THE EDITOR

Who tells you when your friend is dead, Or that your dearest foe is wed, Or unto foreign lands has fled?

The Editor. Who says your effort far outranks Those of our rival poet cranks, But all the same declines with thanks?

The Editor. Who weeps with you when you are sad, And smiles with you when you are glad, And laughs at you when you are mad?

The Editor. Who has to be both kind and wise? And nev—well hardly ever lies, And when he does, excites surprise?

The Editor. Who always does good deeds by stealth, Nor tries to dazzle with his wealth, Of brain and scissars, paste and pen?

The Editor. Who owns a heart as well as cheek, Possessed of spirit proud, yet meek, And lives on fifty cents a week?

The Editor. Who knows all things political, Who's witty, sharp, satirical, But never gossipy?

The Editor. Who knows how much he ought to know, But never knows what is not so, Nor shows how much he doesn't know?

The Editor. IN FIVE MINUTES.

All Your Indigestion and Stomach Misery Will End.

Take your sour stomach—or maybe you call it indigestion, dyspepsia, gastritis or catarrh of stomach; it doesn't matter—take your stomach right with you your pharmacy and ask him to open a 50-cent case of Pape's Diapensin and let you eat one 22 grain triangle and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is food fermentation—food souring; the digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms. If your appetite is feeble, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of this there is but one cause—fermentation of undigested food. Prove yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery. Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapensin.

MACADAM GREAT SUCCESS.

Thin Layer of Mud Easily and Quickly Removed.

While the Itemizer was an earnest advocate of paving last spring and did all it could to get our Main streets as improved, rather than as was finally decided upon, yet it can but compliment the city council upon the entire success of their method. The matter was then left to the property owners, and they decided by a large majority to macadam instead of pave. The council looked the matter up thoroughly, even sending a committee to Eugene to investigate, and their report has been considerable in making the trend of public opinion in favor of macadam. They found the cost would be at least double, and this our people did not care to stand. The macadam was laid on nine blocks and today stands as an everlasting monument to the wisdom of our city authorities. On these streets we have had good firm roadways ever since. It is true that some mud has accumulated, yet that would be the case with any paved streets, where there is dirt to be tracked on. Even a cement walk will take on mud if not cleaned. Look at the one on the corner of Main and Oak. We have noticed in the Eugene papers considerable lately about this same difficulty, even on her far famed paved thoroughfares. Paved or macadamized the mud will accumulate to some extent unless cleaned off every few days. The cause of these remarks is the excellent job of scraping off the mud from our macadam the other day by order of the city council and under the supervision of Chief Odum. A long scraper was used with iron shoe attached and drawn by four horses. The mud was easily scraped in and under the supervision of Chief Odum. A long scraper was used with iron shoe attached and drawn by four horses. The mud was easily scraped in and under the supervision of Chief Odum. A long scraper was used with iron shoe attached and drawn by four horses. The mud was easily scraped in and under the supervision of Chief Odum.

GOOD HOME RECIPE.

Mix This Simple, Helpful Recipe at Home and Try it Anyway.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one half ounce; Compound Kagon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in a teaspoonful dose after each meal and at bedtime.

The above is considered as the most certain prescription ever written to relieve backache, kidney trouble, weak bladder and all forms of urinary difficulties. This mixture acts promptly on the eliminative tissues of the kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes rheumatism. Some persons who suffer with the ailments may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising; the relief being effected without the slightest injury to the stomach or other organs. Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it. A druggist here at home, stated that he could either supply the ingredients or mix the prescription for our readers, also recommending it as harmless.

Birthday Party.

Little Harold Lawrenson celebrated his fifth birthday Tuesday with a party for his little friends. He entertained them with games from 3 to 5, then dainty refreshments were served, which were much enjoyed by all. The little folks departed wishing Harold many happy returns of the day and that his birthday would come often. Those present were: Red Smith, Edna VanMose, Loveta Holman, Hazel Culver, Evelyn Reeves, Grace Mizers, Ruth Reynolds, Irene Reynolds, Ruth Dawson, Harold and Lucyle Lawrenson.

