### CAMPBELL'S STORE.

DALLAS, OREGON

HAVE YOU EVER FIGURED ON THE FREIGHT YOU HAVE TO PAY WHEN YOU GET GOODS FROM THE MAIL ORDER HOUSES? YOU PAY THE HIGH RATE BECAUSE YOU SHIP IN A LITTLE. WE GET THE LOW RATE BECAUSE WE SHIP IN OUR GOODS IN BIG QUANTITIES. WE DON'T WANT YOU TO BUY YOUR GOODS FROM US, INSTEAD OF ORDERING THEM THROUGH A CATALOGUE, EXCEPT FOR THIS REASON: WE CAN TREAT YOU BETTER THAN THE CATALOGUE HOUSE WILL. WHY? YOU GET WHAT YOU WANT WHEN YOU WANT IT. YOU SEE OUR GOODS AND TRY THEM ON BEFORE YOU BUY THEM. DON'T DEAL WITH US, "JUST TO KEEP YOUR MONEY AT HOME", BUT BECAUSE YOU CAN KEEP MORE OF YOUR NOW MONEY IN YOUR POCKETBOOK.

#### WOMAN'S CLUB.

##### Enthusiastic Meeting—Sale of Red Cross Stamps a Feature.

At the meeting of the Woman's Club last Saturday some important steps were taken in the way of advancing the usefulness of the club.

A committee was appointed to undertake a systematic sale of Red Cross seals. As is well known these seals are published for the sole purpose of raising funds to be used in the fight against tuberculosis. The club women are now taking an active part in this great fight. The state federation of women's clubs this year has the Oregon agency for these seals outside of Portland. Every cent raised on this sale will be spent in tubercular work outside of that city. Heretofore the proceeds have all been given to the visiting Nurses' association and were used in the Portland work. Now the funds will be handled by a board of trustees, and may be used anywhere in Oregon. The committee who will have charge of this sale are: Miss Nola Coad, Miss Lilah McDaniel, Miss Gladys Canter. The club also voted for the appointment of an educational committee, which is expected to be an important factor in improvement work.

An entertainment of some kind will be given on the last Wednesday in January for the benefit of the Scholarship Loan fund. This fund is raised by the clubs of the state and loaned to worthy girls who are unable to finish their preparation for work without assistance. As soon as they become wage earners the money is returned to the trustees and is used to help others in the same way.

#### OPEN DECEMBER TENTH.

##### Mr. and Mrs. Henry Muscott Will Have Dallas Hospitality Ready That Date.

For the last month Mr. and Mrs. Henry F. Muscott have been renovating the Dallas hotel from top to bottom, installing new furniture, and otherwise putting it in such shape as to command the best class of trade that comes to our city. Everything has been fitted out in a new and up to date manner, and the new management intends to spare no effort to please in every particular. They have arranged to open the hostelry on December 10th, with a special Sunday dinner at 50 cents a plate, and with their skilled chef will be perfectly able to satisfy the palate of the most exacting. This dinner will prove something out of the ordinary, and all that can should take advantage of it.

Patrons will find the best accommodations in all lines at popular prices and the rooms will be ready for occupancy by December 5th.

Mr. Muscott is known by all of us as a genial and wholesome gentleman, one who gives of the best that is in him.

#### A New X-Ray Machine.

Strolling into the handsome offices in the bank building the other day of Drs. Bollman & Staats, we were shown the workings of their fine new X-ray machine, lately installed. It occupies a room of its own, and is of the latest and most approved pattern for medical service, what is known as a Campbell and cost the doctors about \$300. With it, it will be possible to look at and photograph any portion of the human body. Supposing the case to be a fracture of the arm or leg: after the member is set and the splints applied the X-ray can be turned on and the bone becomes immediately visible to the naked eye, assuring the physician that the work has been done right, and if necessary, a photograph may be taken of it. In fact the machine is as good a one as used any where and our doctors are to be commended for their installation of such an aid to medical science.

#### Notice to Teachers

Those teachers who wish to write in the December examination for a primary paper, will please note that the thesis for the primary papers will be as follows: Nature Study, Reading in Primary Grades, and Busy Work. Dated this 27th day of November, 1911.  
H. C. SEYMOUR,  
Polk County School Supt.

