DON'T BE BALD.

Nearly Any One May Secure a Splendid Growth of Hair.
We have a remedy that has aided to grow hair and prevented baldness in 50 out of 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.
We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.
Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store, CONRAD STAFFORN, Dallas, Oregon.

Electric Driven Factories Are Safe for Workmen...
Electric motors can be connected direct or close to machinery. Dangerous shafting and belts are eliminated. Doing away with belt transmission greatly reduces the chances of personal injury to employees. Insurance inspectors will bear out this statement with emphasis.
Electric drive means clean, safe surroundings; ease and convenience of operation; increased production with the same investment and more economical operation.
Advertisements do not sell electric power; they merely help to interest the prospective user and sometimes induce him to send for a power expert.
