BREAKING OUT COVERED BODY

Where Scratched It Made Sores. Terrible Itching and Burning Kept Him from Sleeping. Cuticura Remedy Completely Cured Her. No Return.

"Three years ago this winter I had a breaking out that covered my whole body. It itched so it seemed as if I should go crazy. It first came out in little pimples on my back and spread till it covered my whole body and limbs down to my knees, also my arms down to my elbows. Where I scratched, it made sores, and the terrible itching and burning kept me from sleeping. I tried several remedies all to no purpose. Then I concluded to try the Cuticura Remedy. I used the Cuticura Soap and Cuticura Ointment, also the Remedy, for about four months, and they completely cured me of eczema. I have had no return of the disease since. I never had a good night's rest after the skin eruption first broke out till I commenced using the Cuticura Soap and ointment. I used them a few days before I could get them to begin to heal, and the terrible itching was gone.
"Those that lived in the house at the time know how I suffered, and how the Cuticura Soap and Ointment cured me. I never take a bath without using the Cuticura Soap, and I do not believe there are better remedies for any skin disease than the Cuticura Soap and Ointment." (Signed) Mrs. Sarah Kusick, Waukegan, Ill., Mar. 16, 1911.
Cuticura Soap and Ointment are for sale throughout the world, but to those who have suffered much, best hope and are without faith in any treatment, a liberal sample of each, together with 25c booklet on the care and treatment of the skin and scalp, will be mailed free on application. FOR YOUR HAIR.

Here Are Facts We Want You to Prove at Our Risk.
When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.
But when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "33" Hair Tonic. To prove this statement, we promise to promptly return all the money you pay us for Rexall "33" Hair Tonic, should it not please you.
Rexall "33" Hair Tonic destroys the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.
Rexall "33" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in bottles, prices 50 cents and \$1.00. Remember, you can obtain it only at our store - **The Rexall Store**
