HIRAM CARPENTER'S WONDERFUL CURE OF PSORIASIS

After 20 Years of Intense Suffering When All Thought He Had but Short Time to Live. Earnestly Prayed to Die. Condition Deplorable Beyond Description. Tries Cuticura. Eureka! Relief at Once. Stopped Terrible Burning Sensation from Word Go. In Six Weeks Skin Smooth as This Paper.

I have been afflicted for twenty years with an obstinate skin disease, called by some M.D.'s psoriasis, and others leprosy, commencing on my scalp; and in spite of all I could do, with the help of the most skilful doctors, it slowly but surely extended until a year ago this winter it covered my entire person in the form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely all the time. Every morning there would be nearly a dustpanful of scales taken from the sheet on my bed, some of them half as large as the envelope containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost, that could be thought of, without any relief. The 12th of June I started West, in hopes I could reach the Hot Springs. I reached Detroit and was so low I thought I should have to go to the hospital, but finally got as far as Lansing, Mich., where I had a sister living. One Dr. —— treated me about two weeks, but did me no good. All thought I had but a short time to live. I earnestly prayed to die. Cracked through the skin all over my back, across my ribs, arms, hands, limbs; feet badly swollen; toe-nails came off; finger-nails dead and hard as a bone; hair dead, dry and lifeless as old straw. O my God! how I did suffer.

My sister, Mrs. E. H. Davis, had a small part of a box of Cuticura in the house. She wouldn't give up; said, "We will try Cuticura." Some was applied on one hand and arm. Eureka! there was relief; stopped the terrible burning sensation from the word go. They immediately got Cuticura Resolvent, Ointment and Soap. I commenced by taking one tablespoonful of Cuticura Resolvent three times a day after meals; had a bath once a day, water about blood heat; used Cuticura Soap freely; applied Cuticura Ointment morning and evening. Result: returned to my home in just six weeks from the time I left, and my skin as smooth as this sheet of paper. HIRAM E. CARPENTER, Henderson, N. Y.

"We hereby certify that we are acquainted with the aforesaid Hiram E. Carpenter, and know his condition to have been as stated. We believe his statement to be true in every particular." (Signed) L. B. Simmons & Son, Merchants; G. A. Thompson, Merchant; A. A. Davis; Millard E. Joiner, Merchant; John Carpenter; A. M. Leffingwell Attorney and Counselor-at-law, all of Henderson, N. Y.

The above remarkable testimonial was written January 19, 1880, and is republished because of the permanency of the cure. Under date of April 22, 1910, Mr. Carpenter wrote from his present home, 610 Walnut St. So., Lansing, Mich.: "I have never suffered a return of the psoriasis and although many years have passed I have not forgotten the terrible suffering I endured before using the Cuticura Remedies."

A 32-page booklet describing humors and affections of the skin will be mailed free to those desiring further information by Potter Drug & Chem. Corp., 131 Columbus Ave., Boston.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

Representatives of the P. C. Lavy Co., are here endeavoring to sell to our people some Klamath Falls town lots. The proposition may look good to some people, but an investment in property here will pay just about ten times what it will elsewhere.

A failing tiny nerve—no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The stomach also has its hidden inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing Stomach, Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by W. V. Fuller.

IF SICK--WHY PAY

Unless Health First Returns.

Here is what should and can be done!

Now you would not willingly pay for food that was worthless—would you?

Then why pay for medicine until that medicine first proves to you its actual worth?

Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns". And I back my Restorative with a signed and sealed 30 day "No help, No pay" contract.

I positively pledge to the sick everywhere that "*Dr. Shoop's Restorative is absolutely free if it fails*". Let others do the same—or else pass my prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement.

When the Stomach, Heart, or Kidneys go wrong, then test Dr. Shoop's Restorative. I do not dose the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I cast away that mistaken idea in medicine. The books below will best tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silken thread. They tell how that nerve, until it fails, actually gives to the Heart its power, its tone, its never-ending action or impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the Stomach, and Kidneys each have their "inside" or power nerves. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails".

This is why I say "*take no chance on a medicine whose maker dare not back it just as I do by this remarkable offer*".

So write me today for the order.

I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.

But write me first for the order.

All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test.

So drop me a line please—and thus save disappointment and delays. Tell me also which book you need.

A postal will do.

Besides, you are free to consult me as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.

Two Barns Burned.

The other day two barns in the vicinity of Airlie went up in flames, they belonging to Alex. Lewis and Hugh Williams. The one of Mr. Lewis' caught fire first, presumably from a carelessly thrown cigar, cigarette or match, and the other barn caught from it. Mr. Lewis lost a couple of buggies, some harness, six tons of hay and 100 bushels of oats, and M. Williams a lot of feed. Too much care cannot be taken in throwing down combustibles at this time of year.
