

Pale Faces

Pale-faced, weak, and shaky women—who suffer every day with womanly weakness—need the help of a gentle tonic, with a building action on the womanly system. If you are weak—you need Cardui, the woman's tonic, because Cardui will act directly on the cause of your trouble. Cardui has a record of more than 50 years of success. It must be good.

Take CARDUI

The Woman's Tonic

Mrs. Effie Graham, of Willard, Ky., says: "I was so weak I could hardly go. I suffered nearly every month, for 3 years. When I began to take Cardui, my back hurt 99 pounds. Not long after I weighed 115. Now I do all my work, and am in good health." Begin taking Cardui today.

GRADUATION EXERCISES.

Dallas High Sends Out its First Batch of Sweet Girls.

Friday evening saw the Dallas high school auditorium well filled to witness the exercises of graduation relay. To the first graduates from the high school in Dallas. The spacious auditorium was tastefully decorated for the occasion, and is one of the nicest meeting places in our town for a large sized audience of several hundred. Clean and neat, well seated with comfortable opera chairs, it is an ideal gathering place.

The eight young lady graduates, to a march played on the piano, came in and took their seats in a semi circle on the stage. The program was opened by an instrumental duet by Josephine Luebke and Pauline Coad, which was exceptionally rendered.

Rev. E. W. Miles then invoked the blessing of the Divine upon the graduates, their teachers and friends.

Miss Roberta E. Ballard, as the class orator, spoke of Fancy Pictures being well timed and rendered in a most pleasing manner. Miss Lillian L. Fellows gave "Gentlemen, the King," in a most dramatic manner, which showed training and rare talent. Dorothy Bennett gave an instrumental solo which brought great applause and stamped her as a musician of no mean calibre. Miss Georgiana Fiske read an

"The Time Is Coming When the Electric Motor will Move the World"

Said Thomas A. Edison recently.

Certain types engines have more than 200 reciprocating parts. The Electric Motor has but one moving or revolving part. Many of the prosperous factories of the state are operated today with electricity served from Central Generating Stations. Central Station Electric Power Increases Output and Saves Cost. Our power engineers will make careful investigations of power problems and render dependable, scientific reports, without charge.

It is Criminal to Neglect the Skin and Hair

THINK of the suffering entailed by neglected skin troubles—mental because of disfigurement, physical because of pain. Think of the pleasure of a clear skin, soft, white hands, and good hair. These blessings, so essential to happiness and even success in life, are often only a matter of a little thoughtful care in the selection of effective remedial agents. Cuticura Soap and Cuticura Ointment do so much for poor complexions, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them.

Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a postal "Cuticura," Dept. 5, Boston, will secure a liberal sample of each, with 32-page booklet on Skin and Scalp Treatment.
