MANY ATTRACTIONS.

Curtis Biplane Flight to be One of Unique Novelties.

They have it and it flies. Ever since Kit Carson Buffalo Ranch Wild West Shows billed that they would exhibit a Curtis-Farnum Biplane and that it would actually make a flight propelled by a competent aviator, nothing but doubt existed in the minds of the public, which had not entirely forgotten the last years show advertised a like attraction and only exhibited a small aeroplane model in their side show.

However Harrisburg was filled with people last Saturday, in fact the largest crowd that ever congregated in the county was present to witness the street parade, which by the way was first class and was followed to the show grounds by an expectant throng that numbered fully 10,000 people, as it had been rumored that the show really had a large Aeroplane and it was erected ready for flight.

After reaching the grounds at 11:30 promptly as advertised the aeroplane rose from the ground like a majestic bird and soared away in the heavens flying over the city, sailing around in circles, diving down low one moment and the next dashing high in the air with perfect ease reminding one of the flight of an enormous eagle.

After remaining in the air ten minutes the aviator directed his biplane toward the show grounds and landed safely at the place of starting amid the cheers of the multitude. The doors to the big show were immediately opened and the mighty canvas was crowded by an enthusiastic crowd that filled every available seat and enjoyed the Wild West performance from start to finish.

We can safely say that a more pleased audience never left a place of amusement in our city.

DEATHS AT FALLS CITY.

Two Residents of Our Sister City Pass Away on the 20th.

Hiram H. Starr, a well known resident of Falls City, passed away there July 20th, after an illness of paralysis of about three weeks. The funeral occurred on July 23rd, he being interred in the cemetery there, Rev. D. W. Cook officiating.

Hiram H. Starr was born in New York December 19, 1823. He came to Oregon about 1850, settling first in Benton county, moving to Falls City in 1885, where he has since resided, and was well known and respected. He has no relatives so far as known, except a nephew, G. W. Starr, who about two years ago moved from Falls City to Eakersfield, California.

M. H. Bowman passed away also on July 20th, his ailment being Bright's disease, from which he had been a sufferer for 18 days. The funeral occurred on July 22nd, Rev. Ladlow conducting the services, and the remains were taken to Orchards, near Vancouver, Washington, for interment.

Merritt H. Bowman was born in Sagamore county, Illinois, September 22, 1828. He came west in 1858, settling on Brush Prairie, Wash., where he lived until 1872, when he went to Missouri, coming west again six years ago and settling in Falls City. He was a man esteemed by all and leaves six children to mourn his loss, they being Mrs. E. Vanatta, McMinnville; Mrs. E. A. Clark, Moscow, Idaho; Mrs. Mary E. Irvin, Oakland, Cal.; Mrs. Celia Peabody, Portland, Ore.; and Mrs. M. J. Peabody, Portland, Ore. It will be noticed as a coincidence that these two old gentlemen who passed away on the same day, were born in the same year.

Former Resident of Black Rock.

Emma Mulkey, aged 25 years, known to many in this city and county, committed suicide at the Russ House, Albany, last night, about 12 o'clock by taking poison. She had been a waitress at Salem, Albany and Corvallis. She attempted suicide before.

She was born in the Big Elk country and was a daughter of "Black Bill" Mulkey, now of Toledo, Ohio. Her mother died three years ago.

Two brothers George and Theodore work at Noon's lumber mill, Charles is at the home on Big Elk, and Frank is at Black Rock. A sister, Mrs. Thomas Laskey, resides at Blodgett--Corvallis G-T.

Hay Brings Good Price.

A number of sales of hay are reported this week at \$8 in the field, and the price seems to have an upward tendency, if anything. Considerable was spoiled by the late rains is the reason, making the crop short.