#### CAUGHT AT LAST.

##### At Mature Age R. E. Williams Slips on Matrimonial Noose.

Last Sunday Ralph Williams went out for an auto ride, which ended up at Newberg, when at 3 o'clock Rev. J. W. Lyons, pastor of the Presbyterian church there united him in marriage with Miss Grace L. Noyes, daughter of Mr. and Mrs. D. C. Noyes, prominent residents of the Quaker City. Only a few intimate friends of both parties witnessed the event. Mr. and Mrs. Williams drove out to Portland and took the train for Washington, where he goes to eat dinner with President Taft and attend to his duties as national republican committeeman. They will journey leisurely back by the southern route, and get home about February first.

Mrs. Williams has been teaching in the Portland schools for the past two years. She will be welcomed by our residents, because of her personality, and the popularity that has always been hers by reason of her accomplishments and gentle demeanor. All will wish them both a long happy life of wedded bliss.

#### Correspondents' Contest.

So close were five of our correspondents in the contest ending last week that we are compelled to divide both the first prize of \$10 and the second one of \$5 in order to give our writers what they are entitled to for their valuable and efficient service during the last four months. The first prize will divide between West Salem and Buena Vista, the second between Eola and Peedee, Antioch Valley gets the third, and Polk and Michigan City get a consolation prize apiece. A couple of others would have been in on the last scoring had they not missed a week each in sending in their letters, eating too much turkey we suppose at Thanksgiving time.

Remember that another four months contest starts with this issue, and that you have as much chance from your section as any one else. The main thing is regularity.

#### Odd Fellows Elect.

Last Thursday evening, Nov. 30th, the following were elected officers for Friendship Lodge, No. 6, I. O. O. F. for the ensuing term, to be installed January 1, 1912: Noble grand, F. H. Morrison; vice grand, Edwin Jacobson; secretary, Wilson Ayres; treasurer, Tracy Staats; trustee for three years, Dr. B. H. McCallon. This evening a number of the members of this lodge will go to Independence to meet and mingle with Valley Lodge and to listen to a lecture by Dr. Dunsmore on his travels in the holy land. For some time past LaCreole Encampment No. 20, has been somewhat inactive, but the boys are getting ready to revive it and put new life into that branch of the order at Dallas.

#### Thanksgiving Breaks Them.

Two young school teachers from Independence appeared at the Board of Trade rooms yesterday afternoon and asked if they could be either accommodated with the loan of several dollars or identified at one of the banks so that they could cash a check. They said that their celebration had cost them more than they had expected and they were out of funds. They were accommodated by the obliging young lady at the head of the Board of Trade whose specialty is putting people on their right track to secure the things they want.—Salem Statesman.

#### A PERRYDALE PAPER.

##### Patriot is the Name and the Editor W. W. McMillan.

Mr. Fred Hedding, of Perrydale, last week sent up a copy of the Perrydale Patriot, of March 2, 1894, edited by W. W. McMillan. It is a 5-column folio, and only one page devoted to home news and advertising. Wise & Key were running the big store, Fred Hedding was at his old stand, Dave Hampton ran the hotel, Burt Fisher was the barber, and R. M. Cramer sold pianos. J. N. Hart was the popular school teacher, and outside of a writup of a school entertainment, there does not seem to have been much doing in a local way.

Mr. Hedding also sends us an issue of June 8, 1894, which has new advertisers in Dr. J. A. Moffitt, of McCoy, E. and H. B. Tingle's harness shop and the Salem and Perrydale stage line. About all the news is the election returns, just finished, when Lord beat Galloway for governor, Wolverson beat Boise for supreme judge, Kincaid beat Charley Nickel for secretary, Phil Metchan beat T. L. Davidson for treasurer, C. M. Idleman beat Billy Holmes for attorney general, and in got in as state superintendent, Leeds as printer, Binger Herman for congress, and Hewitt beat Daly for judge, while Jim McCain got a fine vote for prosecuting attorney. For the county Lawrence Key and Ira Smith won out as representatives, Plummer beat Prather for sheriff, Mulkey beat Craven for clerk, Jas. Helmick beat I. M. Simon for commissioner, Harry Cosper was the successful contestant against W. E. Goodell for treasurer, T. O. Hutchinson beat W. I. Reynolds for school superintendent, C. W. Beckett won over W. J. Mulkey for assessor, and Edgar Collins was elected surveyor and E. L. Ketchum coroner.

