Chalmers' Cough Remedy has become famous for its cures of coughs, colds, croup and influenza. Try it with confidence. It contains no harmful substance and always gives prompt relief. Sold by all dealers. Rev. Geo. F. Hopkins gave an address before a large audience in Laidley, which to much praise cannot be given. The Reverend is certainly a fine speaker. These opposed to the direct primary law have been making a great howl about the size of the ticket to be voted at the November election, claiming that it would be six feet long and take 15 minutes to vote. ALL MY PIMPLES GONE
"I tell you a dirty face was cleaned by a simple wash." writes Miss Minnie Picard of Altamahas. N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago." D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities. The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble. D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.

ANOTHER PIONEER
Passes on to the Great Beyond Last Week.
Last Thursday witnessed the passing of another one of those great old pioneer ladies that have helped so much to make the Willamette valley and Polk county, especially, the pleasant place of residence it is today.
Miss Elizabeth Nelson was born in the state of Illinois in 1829, was married to Sanford Butler in 1847, and they crossed the plains to Oregon in 1853 settling on a donation land claim on Clark Creek, now owned by Mr. Skerries, and where they made their home for many years and reared a large family. Mr. Butler passed away some 15 years ago, and the gentle spirit of his wife took flight Thursday morning, at the home of her son, John N. Butler on the Upper Willamette. The remains were laid to rest beside her husband in the Salt Creek cemetery Friday. Rev. Barton Z. Riggs officiating, and the ceremony witnessed by many of her old time friends, among them being Mrs. Wm. W. W. and Mrs. Mary E. Remington, of Dallas, and M. J. Newbill, of Ballston.
During Mrs. Nelson's last ten years of life she suffered from being entirely blind, and for some three years she has been bed ridden, paralysis attacking her limbs, and at the time of demise was unable to use but one arm. Mrs. Savery pays her high tribute as one of those lovable, motherly women, whose greatest pleasure was in caring for those in distress and sickness, and by many of the old timers will be fondly remembered for her acts of sisterly affection in caring for sick neighbors, without money and without price.
She was the mother of nine children, seven of whom survive, and five were able to attend her burial, they being John N. and Albert, of Willamina, Mrs. May Hartman, of Butler, Mrs. M. J. Brayton, of Ballston, and another daughter, whose name they were unable to learn.
This passes a great old woman, who by her example has made the world better for her having lived in it, and who kindly self sacrificing deeds she has performed will serve to make others who knew her better and more charitable in their daily lives.
