

S.S.S. REMOVES THE CAUSE AND CURES CATARRH

Catarrh usually begins with irritated, inflamed membranes of the head, nose and throat, from which there is a constant and copious discharge of watery matter. This comes from inflammation of these mucous surfaces and is caused by catarrhal matters and impurities in the circulation. Nature intends that these membranes shall be nourished by the blood, but waste matters and impurities deposited into these delicate parts, sets up inflammation and the discharge is a natural result. When this secretion begins to dry it becomes thick and sticky, adhering to the back portion of the mouth and throat, causing the "hawking" and straining so troublesome to Catarrh sufferers.

Other ordinary symptoms are caused from congestion of the circulation by the catarrhal impurities. There is only one way to cure Catarrh, and that is to remove the cause by purifying the blood. Washes, sprays, inhalations, etc., do not reach the circulation, and therefore can only afford temporary relief. S. S. S. cures Catarrh by cleansing the blood of all impure catarrhal matter, and at the same time building up the system by its unequalled tonic effects. In other words S. S. S. cures Catarrh by purifying the blood so that the mucous surfaces and linings of the body are supplied with healthy nourishment instead of being continually irritated from the catarrhal impurities. Then the inflamed membranes heal, the discharge is checked, head noises cease, the stomach is toned up, and the throat is no longer clogged with mucus. Book on Catarrh and any medical advice free. S. S. S. is for sale at drug stores.

THE SUN SAYS

Several Things About the Dallas Nine not the Facts.

We clip the following from the Sheridan Sun of last week, and regret much that Brother Hammett is so loyal to his home town as to prevent facts:

Sheridan lost to Dallas the fourth in an exhibition of last. Dallas, contrary to her verbal contract with Sheridan, played a team not entirely composed of Dallas men and their roster players' shoes, several of them professional faces. Some of the men, it is true, were born, or may have lived in Dallas at some time, but they were called on their professional berths to help take Sheridan into camp. The way the Dallas crowd did lambskin the special was something scandalous and flatter hits go to them as their share of the bite, four of these being home runs. Nelson lasted but two innings and Payne relieved him. Jimmy pitched fine ball but a few damaging wets in the 7th, combined with some balloon ascension features by the rest of the team netted the Polk county rivals seven scores in this round. Jones took the mound in the last inning and Dallas added three more. Sheridan hit Featon freely and filled the base time and again, only to have the men gone and the game filled to negotiate a hit. The fans are not discouraged over the Dallas game for we were in a combination with a professional ball player that were paid to help beat Sheridan. It's only a horse apiece now and Sheridan fails to see where Dallas has any great crowd coming. The only regret we have is, that a large holiday crowd was treated to such a mixed bill of fare.

If he will examine the lineup as published in the Itemizer he will find that Sheridan played against our regular team, as used all season, with the exception of Baker on third. The rest are all Dallas boys and not professionals in any shape or form.

Tired all the time; Weary and worn out, night and day; Back aches; head aches; nervousness; All on account of the kidneys. Must help them at their work. Let one who knows tell you how: W. C. Johnston, 1021 Mill St., Salem, Ore. Says: About a year ago I had an attack of sciatica and upon recovering I noticed that my kidneys were disordered. I suffered from pains in the small of my back, especially severe at night, and when I awoke in the morning I was very lame and sore. I became tired easily, felt languid nearly all the time and was also subject to headache and dizzy spells. The kidney secretions were irregular in passage and unattractive. Doan's Kidney Pills were finally brought to my attention and I began their use. The contents of the first box gave me great relief and I am now in excellent health." (Statement given March 1908.)

THREE YEARS LATER.
On November 20, 1909 Mr. Johnston said: "The statement I gave for publication three years ago, recommending Doan's Kidney Pills still holds good." For sale by all dealers. Price 50 cents. Dallas Girl Weds.

Thursday at high noon the wedding of Miss Evangeline Hart and N. A. Griffith was solemnized at the home of the bride's parents, Mr. and Mrs. J. H. Hart. The impressive ring ceremony was pronounced by Prof. D. M. Metzger, dean of Dallas College, in a room beautifully decorated with marguerites and mock orange. The bride, dressed in a traveling suit of white serge, entered the room on the arm of her father. The wedding march was played by Miss Meriam Hart, a sister of the bride. Following the ceremony a sumptuous wedding dinner was served, after which the couple left for Portland, where they will make their home. The bride is one of Dallas' most popular young ladies, having lived here since her early childhood. For three years she was a teacher in the Dallas schools and the last two years has taught in St. Johns. The groom is a resident of Portland and is employed as an express messenger on the Northern Pacific. Mr. and Mrs. Griffith will be at home to their friends at 714 E. Ninth street, Portland, after August 15th. Only immediate relatives and friends were present at the wedding.
