Why Dennison's Crepe Paper is preferred for decorative purposes by the housewives of America. All up to date stationers sell Dennison's Crepe Paper. Experts say it is the only crepe paper with which they can secure satisfactory results. Here are three of the many reasons why it is best.

A Perfect Crepe Paper Must be Strong

Dennison's Crepe Paper is strong, yet not wiry or stiff. It can be braided into tough rope, twisted into garlands, cut into ribbons, shirred, tucked or stitched—yet it is so soft that when draped, it hangs easily into graceful folds.

A Perfect Crepe Paper Must be Elastic

Dennison's Crepe Paper is ten feet long. It will stretch to fifteen feet—five yards of true crepe effectiveness.

A Perfect Crepe Paper Must be Perfectly Colored

Dennison Paper, when stretched, never shows streaks of color. It is dyed before it is creped, and the delicate shades blend harmoniously together.

An immense shipment of this wonderful fabric, direct from the factory in Massachusetts, arrived Tuesday. The shipment also included all of the new and dainty Dennison Napkins for 1912.

Tuesday morning while M. G. Hamilton was hauling wood near Bridgeport with his foot against the brake, the wagon struck a snag and mashed his ankle, severely jamming it up, and tearing loose the ligaments. Dr. McCallon fixed him up, but it will be several weeks before he is able to use the foot again.

Charley Fulton, at one time U. S. senator, spoke to a fair sized audience here Saturday. Charley is too well known here to cause any enthusiasm by his remarks; and his advocacy of Taft seemed to fall decidedly flat, except among the old stand patters. The band was out and helped to enliven our usual Saturday crowd.

CLEANUP DAY.

Set for Saturday, April 20.

Once more attention is called to the day to make glad the "city of your habitation." Cleanup Day, April 20th, and as this comes on Saturday it is expected that much of the work will be done the previous day, in order that the draymen will have time to haul the rubbish away before Saturday evening.

All should make special effort to do their part promptly. Remember to put all rubbish on the southwest corner of each block as it would take too much time to visit every home.

It would be well for each one who reads these notices to speak to their neighbor about it, as there are some who do not read the papers and it is hoped that all will join in this work. Remember the civic club offers prizes of \$10 and \$5 for the best kept yards.

Remember the goat meeting next Saturday.

Remember that tomorrow is a legal holiday all over Oregon, and lay your plans accordingly.

R. W. Luther, of Taggart, arrived in town last evening and will locate on a ranch near town. He brought a carload of goods with him.

U. S. Grant brought us in some rape last week that had grown to a height of 60 inches, certainly an amazing growth for this time of year.

J. O. McCrady with the Electric Vacuum Carpet Cleaner is now in Dallas again. Write him for work or for estimates on work, or phone 1202 or 1204.
