SKIN DISEASES

HUMORS IN THE BLOOD

When the blood is pure, fresh and healthy, the skin will be soft, smooth and free from blemishes, but when some acid humor takes root in the circulation its presence is manifested by a skin eruption or disease. These humors get into the blood, generally because of an inactive or sluggish condition of the members of the body whose duty it is to collect and carry off the waste and refuse matter of the system. This unhealthy matter is left to sour and ferment and soon the circulation becomes charged with the acid poison. The blood begins to throw off the humors and acids through the pores and glands of the skin, producing Eczema, Acne, Tetters, Psoriasis, Salt Rheum and skin eruptions of various kinds. Eczema appears, usually with a slight redness of the skin followed by pustules from which there flows a sticky fluid that dries and forms a crust, and the itching is intense. It is generally on the back, breast, face, arms and legs, though other parts of the body may be affected. In Tetters the skin dries, cracks and bleeds; the acid in the blood dries up the natural oils of the skin, which are intended to keep it soft and pliant, causing a dry, feverish condition and giving it a hard, leathery appearance. Acne makes its appearance on the face in the form of pimples and black heads, while Psoriasis comes in scaly patches on different parts of the body. One of the worst forms of skin trouble is Salt Rheum; its favorite point of attack is the scalp, sometimes causing baldness. Poison Oak and Ivy are also disagreeable types of skin disease. The humor producing the trouble lies dormant in the blood through the winter to break out and torment the sufferer with the return of Spring. The best treatment for all skin diseases is S. S. S. It neutralizes the acids and removes the humors so that the skin instead of being irritated and diseased, is nourished by a supply of fresh, healthy blood. External applications of salves, washes, lotions, etc., while they soothe the itching caused by skin affections, can never cure the trouble.

S.S.S.
PURELY VEGETABLE
because they do not reach the blood. S. S. S. goes down into the circulation and forces out every particle of foreign matter and restores the blood to its normal, pure condition, thereby permanently curing every form of skin affection. Book on Skin Diseases and any medical advice desired sent free to all who write. S. S. S. is for sale at all first class drug stores.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable. Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root is not of its kind. It is a correct remedy for every ailment of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made with the publishers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

Dr. Kilmer's Swamp-Root is sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

And Mrs. Nichols Sunday.

Mr. Walker Fitts is painting his little cottage and is offering it for sale.

Grandma Williamson has been visited on her farm at Oak Grove last week.

Rev. Hotchkiss will preach at the schoolhouse next Sunday at 4 o'clock.

Mr. Geo. Gosser, Mr. Brock, Erv Miller and others went over above Turner Saturday evening fishing.

Mr. Robert Glen has been on the sick list for two weeks. He and his aged mother live together on the old home place.

Mr. Watters has bought the remaining lot that George Johnson had for sale. Now all lots are \$200 each. West Salem has surely taken a boom.

Mr. Kruger received word that his barn on his Iowa farm was struck by lightning and burned to the ground with the implements and four steers. His son got the horses and the rest of the stock out. Mr. Kruger came from there just before Christmas and is building a nice cottage on the S. Gibson place.

Mrs. Mary Finley passed to rest on Wednesday, the 14th, at the home of her son, Mr. Wm. Finley, after about 35 years. The remains were interred in the City View cemetery beside her husband, who passed away three years ago. The funeral services were conducted by Rev. Wm. Selek, she being a member of the First M. E. church, of Salem, for a number of years.

The eve doctors here last week decided to disagree over their private affairs and the result was two cases in the justice court.

The mother, sister and brother in law of Cliff Pugh are visiting with him this week. They are from Nebraska and formally resided here.

The ladies basket ball game Friday night was the event of the season so far. A very large attendance was had and everybody said it was fine.

The new purchaser of the Wandering place has taken possession of the same, and Bob has bought a piece of land from Rev. Dodd and will move on to it.

A. W. Cooper left for his Buena Vista ranch, recently purchased by him. The best wishes of the community go with Mr. Cooper to his new home and we trust we will see him often.

Dr. Louis Muscott has moved back to Falls City and it is the hope of our citizens that he will stay this time for good. Louis is one of our steady, honorable young business men and makes good wherever he happens to be.

Frank Hubbard is going to gardening and small fruit raising on a scale that will benefit Falls City. Soon we get our early and late fruits and vegetables right at home, fresh and cheaper than shipping them in from some other county.

The hand boys of Falls City are making excellent progress and Friday night made their first public appearance. All our people were pleasantly surprised at the wonderful progress made by them, as indicated by the fine music and good time kept. We are proud of our band.

The new saw mill near town is nearly ready to run and will give employment to at least 20 men. This is an added industry to Falls City and the mill is within fifteen minutes' walk from our post office. All employees can live at home, which will be a great convenience to them.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system into chaos, entering it through the mucous surfaces. Such articles should never be used except on prescription from a reputable physician, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and the mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price 75 cents per bottle. Take Hall's Family Pills for constipation.