Only seven men says and we will have a new president of the U. S.

In a private letter from Walter Critchlow the other day he informs us that the Oregon will play in "Frisco" in a few days for the championship of California. There will be a series of games, and it is not known yet who they will be up against. It is said that the "Frisco" is the property of California of the Stockton Y. M. C. A.

Total 1639 Total 806

Since we went to press the last time our victorious basketball team has played four games, they getting skinned by Provo, Utah, last Saturday in a game in which they were ahead on the first half and lost the rest of the second half, it requiring continued playing, when our boys made one and the Provo three. Games ahead wired up last night are as follows:

Tuesday, March 2, Santa Cruz, Cal. Wednesday, March 3, Watsonville. Thursday, March 4, San Jose, Calif. Saturday, March 6, San Francisco.

A phone message from Walter Critchlow at Corvallis this morning to Mr. Joe Craven announced that the Oregons will have no game with Corvallis, they wanting the referee and the rest of the earth. Senator Loughery is in receipt of a proposition to play a series of games with the Oregons, two here and one in Portland; this Mr. Critchlow is willing to try. He is arriving in Dallas this afternoon.

The Oregons won a game last night at Logan, Utah, in one of the hardest fought games of their trip. The first half stood 12 to 9 in favor of the Oregons. Logan went to the lead in the second half but could not hold it, and the Oregons won by three points. The final score was 25 to 22. Fenton made two field goals, Sawyer 2, Shaw 1. Fenton got 15 out of 22 shots.

Salt Lake, Utah, Feb. 24.—The Oregon basketball team of Dallas, Oregon, defeated the university of Utah, Salt Lake, a score of 35 to 24. Objections to the selection of Manager Teats, of the Oregons, interested in the game scheduled for Saturday night between the Oregons and the Salt Lake Y. M. C. A. team, which holds the western championship.

FOUR MORE

Oregons Lose One and Take in Three.

Oregons 13; Haskell 23.

After defeating Kansas City the Oregons went on to Laurens, Kansas, to tackle the Haskell Indians, a team recently beaten by Kansas City. The Indians are a fast team which plays unquestionably faster, and rougher, at home than any place else. The first half was a lively skirmish among the pillars in which the red men's nature instinct for dodging among trees came in not amiss and they led 7 to 5.

The lineup was changed in the second half more weight being added. Their basket tossing now seemed to be accompanied by great luck, while their defense could be neither better nor safer for a traveling team. The score: Field goals, Cratzer 1, Gorton 3, Means 3, Baird 4, Smith 1, Fenton 1, Reed 3, E. Shaw 1, Morton 1; Fouls, Reed 1 in 3, Means 1 in 3.

Oregons 40; Lincoln 12.

The Lincoln Y. M. C. A. was met on Tuesday night, the night preceding being vacant. Although this team had beaten the state university and although the tourists seemed in some respects to be still off color, they had very little difficulty in disposing of it locally. The visitors excelled in passing and in making openings from which to shoot field goals. Fenton getting a sufficient number of these alone to win the game. Field goals: Waugh 3, Heitner 1, Fenton 8, Reed 5, E. Shaw 3, Morton 1, Reed 6, Y. M. C. A. 4.

Oregons 31; Peru 11.

A clean and very fast game from start to finish. The Normalists opened with a rush, but soon found the pace a hard one. Their big center cut off a good many high ones and held his team considerably, but did not figure in the score. Time and time again a misdirected shot at the basket went on and on, but the Oregons were not of bounds and to the other side, which would result in another race across the court in which the superior team work of the Oregons was noticeable. Fenton again figured prominently in field goals, while the whole team played in better form than on the night before. The Peru team and spectators were highly pleased, pronouncing the game the latest ever played on the court. Field goals: Schott 1, Beck 2, Fenton 8, Teats 2, E. Shaw 3, Morton 1, C. Shaw 1; Fouls, Fenton 1 in 3, Schott 4 in 5. Points awarded to Peru 1.

Oregons 39; Greeley 30.

