NATURE'S WARNING.

Dallas People Must Recognize and Heed it.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the following—
 See if the color is unhealthy—
 If there are settlements and sediment,
 Passages frequent, scanty, painful,
 It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes,
 Doan's has done great work in this locality.

P. J. Drexler, Main Street, Independence, Oregon, says: "I have used Doan's Kidney Pills and I am glad to say that they have helped me. My back was very weak and I was bothered by irregular passages of the kidney excretions. Being addicted to try Doan's Kidney Pills, I did so and by the time I had taken the contents of three boxes, my trouble had disappeared. I have not been bothered since then and consequently, have no hesitation in recommending Doan's Kidney Pills to other kidney sufferers."
