

ONE MILLION DOLLARS FOR A GOOD STOMACH.

This Offer Should Be a Warning to Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach. This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others. Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach. Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power, and to aid in making the stomach strong and well. We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomachs, indigestion, and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25 cents, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store, CONRAD STAFFIN, Dallas, Ore.

OUT OF THE COUNTY.

Residents Away and Those Formerly Here.

The trial of J. D. Belt came off Monday. He was charged with violating the local option law, but the case was so flimsy that he was acquitted by the jury. Persons who induce others to break the anti-liquor law is a party to the crime and should be held equally guilty. It is also held in other cases, why not in this? The case of the people's money would be saved that is now wasted in prosecuting cases that have no merit. The local option law in this county is a farce anyway because the people don't want it enforced.—Williamina Times.

J. J. Thurston, of Saver, Polk county, who holds a mortgage on the Cleburn Valley mill, was in Newberg Tuesday in company with W. J. Slater, of McMinnville. Mr. Thurston has taken over the property and is arranging to open up the mill for business in a short time.—Newberg Enterprise.

W. S. Hellyer has been at his hop yard near Ballston which consists of 54 acres, 30 of which are producing. As he desires to move to Southern California he will sell this place which this year produced 20,000 pounds of hops, but which has yielded as high as 48,000 pounds.—Newberg Enterprise.

Miss Joann Rowell, who has been here for several months on a visit to relatives, returned to her home at Spokane this morning. Her mother accompanied her as far as Hillsboro where she will visit her daughter, Mrs. Trullinger.—Sheridan Sun.

Elder G. W. Pettit, pastor of the Central Seventh Day Adventist church of Portland, baptised between thirty and forty candidates for admission to the

Better Baking
With
Crescent
A Better Baking Powder

church, last Sunday, in the Willamette river. Most of these baptisms were converted at a series of meetings that have recently been held in Portland by Evangelist Luther Warren and Elder Pettit.—Hillsboro Independent.

T. Sarchet's colt shield going across one of the bridges north of town on Sunday, throwing him out of the cart, he was cut about the head and injured, and the cart was damaged.—Tillamook Headlight.

The little babe of Mr. and Mrs. T. J. Mathewy, of Albion, died at the family home Tuesday evening, aged one day. The funeral service was held at Albion Friday afternoon at 2 o'clock, interment being made in the Montgomery cemetery. S. M. Wood, of Corvallis, officiating at the service. The father is a brother of Alvin Mathewy of this city.—Corvallis Times.

At the most important class election of the year, held last night in Villard hall, Dean H. Walker, of Independence, was elected president of the Junior class, defeating Erwin Rolfe, a Eugene student, by a substantial majority. This position carries with it many honors, since the Junior class plans and carries out at the junior week ceremonies late in the spring, as well as getting the Junior annual and arranging the Junior "prom." Walker has been very prominent in student activities, especially in athletics. He has been on the varsity football and basketball teams during the past two years and is expected to make both teams this year. He is a member of the Sigma Nu Fraternity.—Eugene Guard.

W. G. Nesmith left this morning for Blue River after a few weeks' stay in the city. He is watchman at the Treasure mine.—Eugene Guard.

Mr. and Mrs. E. Casey returned home to Dallas Sunday after a visit with relatives here.—Bozberg Review.

MARRIED.

Viola Olive Cobb became the bride of Martin V. Cook, at the home of the bride's parents, Mr. and Mrs. Geo. M. Cobb, at Valley View, near Lawen, last Wednesday evening at 8 o'clock. The bride was attired in silk dotted white tulle, the groom in the conventional black. The bride was attended by her sister, Miss Hazel Cobb, while Mr. Harry Buck, brother of the groom, acted as best man. The wedding march was played by Miss Ida Hayes, and the ceremony was read by Rev. C. C. Beldridge, pastor of the Presbyterian church of Burns. The canopy under which the bride and groom stood was tastefully arranged with appropriate decorations. Light refreshments were served to between 40 and 50 guests after the ceremony. They were the recipients of many beautiful presents.

The bride is the daughter of Mr. and Mrs. Geo. M. Cobb, prominent realtors, owners of Valley View, and formerly of Dallas, Oregon. The groom is the son of Mrs. Scott Hayes, one of Harney county's most respected pioneer citizens.

After their honeymoon they will be at home to their friends at the Scott Hayes ranch, near Lawen.

