There is more catarrh in this section of the country than all diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 70 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer $100 for any case it fails to cure. Send for circulars and testimonials. Address F. J. Cheney & Co., Toledo, Ohio.
