

S.S.S. CURES OLD SORES

Every old sore is an infected spot on the flesh, kept open by constant drainage of impure blood into the place. One of the principal constituents of blood is plasma, a healing property. Where the circulation is pure this element of the blood, which is of a glutinous or sticky nature, performs the necessary work in healing all sores, wounds and lacerations. It does this by sticking or joining the parts together, while nature causes a knitting of the tissues and solidifies the place.

This healing property is frequently destroyed by impure accumulations in the blood, and this vital fluid not only loses its power to heal, but becomes a source of irritation and disease to any open sore or ulcer on the body. Constantly it discharges its morbid matters into the place, and gradually it causes the infection to spread, and the sore enlarges. The morbid matter in the blood comes from different causes. A long spell of debilitating sickness, which breeds disease germs in the system, the retention of the refuse matters of the body because of a sluggish condition of the eliminative members, a continued malarial state of the system, inherited bad blood, etc., are usually responsible.

S.S.S. heals sores and ulcers in the very simplest way. It just goes into the circulation, and removes the impurities and polluted matter that are the means of keeping the ulcer open; then the sore is bound to heal. S.S.S. is the greatest of all blood purifiers, and not only does it cleanse the circulation, but it does every necessary property to it to promote good health. It is of the very greatest tonic value, and those who have been weakened and run down by the constitutional drainage of an old sore will find it the very remedy needed.

S.S.S. does not simply cause a scab to come over an old sore, but beginning at the bottom it heals the place permanently by building new tissue and filling in the place with firm, healthy flesh. Special to cure on Sores and Ulcers and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

BUENA VISTA.

Marvin Elkins and wife have moved to Salem.

W. H. Murphy was a Portland visitor last week.

Monroe Krutz, of Saver, was a Buena caller Monday.

Art Hall and Roy Elkins left last week for Eastern Oregon.

Messias Chas. Fisk and Chas. Snyder were Independence callers Monday.

Artemus Winn and children, of near Albany, visited at the home of Chas. Fisk Sunday.

J. M. Prather and family left Tuesday for the Belknap springs for their summer's outing.

Henry Seaton has added a fresh coat of paint to both of his houses which is a great improvement.

J. R. Loy took seven fine porkers to Independence Monday for which he received a fancy price.

Mrs. L. Harmon returned home Saturday from a several weeks' visit with her daughter, of Winlock.

Mr. and Mrs. Lester Murphy have moved over to the Smith place near Saver, where Mr. Murphy will be engaged at hauling pulp for several weeks.

Mrs. A. Anderson, who has been at the bedside of her daughter, Mrs. M. L. Baldwin, of Winlock, returned home Saturday. The many friends of Mrs. Baldwin will be pleased to hear that she is in a very critical condition.

Mrs. Fred Loy gave and old fashioned week picking Tuesday afternoon and invited a number of her lady friends to help her. Ice cream and cake were served and a jolly good time had by all. Those present were Messias John Loy, A. Anderson, Galt, Harmon, Murphy, Conner and Fred Loy.

Miss Hazel Belshaw, daughter of Mr. and Mrs. M. W. Belshaw, has chosen Tuesday evening, August 9, as the date of her wedding.

Miss Belshaw's engagement to Walter W. Shore, of Dallas, Ore., was announced some time ago and the wedding, which will take place at the home of the bride-to-be's parents, 203 Indiana avenue, is being looked forward to with much interest. The wedding will be a quiet affair, only the most intimate friends of the family being invited. There will be no attendance at church.

Miss Belshaw has lived in Spokane for the last seven years, during which time she has become one of the popular members of the younger society set. She is a graduate of the South Central High school, with a class of June '08. Later she attended the University of Washington, where she completed the sophomore year. She is also a prominent member of the Pi Beta Phi society.

Mr. Shore was formerly of Minnesota, and for the last three years has been a student at the University of Washington. He is a member of the Sigma Chi fraternity. At present Mr. Shore is engaged in the mercantile business with his father in Dallas, Ore.

After the wedding, for there will be no reception, the young couple will leave for Dallas, where they will make their home.—Spokane Chronicle.

UNRULY MERCHANT FIGHTS.

Wife Sees Husband Beaten for Interfering With Officer.

Newport, Oregon, July 24.—Special—Howard Bush, a merchant of Summit, Oregon, was beaten into submission in the presence of his wife and 1500 persons today by City Marshal M. B. Grant, a brother of Sheriff Grant, of Polk county. Grant arrested Bush for interfering with him while performing his duty in directing the crowd which had assembled to witness the arrival of the Sunday excursionists from the falls. Grant was clearing a passageway through the crowd to enable 500 persons, who came on the ferryboat New-

port, to get from the dock to the street. When Grant approached Bush he insisted that he step back. Bush refused and struck Grant on the nose with his fist, following the blow up with kicks and other blows which brought Grant to the ground. Then Bush struck Grant three times on the head with a loaded bill, cutting his scalp severely.

Bush was submissive by this time and Grant took the offender, followed by his weeping wife to jail, where Dr. Carter stuck up his wounds. Later Bush was released on \$100 cash bail to appear before the justice of the peace Monday morning.—Oregonian.

FUNERAL TOMORROW

Old Resident of Dallas to be Laid Away by Side of Family.

Several days ago the news of the death of Z. F. Vaughn was received here by a letter from Portland to Mrs. J. C. Gagnor, also conveying the statement that the remains would be laid to rest here by the side of other members of the family. Later advises are that the body will be brought up on the train tomorrow morning, and taken direct to the Old Fellows' cemetery.

