Bonfire Party.

About 5 o'clock yesterday evening a crowd of 37 high school girls accompanied by four of the high school teachers, the Misses Kuykendahl, Rossiter, McKosky and O'Connell, went down on the banks of the creek to spend the evening. A bonfire was built and a delicious lunch spread, which soon disappeared before the hungry girls. The balance of the evening was spent in toasting marshmallows.

MRS. HIBBARD PASSES.

Dies At Her Dallas Home on Last Sunday.

Mrs. E. H. Hibbard passed away at her Dallas home last Sunday, after an illness of 18 months from dropsy and heart trouble. The funeral occurred Monday at 2:30 from the family home, Rev. D. M. Metzger officiating, and the remains were laid to rest in the I. O. O. F. cemetery. The pall bearers were W. H. Boales, Charley Campbell, H. S. Butz, J. B. Nunn, Elmer Gilliam, T. D. Phillips.
Mrs. Hibbard was born September 25, 1845, at Minfield, New Brunswick. She was married to E. H. Hibbard in St. Paul, Minnesota, 42 years ago, and they lived there until October, 1891, when they came to Oregon, and settled where they since resided. Mr. Hibbard passed away some years ago. Eight children were born to the union, of which six are still living, they being Mrs. E. C. Hoover, of Roseburg; Mrs. C. D. Long, of Lincoln, Neb.; Harry Hibbard, Percy Hibbard, Hattie and Amy, of Dallas.
The death of Mrs. Hibbard is much regretted by her many friends, made during her long life among us. She was one of nature's noble woman, a devoted wife, fond mother, and steadfast friend, and has gone to the reward earned by her life of doing for others while on earth.
The family desire to here express their thanks to the many friends who helped by their kindnesses to mitigate the terrible bereavement.

Laid to Rest.

The remains of W. L. Gilson were laid to rest in the cemetery near Bellvue last Saturday morning, they being taken from here by train that morning. Five autos, containing the family and a deputation from Jennings lodge left here at 9 o'clock and joined the funeral procession near the church. Rev. D. Lester Fields officiated at the services in the church, which was filled to overflowing with friends of the deceased from Yamhill and Polk counties. The pall bearers were J. C. Uglow, V. P. Fiske, Ed. Bidde, W. V. Fuller, Willis Sim-

High School Lose.

Friday afternoon the Dallas high school baseball team met defeat at the hands of the Corvallis high school team at Corvallis by the score of 4 to 3. Corvallis took the lead in the first inning by scoring three hits and three runs off of the pitching of Gardner. After that Barham had them at his mercy. They only got two hits and one run off of Barham. In the seventh, Corvallis succeeded in getting one man on Martin, who played with the Dallas boys last year, came to bat and knocked a ground ball which bounded bad and went for a two base hit, scoring the only runs off of Barham. The Dallas boys scored one run in the 5th on error, and a hit by Matheny, one in the seventh walk by Cadle and a hit by Matheny, and in the 9th Cadle walked and Boydston bunted, Cadle scoring and Boydston going to third. Then with one down Gardner and Matheny failed to connect and the game was over. This was the first time the Dallas boys ever batted a south paw. Matheny and Cadle were the only ones to get safe bingles. Cadle made a sensational catch in the first that saved two runs. Two base hits, Martin first on balls off Barham 1, off, Femester 2; struck out by Barham 12; left on bases, Dallas 3, Corvallis 5; hit by pitcher, Price by Barham. Time of game, one hour and 30 minutes. Umpire, Cooper; scorer, F. H. Wilson.

CLUB MEETING.

Road Bill Indefinitely Postponed—New Committee Named

The commercial club met in regular session last evening with a goodly attendance of members present.

Secretary Toozee stated he had received a letter from the Portland Commercial club asking that signatures be secured for the good roads bills now requiring 100,000 names to be put before the people, and stated that he had not circulated the petitions for the reason that he wanted the club behind him in such a move. All are familiar with the text of these bills. On motion of Mr. Ayres action on the bills was indefinitely postponed.

An invitation was received to attend the Roseburg strawberry festival on May 16th, etc.

A letter was received from Phil. Bates, editor of the Pacific Northwest, asking the selection of a young lady from the town to go with a company of other ladies from that magazine and advertise Oregon.

A letter from the Portland Commercial club was received thanking the club here for the cordial reception recently given them here.

W. A. Ayres stated that he was meeting with good success in raising the necessary funds for our band concerts.

W. V. Fuller stated his committee had placed a number of signs reading so many miles to Dallas and would put up more next week.

F. J. Coad reported progress of the hospital committee.

Eugene Foster stated the committee on by-laws were not yet ready to report.

W. A. Ayres stated the band concerts were scheduled to begin on the first Saturday in June.

The following new committees were appointed by President Foster:

Finance—E. V. Fuller, Ed. Jacobson, W. L. Soehren.
Promotion and publicity—H. G. Campbell, Doc P. Paterson, W. L. Toozee.

Manufactures—J. L. White, W. V. Fuller, A. B. Muir, F. J. Coad, J. R. Craven.
Amusements—H. L. Fenton, N. L. Guy, W. L. Soehren.
Roads and highways—W. V. Fuller, Dr. A. B. Starbuck, F. J. Coad.

Membership—Tracy Staats, H. A. Woods, H. H. Belt.
City and county affairs—W. A. Ayres, A. B. Muir, U. S. Loughary.

Railroads—W. L. Soehren, George Gerlinger, J. R. Craven.
The Phil. Bates excursion matter again coming up, the secretary explained the matter at length. Referred to the committee on publicity and promotion, with the endorsement of the club.

J. R. Craven brought up the matter of Decoration day. On account of the circus billed here for this day, he thought it should be held in the morning. This provoked considerable discussion, some wanting to ensure the circus people for holding a show on Memorial day, others that we had been for many years without trying to observe Memorial day and that there should not be any kick. It was decided to hold the services in the morning. Mr. John E. Miller said he would give the services of the Dallas band free. The committee on city and county affairs were named to go ahead with the arrangements for the observance of the day, in conjunction with the G. A. R. Secretary Toozee appointed himself and his lieutenants a committee to attend such features of the parade as were necessary.

The matter of fixing lights for band concerts and place of holding same was left to the amusement committee.
