

One Doctor—Only One
 No sense in running from one doctor to another! Select the best one, then stand by him. No sense either in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it. Ask your doctor about Ayer's Cherry Pectoral for throat and lung troubles. Sold for nearly seventy years. No alcohol in this cough medicine. J.C. Ayer Co., Lowell, Mass.

A pretty wedding was solemnized at the home of Mr. and Mrs. E. Black October 15th, when their daughter, Maggie, was united in marriage with Harold E. Prather, son of E. E. McVicker officiating. The rooms were very tastefully decorated for the occasion. Only the immediate relatives and friends were present. The young couple will live on a farm south of town and have the wishes of their many friends for a long, happy and prosperous life.

The sudden death of Andrew Anderson, which occurred in McMinnville early Sunday morning, October 16th, brought sadness to his many friends of this place. Mr. Anderson was a citizen of this place for over 20 years and was always of a peaceable temperament, which made for him many friends. The family had only moved from this place some three weeks prior to his death. He was a faithful devoted member of the United Evangelical church, Rev. E. E. McVicker conducting the services. He was born in Stramuel, Denmark, May 1, 1855. He was a devoted father, one step son, five step daughters, four sisters and three brothers. Mrs. Anderson has the sincere sympathy of the community.

NOTICED BALD SPOT COMING ON HEAD

Interesting Story of Consultation with Dermatologist and Successful Use of Cuticura. Also Case of Severe Ivy Poisoning, Relief of Which by Cuticura was Permanent.

"Nine years ago I noticed a bald spot coming on my head and, as I was only nineteen years old, it did not seem natural, so it was on the side of my head instead of on top. My mother advised me seeing a dermatologist and I did so one of the best in Boston, and he said it was due to a germ I must have got at the barber's. He couldn't assure a cure, but by treating each hair separately by electricity, he said, he might come out white or gray, if it came out at all. He proposed giving me a treatment every month for six months at ten dollars a treatment. When I told my mother she advised using Cuticura and this I did using Cuticura Soap and Ointment every day. In two months my hair commenced to grow, and in six months one would never have known there had been any trouble, the hair coming out being black, the exact shade of my own. I never had any trouble since, and feel I can't say hair enough for Cuticura."

"Another member of our family was severely poisoned by poison ivy and every summer for six years the waters came bursting and causing great suffering. We tried everything recommended by the best physicians, but with no good result. Finally we tried Cuticura and obtained relief in a very short time which was permanent. She has never had any trouble since, so Cuticura is irrefragable in its use. G. J. Brewer, 1 Remington St., Dorchester, Mass., Jan. 29, 1919."

This letter is but one of hundreds giving proof of the success of the Cuticura Remedy in treating the skin and scalp. Follow Drug & Chem. Co., Boston.