There being no field for such an enterprise, the Patriot soon succumbed to fate.

#### Probate.

In the estate of John Albers, deceased. Inventory and appraisal filed and approved; exempt personal property set aside to widow, and widow allowed \$20 per month for support.

In the guardianship of M. C. Russel, an incompetent and spendthrift. Ordered that notice issue requiring M. C. Russel to appear on the 9th day of December at 10 a. m. and show cause, if any, why a guardian should not be appointed for his estate.

In the guardianship of Charles Lawrence, et al. Ordered that the order of the court heretofore made and entered of record appointing Dollie Clodfelter as guardian be revoked and set aside for the reason that she is unable to give an approved bond. Further ordered that J. G. McIntosh be appointed guardian, and on filing of approved bond in sum of \$1000 letters to issue.

In the guardianship of Bertha Marie Sexton and Willis Sexton, minors. Annie B. Sexton appointed guardian; T. F. Churchill, Ben Dobson and Marion Crabtree appointed appraisers.

In the estate of Catherine McReynolds, deceased. Final account filed and set for hearing December 30, at 10 a. m.

#### Here's a Bargain for You.

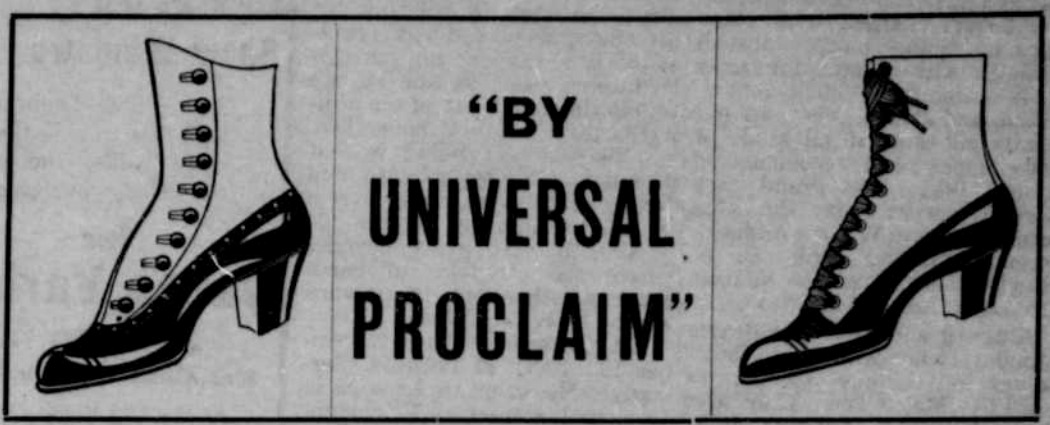

We have a well improved tract of about 40 acres only a little over a mile from Dallas, with a board walk to it, that for 30 days we can sell at \$6,000. It is an income bearing place right now, can be irrigated, and is well set out to fruit, most of it now in bearing. This is the best home around here and worth more money by a whole lot. Good terms.

#### Journal Agency Changed.

Horace Webster has resigned as agent for the Oregon Journal in Dallas and they have designated Frank Kersey to assume the responsibility. Bear in mind that hereafter when you want a Journal, you should go to Kersey's confectionary, he assuming charge the first of December.

#### Now it's a Turnip.

Mark Embree brought us in Friday a turnip that is certainly a Joe Dandy. It tipped the beam dressed at exactly 11 3/4 pounds and feels its weight. It was grown in Mr. Embree's garden on the Chet Coad ranch in town. He had a number of equally large turnips. See the Itemizer window.

"BY UNIVERSAL PROCLAIM"

"QUEEN QUALITY" Shoes are famous. Not the fame that perishes but the sort that endures and grows stronger from year to year. Founded upon the rock of integrity, each season their makers builded stronger. Past successes were forgotten; what was considered good last year was bettered this, and hardly was it pronounced "best" before still further improvements were planned.

Quality, Style and Comfort have been the watchwords paramount, had how well they have been met is testified by the enormous demand. They are worn in every clime—under Alaska's midnight sun and on Africa's burning sands. Their wearers are numbered by millions—where there's civilization you will find them. "The sun never sets on 'Queen Quality' Shoes."

Today it is the best known and by universal proclaim the most popular woman's shoe in the world.