Fallston Girl Married.
Mr. Aubrey Drumeller and Miss S. Eunice Ottlinger were married at the home of Mr. William Ottlinger, at Ballston, on Tuesday, September 26, by Rev. V. P. Welch, of the Congregational church. The bride is a most worthy young lady of Ballston and a general favorite wherever known. Aubrey is a Sheridan boy and a member of the Sheridan Hardware company and is popular in business circles. The happy couple took the afternoon train for Portland and other points on a brief wedding trip, and on their return will be at home to their friends on South Bridge street in the house vacated by Mr. Bush.—Sheridan Sun.

Notice to Odd Fellows.
There will be Third Degree work at the hall of Friendship lodge No. 9, Thursday evening, October 5, 1911. All members are requested to be present. TRACY SPAATS, Noble Grand.

QUEEN OF AGTRESSES PRAISES PE-RU-NA.

"I am glad to write my endorsement of the great remedy, Peru-na. I do so most heartily."—Julia Marlowe. Any remedy that benefits digestion strengthens the nerves. The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and nervous debility is the result.

D. E. PARKER'S GINSENG

D. E. Parker, a prosperous farmer, of Polk county, who resides near West Salem, prides himself in having what he believes to be one of the largest ginseng roots ever grown in the Northwest. This root weighs just a pound in the tenth year of its growth. It is considered exceptionally well developed and its growth is uniform and delicate. Mr. Parker has one-fifth of an acre of ginseng under cover, this being probably one of the largest patches in the valley. He estimates that his patch of ginseng is worth \$3000. "There has been much wild talk of ginseng, and many fabulous prices have been demanded as well as received for this valuable Chinese root, ginseng culture, properly conducted, may be exceedingly profitable in Oregon, as I find it to be. But the demands, which have been made in many instances, are way out of sight. My roots will sell for \$15 a hundred in thousand lots, which I believe to be an equitable value. Ordinarily ginseng in this state is valued at about \$12 000 an acre and there is a ready market for it."—Journal.

THE ONLY WAY;

Many Dallas Citizens have Discovered it.

Just what to do when the kidneys are affected, is a question that concerns both young and old. Weak kidneys neglected in childhood lead to life-long suffering. People of advanced years, with less vitality, suffer doubly. In youth or age, languor, backache, urinary irregularity, dizziness and nervousness make life a burden. There is one remedy that acts directly on the kidneys. Doan's Kidney Pills owe their world-wide fame to the fact that they are reliable. Follow the example of this Dallas citizen and you will be convinced that this is so.

Mrs. E. C. Hutton, Clay and Leale streets, Dallas, Ore., says: "In 1907 I publicly endorsed Doan's Kidney Pills and I can now confirm that statement. This remedy was used in my family and it brought relief from backache and other symptoms of kidney trouble. For sales by all dealers. Price 50 cents. Fuster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other."

Sunday School to Hear Worker

REV. CHARLES A. PHIPPS
Field Worker for the Oregon Sunday School Association

Rev. Charles A. Phipps, whose cut appears herewith, is the noted secretary and field worker of the Oregon Sunday School Association. His work is entirely unostentatious and the present condition of prosperity in the Sunday school ranks of Oregon is largely due to his untiring efforts and consecration. Mr. Phipps is beloved by all denominations of the state and also is of national reputation as a speaker. He would like to speak to a large representation of the people of Dallas, and especially would be pleased to meet the Sunday School workers of Dallas of all churches. His morning address will be given in honor of the Teacher Training Class which is ready to graduate from that department of the Christian Church Bible School. A special program will accompany the address of this great day. His evening address will be a presentation of the "Men and Religion Movement." No person of Dallas can afford to miss these treats. Let our splendid worker have a crowded house. These services will be held in the Big Tabernacle on Clay street. You are welcome to enjoy these services.

REASONS FOR USING HOPS.

Some American growers claim that, inasmuch as American hops in many cases are just as rich in the soft resins as the best European hops, their brewing value ought to be equal to that of the Europeans. They have not, however, been able to convince American brewers of the accuracy of this view. They will try to do so at the barley and hop exhibition in Chicago in October, 1911. The principal trouble, however, with American hops as they reach the market is that they are picked carelessly. The only part that is of value to the consumer is the cone, and everything in the shape of stems and leaves that is mixed with the grains not only diminishes the amount of available material, but introduces a decidedly injurious element, the leaves and cones being rich in tannic acid, which imparts a stringent and harsh taste.

clean picking will cut an important figure in the value of the hops that will be entered for prize competition.

