dallas Development league will be held as soon as the finance committee, consisting of R. E. Williams, U. S. report and H. C. Eakin, in his report. Bills for the first month's advertising are now on hand, and it would be well for the financial part of the matter to be fixed up immediately. It will not be long until the second edition of our booklets will be on hand, and we should be fully prepared to meet all bills as they become payable. During the year 1908, a total of 4,450,560 sheep were inspected by the federal inspectors working under the direction of Dr. S. W. McClure, chief of the bureau of animal industry in the northwest. As there are only about two million sheep in the state, it will be seen that the sheep have all been inspected at least twice and some of them more than that. The last inspection has been made since October 1st, and during that time more than a million and a half sheep have been inspected. Of this number but 7275 sheep were found to be infected with scabies and these have all been dipped twice since that time.

Kodol digests all the food you can eat. If you will take Kodol for a little while you will no longer have indigestion. It is pleasant to take, acts promptly. Sold by Conrad Stafarin. "Dr. Thomas' Electric Oil is the best remedy for that often fatal disease—croup. Has been used with success for our family for eight years."—Mrs. L. Whiteacre, Buffalo, N. Y. At J. L. Castle's Cash grocery you can get anything you want in the feed line. His goods are fresh and of the very best quality, and he sells as cheap as you can get them anywhere. Major E. F. McGlacklin, of the regulars, stationed at Vancouver, has been designated to conduct the annual inspection of Company H at the Army here on Friday evening February 5th. Mr. and Mrs. Alvis Lynch have come to California to see if a change of climate will not benefit his stomach trouble. For the present, they will visit in Frisco with her cousin, Mrs. Wagner. Heavy impure blood makes a muddy, pimply complexion, headache, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red pure—restores perfect health.

Remember that the Twenty-Second annual Clearance Sale of R. Jacobson & Co., McMinville, will positively close on January 30th. See their ad on page 4, and avail yourself of the bargains they offer. Two children, aged 8 and 10 years, named Dobson, were brought from Independence the other day by Sheriff Grant and committed to the tender care of the Aid society in Portland. The destination was pitiful. Kennedy's Laxative Cough Syrup tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels and at the same time it is soothing for throat irritation, thereby stopping the cough. Sold by Conrad Stafarin. We are yet reminded of the cold weather by some large snow banks back of this office. M. D. Ellis tried to burn one up the other day, but we cannot say that he was successful. Maybe it was old boxes he was getting rid of.

Mr. C. L. Fisher was up from his Ballston home Monday and informs us that the Yamhill bridge went out last week, slick and clean, and that he had heard that the Willamina and Sheridan bridges also took a trip. Quite an item of expense for Yamhill county. The young men of Rev. N. S. Reeves Bible class of the Presbyterian church, met at his home Wednesday evening and organized a Young Men's Civic club. The club was organized along the same lines as the House of Representatives. The following officers were elected: Speaker, Robert VanOrsdal; clerk, Walter S. Muir; treasurer, Arthur Andrews. It is the purpose of the club to hold debates and discussions on questions pertaining to city, state and national affairs.

The telegram to the Itemizer from the Oregon last night was signed by Dan Poling, the original crack center of the team. It is supposed he is taking an active interest in the games played in Ohio, and doing considerable rooting for his old classmates when he can get the opportunity. The boys play at present, at President McKinley's home town tonight, Cat, Ohio. The Woodmen had an interesting session Tuesday night and several were initiated. The \$5 prize, offered by the editor of the Itemizer to the one securing the most applications during the campaign, was won by L. N. Bilyeu. Several other prizes were distributed. Next Tuesday a prize is offered to the blindfolded man who can walk across the hall and come nearest sticking a paper calf's tail in the right place.

## WISE TALKS BY THE OFFICE BOY

ELLIS GROCERY.

I have a kid friend who works in the city and the last time I saw him he was telling me how hard it was to economize. "Why," said he, "last month I walked to and from my work to save car fare and my landlady raised my board on account of my increased appetite." I guess the only way to economize is to trade at a one-price popular price store, like ours, where you get what you want when you want it and are not fooled into buying a lot of goods you don't want by some firm who advertise they are giving their goods away at cost (what they cost you) and after you've been jollied into buying enough to last you a whole year, you find you buy better and more desirable things here for the same money and get them whenever you need them. We get an awful lot of business from the farmers. You'd think they surely could raise everything they need for home consumption, but I guess they get tired of eating the "raw material" and like to come here for a change and get some of the prepared products we have for them such as Shredded Wheat Biscuit or nice Graham Wafers or Nabisco or some of those Fig Biscuits that just came in. Have you tried our salt salmon and mackerel. WILLIE.

