

For Coughs—Take This
Do you know a remedy for coughs and colds nearly seventy years old? There is one—Ayer's Cherry Pectoral. Once in the family, it stays. It is not a doctor, does not take the place of a doctor. It is a doctor's aid. Made for the treatment of all throat and lung troubles. Ask your own doctor his opinion of it. Follow his advice. No alcohol in this cough medicine. J.C. Ayer Co., Lowell, Mass.

Terrible Red Patches on Face and Arms Made Victim Ashamed to be Seen—Suffered Intensely for Ten Months—Exper' Treatment Gave No Relief—Two Sets of the

CUTICURA REMEDIES ENTIRELY CURED HER

"About two years ago I contracted eczema and suffered intensely for about ten months. At times I thought I would scratch myself to death. My face and arms were covered with large red patches, so that I was ashamed to go out. I was advised to go to a doctor who was a specialist in skin diseases, but I received very little relief. I tried every known remedy, with the same results. I thought I would never get better until a friend mine told me to try the Cuticura Remedies. So I tried them as the last resource, and I am very glad to say that I did, for after four or five applications of Cuticura Ointment I was relieved of my unbearable itching. I applied myself to the Cuticura Remedies (Soap, Ointment and Pills), and I am completely cured. I can now go out in the sun and take in the affairs of the rose festival.—Eugene Guard.