The pall bearers will be C. G. Coad, Eugene Hayter, V. P. Fiske, W. V. Fuller, Harry Gaylor, J. C. Hayter, old time friends of deceased. The funeral services were held in Portland this afternoon, and the body will probably be accompanied here by the aged mother of the deceased, his wife, and his son and daughters.

Zenas F. Vaughn came to Dallas about the year 1882, having been a resident of New York state previous to that time, as we remember it. He was a jeweler, and opened a store in the old J. R. Miller drugstore, now occupied by the electric light office. After the Fall building was erected he occupied a more pretentious location. He married Miss May Martin, of North Yauhill, and by her had three children, one son and two daughters. His parents and two sisters and a brother were following him. The father, brother and sisters died here and were buried here. Some 15 years ago they went to live at Los Angeles, and he there gained considerable notoriety by the invention of a brazing composition, but which seems to not have met entirely the wants of the trade. He was of an inventive nature but lacked the sticktiveness to make his inventions bring him in the financial returns they should have. His death occurred in San Francisco, his first wife in the meantime having passed away, and he having married again.

Miss Winslow, a noted singer of Los Angeles, and very well fixed financially. Major Bell used to say that Zenas Vaughn was the ideal perfect man from a physical standpoint, and in many other respects he seemed to have all that is coming in this world, he having a knack of making and keeping friends. There are many here who will mourn his passing and think of the kindly heart that has been stilled forever.

AMERICAN LAKE.

Employers Requested to Help Militia to Attend.

Headquarters Department of the Columbia, Vancouver Barracks, Wash., July 22, 1910.

The Adjutant General, State of Oregon.

Dear Sir:—I desire to call your attention to the great importance of having as large an attendance as possible at the maneuver camp at American Lake next month. It is fully appreciated that the members of the National Guard cannot always conveniently leave their civil vocations to perform their military duties, but it is so necessary to have a full attendance in order to derive any considerable benefit from the camp that every effort should be made to secure the presence of as many men as possible. It is confidently believed that if the militia and their employers can be impressed with the importance of this matter, no difficulty will be experienced, as the patriotism of the American people is such that they would be unwilling to hamper the government in its efforts to train the nation's defenders.

Congress this year has appropriated over a million and a quarter of dollars for the maneuvers, and we should do all we can to render a full return for this liberality. As President Washington said, it is necessary to prepare for war in time of peace. After hostilities have commenced it is too late. The conditions of modern warfare require such a high degree of discipline and such thorough training that much preparation is required before soldiers are prepared to take the field against an enemy. The maneuver camps are the most important part of the year's training, and no man should be absent if it is possible for him to attend.

It is hoped therefore, that all members of the National Guard will make every effort to be present and their employers will see the necessity of granting vacations during the encampment to these young men whose patriotism has led them to join the National Guard in order to prepare themselves to defend the nation in the time of the nation's need. Very respectfully,
HENRY C. CABELL,
Major General Staff
Chief of Staff.

HEAD CAMP.

New Officers Elected by the Woodmen of the World.

Portland is this week holding the tenth session of the governing convention of the Woodmen of the World. E. C. Kirkpatrick being the delegate from Polk county. Barring a few kickers, everything so far has passed off harmoniously, and yesterday the following officers were elected, the majority of them succeeding themselves: Head consul, I. I. Bank, head adviser, T. P. Revelle, of Seattle; head clerk, C. V. Benson, of Denver; head banker, A. E. Sunderland, of Fresno, Cal.; head auditor, F. P. Bertschy, of Denver; head escort, S. Hepler, of Helena, Mont.; head sentry, George R. Brown, of Lewiston, Idaho; head physician, T.

A. Hughes, of Denver; board of managers, W. C. Hawley, of Salem; T. M. Robinson, of Oakland, Cal.; Dr. James Stenhouse, of Denver; John Pattison, of Coifax, Wash.; F. P. Hawke, of Pueblo. No business has as yet been transacted in a law making way, but a number of changes for the good of the order have been proposed and are likely to pass.

Death at Falls City.

Yesterday afternoon at his home at Falls City, W. A. Cobb, aged some 65 years, passed away, after a short illness, of peritonitis. He had only been ill of this disease for a short time, but had been suffering from general debility, so much so, that he had only lately returned from California, where he went in search of health. He had been a resident of this portion of the state some four years, and was a man respected by all who knew him for his many virtues. He leaves a wife and daughter, and several brothers to mourn his loss. The funeral will occur at Falls City Saturday at 11 o'clock.

A socialist lecturer is advertised to give a talk on the streets this evening.

The common housefly is now the justly deserving object of a national campaign in the interest of the public health.

Flies carry filth and disease germs wherever they go. We are sincerely glad that we are able to co-operate effectively in the fight against the housefly. Flies and electric fans do not agree. Flies cannot alight in a breeze, and it is a simple thing to keep your kitchen, your living room and the sleeping room of your child free from the contamination of these insects. One electric fan in a small household can usually be made to serve all three purposes, besides freshening and cooling the air. The new 8-inch household fan is both practical and inexpensive. Telephone Northwestern Corporation. The real commercial spirit is to supply the needs of the public as perfectly as possible, and we make a business of satisfying our customers. Electricity is only expensive to those who are wasteful. To you, who are naturally careful, it does not come high. Use Tugsten Lamps and have an abundance of light.