## FANCY CRACKERS.

Cheney. Sworn before me and subscribed in my presence this 6th day of December, A. D. 1888.—A. W. Gleason, notary public. [Seal] Hall's Catarrh cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.—Frank J. Cheney & Co., Toledo, Ohio. Sold by all druggists, 75 cents. Take Hall's Family Pills for constipation.

Last Saturday evening the Oregonians played a game of basketball at Linesville, Pennsylvania, defeating the Linesville five by a score of 29 to 15. This was the first time that Linesville had ever been defeated on their home court, but they were simply outclassed by the Dallas boys from start to finish, and at no time were the Oregonians in danger of being defeated. Referee Tasta is taking a few days vacation visiting relatives in that state, and H. L. Fenton sends in the Itemizer specials. The game of basketball last night between the Oregonians and some team at Mansfield, Ohio, in which the score stood 48 to 20, was not sufficiently close to arouse much enthusiasm here, and probably not where it was played. Our boys seem to have had a first class workout. Only two games have been played since our last issue, both of which, the Oregonians won. This makes 28 games played so far on their tour. One of these resulted in a tie, one they won by forfeit, and four they have been beaten. This is far beyond any record ever made by a touring team, and we cannot but be proud of our Dallas, Oregonians.

Ray Ramsey has been visiting relatives in Forest Grove. E. Owen & Stout, lawyers, abstractors, notary public. Collections. Uglow Bid. A good piano for sale. Will take a good work horse for part pay.—L. D. Daniel. R. R. Butler, who is to carry the Taft vote to the electoral college, is lost. Will the Nowberg Graphic explain? Mr. and Mrs. A. C. Taylor are now living in Edward Gerlinger's residence. We would advise everyone to be particularly careful about the safety of their valuables. There are some very suspicious characters about. The caged jack rabbit in the Dallas Meat Co's window is attracting considerable attention. They were a great rarity in this section until lately. Good for cuts, burns bruises and scratches, but especially recommended for piles.—DeWitt's Carbolized Witch Hazel Salve. Sold by Conrad Stafarin. E. D. Suitor accompanied by his mother, Mrs. R. Suitor, of Portland, returned to that city yesterday after a visit to Salem friends.—Salem Statesman. Tom Reil will be back Saturday to again take charge of his barber shop. Mr. Vose has received an advantageous offer from his former home in Dakota, and he and Mrs. Vose will probably accept it. President Laughry informs us this afternoon that another meeting of the Dallas Development league will be held as soon as the finance committee, consisting of R. E. Williams, U. S. report and H. C. CAMPBELL-TEATS

Both Contracting Parties Old Dallas Young Folks.

A very pretty wedding took place at the home of Mr. and Mrs. W. G. Campbell, of this city, at high noon Wednesday, January 27th, when their daughter, Miss Lydia A. Campbell, was united in marriage to Mr. Chauncey B. Teats, of Holtville, California, by the Rev. Sias, of the Christian church. Only the immediate relatives of the contracting parties witnessed the ceremony. The bride party entered to the strains of the wedding march from Lohengrin played by Miss Ruth Campbell. After the ceremony dinner was served, and Mr. and Mrs. Teats left on the afternoon train for their California home. The bride was daintily costumed and made a bewitching figure. She has long been known as one of our most successful school mistresses, and her going will leave a gap in educational circles hard to fill. Born and raised in this midst, she is well known by all, and they will join the Itemizer in wishing the young couple a happy and prosperous future. Mr. Teats is a son of Rev. and Mrs. A. W. Teats, and although not a native son, he has spent his boyhood days with us and has many friends here. For some years he has been a prosperous business man of Holtville.

A PROSPECTOR'S TRIP

To the Little North Fork of the Santiam.

After leaving Elkhorn, I went east. The waters here made a good road to the Hotline creek. Here the Black Eagle Mining company took hold of it and made a fine road for four miles, it costing them \$9000. This company will finish it to their mining property in the early spring to Horn Creek. This company has a good copper property and it is an oxide running 20 per cent copper, the rest lead. There is a grant of land for this company. They will put in a smelter next summer. This property is about 12 miles northeast from Gates. Several other prizes were distributed. Next Tuesday a prize is offered to the blindfolded man who can walk across the hall and come nearest sticking a paper calf's tail in the right place.
