"I suffered with eezema on my neck for about six months, beginning by little pimpies breaking out. I kept scratching till the blood came. It kept scratching worse, I couldn't sleep nights any more. The it ch in g stopped for about three days, but when it started again, was even worse than before. The eczema it ched so badly I couldn't stand it any more. I went to a doctor and he may good. We have been having Cutieura Remedies in the house, so I decided to try them. I had been using Cutieura Soap, so I got me a box of Cuticura Gintment, and washed off the affected part with Cuticura Soap three times a day, and then put the Cuticura Ointment on. The first day I put it on. R relieved me of itching so I could seep all that night. It took about a week, then I could see the seab come off. I kept the treatment up for three weeks, and my eczema was cured.

"My brother got his face burned with gunpowder, and he used Cuticura Soap and Ointment. The people all thought be vould have scars, but you can't see that he ever had his face burned. It was simply awful to look at before the Cuticura Remedies (Soap and Ointment) cured it." (Signed) Miss Elizabeth Gehrki, Forrest City, Ark., Oct. 16, 1910.