This was a game which resulted in a pretty even score, but in some respects was a one sided game. The Oregons took the lead in a pretty easy pace and finished the half still leading 16 to 12. At the beginning of the final period of play the pace seemed to be slackened and Greeley evened up and made several more points for good measure.

About the middle of the chapter the visitors apparently awoke to the fact that the Oregons were behind and started in to score again, soon passing the Pioneers under 30 and finishing six points ahead. Score from the field: Oregons 39, Greeley 30. Woodbury 1, Brush 4, McAfee 3, Fenton 1, Teats 4, E. Shaw 4, Morton 3, C. Shaw 2; Fouls, Fenton 7 in 9, Greeley 7 in 10 points awarded to Oregon 1.

Denver, Colo., February 20, 1909. Capt. V. P. Fiske, Dallas, Oregon.

Dear friend: As we will still be a little far away for Monday's game to reach you by letter, I will send in the last four anyway.

Next week I believe, will all be set up in Utah, Monday at Provo and Saturday at Salt Lake City, but intermediate dates I do not have right here, so I shall not attempt to fill it off hand. It will likely be a pretty hard week.

Yours, CLAUD SHAW.

ALL WRONG.

The Mistake is Made by Many Dallas Citizens.

Don't mistake the cause of backache. To be cured you must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache.

You must cure the kidneys. Your resident of this vicinity shows you how.

Mrs. Lydia Pearson, D and Spring Sts., McMinnville, Oregon, says: "I cannot do otherwise than recommend a remedy that has proven of such benefit to me as Doan's Kidney Pills. For a long time I suffered from kidney complaint. There was a severe pain in my back caused by disordered kidneys and I was also subject to headaches and felt tired and languid all the time. I saw Doan's Kidney Pills advertised to cure such complaints and procured a box. I steadily improved until entirely free from the disease. Doan's Kidney Pills certainly lived up to the claims made for them in my case."

For sale, all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

START NEXT WEEK.

Work to Then Commence on Railroad to Capital City.

The Salem Statesman is authority for the statement that work on the Geringer railroad between Dallas and Gering, Nebraska, will commence the first and 10th of March. The contract for the completion of the line has been let to E. B. Miller, who is to have the grading completed by the 10th of July. He thinks this will insure the road being in actual operation by September 1st. He did the work that was done on the grade for this road last year. But he then was working for the company, not for himself as a contractor. He owns his own outfit of plows, graders, etc., and his own team. He will put 50 or 60 men on the Dallas road, and about 20 teams. The work will be commenced at Eola, where it was left off last fall.

IN WASHINGTON, D. C., EVERYBODY KNOWS COL. WILLIAM CAMP.

I find Pe-ru-na very valuable for rebuilding of a worn and tired system.

CHARVALROUS, high-minded, impulsive, generous, courteous, courageous, loyal, a believer in good fellowship, a lover of home, magnanimous to enemies, true to friends, is a reputation that any man may well envy.

No man better exemplifies this description than Col. William Camp, whose testimonial is given below. His unique figure and charming personality is well known in the streets of the capital city of the United States. His word is as good as his bond. His frankness and truthfulness no one has ever questioned that knew him.

Read what he says concerning Peruna.

"I write to say that I have used Peruna and find it a very valuable remedy for coughs or colds and rebuilding of a worn and tired system, dissipating and cradling that old tired feeling."—Col. William Camp, 1740 L St., N. W., Washington, D. C.

MR. CHAS. BROWN, Rogersville, Tenn., writes: "I feel it my duty to write you a few words in praise of your Peruna. I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

"A friend advised me to take Peruna for indigestion, and it cured me in a short time. I was very weak and ner-

vous, could sleep but little at night, but Peruna cured that tired, all-gone feeling, and made me feel like a new man, so I heartily recommend it to all who are weak and run down. It will give new life and energy."

"I cannot speak too highly of Peruna, and will not forget to recommend it for indigestion, and it cured me in a short time. I was very weak and ner-

vous, could sleep but little at night, but Peruna cured that tired, all-gone feeling, and made me feel like a new man, so I heartily recommend it to all who are weak and run down. It will give new life and energy."