The great importance of this exhibition will be in the fact that it will tend to put the valuation of hops upon a substantial basis of facts rather than of individual preferences. All exhibits at this exposition will be in the names of growers, no dealers being admitted to the competitive exhibition. The exhibition is charge of the committee on awards, 1528 Republic building, Chicago.

MERIT OF BREWING BARLEYS.

Barleys will be valued according to the standards herewith given at the international barley and hop prize exhibition in Chicago, Oct. 12-22, 1911. The relative merit of a brewing barley is expressed in the percentage of points it receives.

The total number of points is determined by deducting from the average of the sum of the credits the sum of the penalties corrected for percentage. The barley will be valued on the basis of maturity, vitality (germinating ability), berry weight, uniformity, albumen (or nitrogen) content. These five divisions standing as credits, while penalties are provided for excessive amount of moisture, for trimmings (screenings, etc.), for inseparable admixtures, damage indicated by off color, off odor or by general impression and irregularity of growth. Barley is disqualified if in any credit division it receives below eighty points and contains more than 20 per cent of screenings or more than 5 per cent of inseparable admixtures; more than 15 per cent of moisture; if color, odor or general impression indicates heavy damage. Four and six rowed barley should contain approximately for each middle or straight furrowed kernel two lateral or twisted kernels. The vitality (germinating ability) will be determined after proper artificial drying of the specimen.

You are not experimenting on your self when you take Chamberlain's Cough Remedy for a cold as that preparation has won its great reputation and extensive sale by its remarkable cures of colds, and can always be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by all good dealers.

THE FAVORITE LAXATIVE.

One at Night Makes the Next Day Bright—No Charge if it Doesn't. Because of its extremely gentle and effective action, Rexall Orderlies have become the most popular Remedy for Constipation.

We are so positive that Rexall Orderlies will do all that is claimed for them that we positively guarantee to hand back the money you paid us for them upon your mere request, if you are not entirely satisfied. Rexall Orderlies are eaten like candy, are very pleasant to the taste, do not gripe, cause nausea, or any other annoyance usually experienced when ordinary cathartics are used.

Rexall Orderlies have a positive regenerative effect upon the bowels and tend to provide permanent relief from Constipation and the myriad of associate ailments. Besides, they help to overcome the necessity of the constant use of laxatives to keep the bowels in normal condition.

We honestly believe there is no similar medicine so good as Rexall Orderlies, especially for children, aged, or delicate people. They are prepared in convenient tablet form in three sizes of packages. Prices, 10c., 25c., and 50c. Why not try them at our risk on our guarantee?

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store, CONRAD STAFFIN, Dallas, Ore.

Doans Regulets cure constipation, tone the stomach, stimulate the liver, promote digestion and appetite and easy passage of the bowels. Ask your druggist for them. 25 cents a box.

CLEANER HOPS FAVORED.

Sheridan Man Pays Bonus to Pickers for Better Product.

E. D. V. Paul, who broke into the ranks of the Oregon hopgrowers this year, declares that Oregon hops, in order to compete with foreign and California hops, must be clean, a condition which has been ignored in the past, and which still prevails in nearly every hopyard in the state. Mr. Paul paid a 10-cent bonus on every box of hops picked in his yard this year in order that the product be clean. Mr. Paul owns two large hopyards at Buell, near this place. At a recent hopgrowers' meeting it was agreed upon that all growers who had not contracted the hop, would pick dirty hops, paying a cent a pound for picking.—Oregonian.

Faculty Visits.

President Ackerman and the faculty of the state normal school paid a visit to this city yesterday. They were shown through the state house, after which luncheon was served at the home of Miss Cornelia Marlin. Automobiles were furnished by H. W. Meyers, J. L. Stockton, Walter Stolz, A. F. Hofer and E. Hofer and the party was taken for a ride through the city. Those who were present were: State Superintendent Alderman, President Ackerman, Mrs. Gentle and Professors Evenden Beaumont, Professor O'Len and wife, Mrs. Jacobson, Mrs. Lewando and Misses McIntosh, Shearer, Brenton, Damore and the Misses Davis—Salem Statesman.
