

Impossible to be Well
It is impossible to be well, simply impossible, if the bowels are constipated. You must pay attention to the laws of nature, or suffer the consequences. Undigested material, waste products, poisonous substances, must be removed from the body at least once each day, or there will be trouble. A sluggish liver is responsible for an immense amount of suffering and serious disease. Ask your doctor about Ayer's Pills. He knows why they act directly on the liver. Trust him. J. C. Ayer Co., Lowell, Mass.

M. Hayter, dentist, Wilson building. Baseball goods at Lee Smith's cycler. More rain is needed to thoroughly wet the ground. Al. Griffith is visiting relatives at Snohomish, Wash. A man went over to Salem today to attend the circus. Some kind of a Wonderland, so called, show held forth in the Wiseman building last night. H. L. Fenton desires those bringing in wool to use wool rope, as the manufacturers do not want it. While at Seattle recently Everett Gwinn went over the fair grounds. He says the fair is going to be a big thing. Cheapest accident insurance—Dr. Thomas' Electric Oil. Stops the pain and heals the wound. All druggists sell it. Come down to the Dallas foundry and look at our grubbing machine. It is a dandy and will do the work—Harris & Stump.

Staffin's drug store windows are filled with an interesting exhibit prepared by Dallas school children for the Seattle exposition. The local opinion cases to have been tried this week have been dropped by the prosecuting attorney at the request of the anti-saloon league.

A remarkable coincidence in the death of A. Sifarth is that Mrs. Sifarth and two of her sisters have been left widows during the last year. Hon. Geo. Bingham, wife and daughter, were over from Salem Sunday visiting their old friends Postmaster and Mrs. C. G. Coad. They drove in their fine new auto. Mrs. Edward McKenzie had to cut short her visit and return to her work in the Field department store at Chicago. Miss Cecil Blessing accompanied her as far as Portland.

President Tamm, in an article in McClure's Magazine for May, answers the critics of the Panama Canal. Last Sunday afternoon at 3 o'clock at the residence of Mr. and Mrs. Bert Wells in Dallas, Rev. M. B. Young united the destinies of Walter B. York and Mabel E. Gray, of Dayton. Only relatives of the contracting parties were present, the groom's parents and two sisters coming up from McMinnville and the bride's mother from Dayton. The happy couple at once went to house-keeping in one of the Fenton residences in the first ward.

Representative Hawley has made a strong personal appeal to Secretary Ballinger and Land Commissioner Bennett to take up and finally adjudicate the long-pending suspended Siletz homestead entries. Mr. Hawley explained that this reservation was by act of Congress, thrown open only under the homestead law, not withdrawing much of the land is heavily timbered. He insisted that, in view of the natural conditions, homestead settlers had difficulty in strictly complying with the law. The secretary and commissioner assured Mr. Hawley that they would give orders that these cases be expedited and that, in deciding them, they will take into account the conditions which he explained. Mr. Ballinger further assured Mr. Hawley that in reaching his decision he would recognize any rights of the government and settlers and would not recognize alleged rights of intervenors.
