Tom Stockwell, Frank Morrison, Ned Shaw and Fred Boydston returned from their week's fishing and hunting trip in the Siletz Basin Tuesday afternoon. They came home fairly well loaded with stories and other things, but would have been much better fixed in both lines if those mean Grand Ronde Indians had not fished their supply of cold tea, (?) which they had depended on to withstand the rigors of the trip and give them a clear eye and a nimble rod.

They were orphans.

There is a scarcity of lady help at the packing plant for some reason unknown, as it seems that Dallas should easily have enough unemployed girls or women desirous of picking up from \$1 to \$1.25 at a light easy work. Of course, as in any other work, they cannot expect to do this and right from the first, but after they acquire the art of properly placing the prunes any reasonably swift person can make that much. The scale of 3 cents a box is fixed by all packers, and guarantees a fair wage to those who work. It is hoped that no assistance will have to be imported for this new industry of ours.

POPULAR COUPLE WEDDED

Miss Longnecker Becomes the Bride of John M. Simmons

One of the prettiest of the early fall weddings occurred Wednesday evening, October 16th, when Ada Hodson, eldest daughter of Mr. and Mrs. A. Longnecker, was united in marriage with Mr. John M. Simmons, at the home of her parents. Promptly at 8 o'clock the bridal party entered the drawing room to the strains of the bridal chorus from Lohengren played by Miss Minnie Clow. Little Miss Uda Buckner led, carrying the ring concealed in a white rose. The bride entered on the arm of her father who gave her in marriage. The party took their place under a floral arch standing beneath a wedding bell of white roses, here Rev. D. Lester Fields read the impressive ring ceremony during which Miss Clow played very softly "Tromroy." Prior to this Miss Anna Mae Longnecker sang "I Love You So" by Stults. The bride, a beautiful blonde, was dressed in a cream creation elaborated with silk, wearing in her hair a wreath of silk and forget-me-nots and carried a shower bouquet of bride's roses, which was afterward caught by Miss Ruth Nunn. The groom was attired in conventional black. The drawing room was beautifully in a profusion of autumn leaves and white roses, the living room being in maiden-hair fern, and the dining room was in greens and sweetbriar. A delicious luncheon was served by the Misses Golda Vaughn, Pauline Rickli, Dolly Burke, Anna Mae Longnecker.

Mr. and Mrs. Simmons were the recipients of many beautiful and costly gifts. They left on the train Thursday afternoon for Portland, and after a short stay there will locate at Weiser, Idaho, where Mr. Simmons will enter business.

The bride's going-away gown was blue chiffon over blue silk, she wearing with this a blue tailored coat and hat.

Mrs. Simmons will be greatly missed in Dallas, as she was one of the most popular of the younger set, being very prominent in church and society. She is a musician of rare ability, having a diploma from Dallas College of music and attended Willamette College of Music. Mr. Simmons is a prominent young business man of this city, having recently located here from Kansas City, Mo.

Jones, Mr. and Mrs. Bert Jones, Mr. and Mrs. Bert Osborne, Mr. and Mrs. Ira West, Mr. and Mrs. Henry Nies, Rev. and Mrs. Fields, Mr. and Mrs. James Hodson and Mr. and Mrs. Jack Billys, of Portland; Misses Minnie and Chrystal Clow, Dolly Burke, Golda Vaughn, Pauline Rickli, Anne Garner, Julia and Ruth Nunn, Anna Mae Longnecker; Messrs J. Mr. Hamilton has been a resident of Dallas for about a month, his first movements in our country being to buy a tract of land in the Guthrie neighborhood. He is a gentleman in every respect, a good business man, and those who list their lands with him may be certain of courteous treatment, and that he will use his best endeavors to dispose of them.
