CHILD'S HEAD SOLID MASS OF HUMOR

It Was Awful. Cried Continually. Had to Hold and Watch Him to Keep Him from Scratching. Suffering Was Dreadful.

Had not Used Half a Set of Cuticura Remedies Before Head was Clear and Free from Eczema.

"I think the Cuticura Remedies are the best remedies for eczema I have ever heard of. My mother had a child who had a rash on its head when it was real young. Doctor called it baby rash. He gave us medicine, but it did no good. In a few days the head was a solid mass, a running sore. It was awful, the child cried continually. We had to hold him and watch him (to keep him) from scratching the sore. His suffering was dreadful. At last we remembered Cuticura Remedies. We got a dollar bottle of Cuticura Resolvent, a box of Cuticura Ointment, and a bar of Cuticura Soap. We gave the Resolvent as directed, washed the head with the Cuticura Soap, and applied the Cuticura Ointment. We had not used half before the child's head was clear and free from eczema, and it has never come back again. His head was healthy and he had a beautiful head of hair. I think the Cuticura Ointment very good for the hair. It makes the hair grow and prevents falling hair." (Signed) Mrs. Francis Lund, Plain City, Utah, Sept. 19, 1910.

Cuticura Soap and Ointment are for sale throughout the world, but to those who have suffered much, lost hope and are without faith in any treatment, a liberal sample of each with 32-p. booklet on the skin will be mailed free, on application. Address Potter Drug & Chem. Corp., Dept. 12B, Boston.

Others Tried to Get the Meet.

The Northwest Angora Goat association met Thursday at 12:30 with the largest attendance on record. The principal object of the meeting was to decide upon a place for the midwinter show. C. B. Gwinn, of Oakland, was present and made a strong plea on behalf of the commercial club of Oakland to hold the meeting there. Letters were read from Silverton and Salem asking for the show. Dallas, however, was over with a strong delegation, and after a lengthy discussion the association unanimously selected the latter city. The show will be held about the first week in January. Secretary McDonald states that they will have the biggest show ever held in the west. The membership of the association is now over 125.—Statesman.

Blooded Stock Goes Out.

Mr. U. S. Grant, the world famous raiser of blooded Angora goats, and president of the Angora goat association, notifies us that he has this week shipped out eight bucks, with which growers in five states will improve their herds. One buck was shipped to Joe Vineyard, of Yoncolla, Ore., two bucks to B. M. Halbert, of Sonora, Texas, three bucks to George Daugherty, of Avis, New Mexico, one buck to H. O. Yarrow, Bowman, California, and one buck to W. F. Oonner at Smuggler, Colo.

Mr. Grant did not put us wise to the price he received for any of the animals but there is no doubt that it it was a goodly one. It pays to raise the best goats, just as well as any other animal or fowl.
