Grateful for the constantly increasing number of customers in our Stationery Department, we are now ready to announce a pleasant surprise for our friends and customers. Knowing from twenty years' experience in handling good paper that the people of Dallas and Polk County will buy the very best obtainable brands of stationery, we have decided to give them the very best known stationery in all the world—the famous

GEORGE B. HURD LINE

Only the very best stationers in the country carry this high-grade line of Box Stationery, and Dallas will be one of the few smaller cities in Oregon where it may be obtained. We will hereafter carry the Hurd paper to the exclusion of all other brands.

To those who have used Hurd's Stationery, it is hardly necessary to say that it has no equal for excellence of quality and beauty of finish. If you have ever used it, you will know that this assertion is true. If not familiar with this paper, a trial will convince you.

Now, that you can obtain it in Dallas, we know that you will buy it exclusively, for the same reason that we buy it exclusively—because it is the Best

We are today opening up a complete line. We have Hurd's Stationery for Women; Hurd's stationery for Men, and Hurd's stationery for Children. The Hurd line of Visiting and Invitation Cards stands without a peer in the stationery world. We have them all.
