**Why Should I Use Cuticura Soap?**  
 "There is nothing the matter with my skin, and I thought Cuticura Soap was only for skin troubles." True, it is for skin troubles, but its great mission is to prevent skin troubles. For more than a generation its delicate emollient and prophylactic properties have rendered it the standard for this purpose, while its extreme purity and refreshing fragrance give it to all the advantages of the best of toilet soaps. It is also invaluable in keeping the hands soft and white, the hair free and glossy, and the scalp free from dandruff and irritation.  
 While its first cost is a few cents more than that of ordinary toilet soaps, it is prepared with such care and of such materials, that it wears to a wafer, often outlasting several cakes of other soap, and making its use, in practice, most economical. Cuticura Soap is sold by druggists and dealers everywhere, but the truth of these claims may be demonstrated without cost by sending to "Cuticura," Dept. M., Boston, for a liberal sample cake, together with a thirty-two-page book on the skin and hair.
