

CANDIDATES ANNOUNCEMENTS

What Those Who are Asking for Office Have to Tell You.

(Price 15 cents an inch, each issue.)

To the Voters of Polk County.

I take this means to further announce myself as a candidate for County Assessor at the general election, November 5th.

I feel thoroughly competent to take up the duties of the office and respectfully invite you to look up my record and if you believe me worthy of your support, will thank you for the same.

Have been Clerk of my home school district, No. 19, for several years, Deputy Assessor for several years and point with pleasure to the handsome majority of votes given me, in the precincts where I have assessed, over both my opponents for the primary nomination.

If elected, I will serve you with courtesy, and will do all in my power to make the burden of tax as light upon you as it is possible for me to do, GIVING TO EVERY ONE a fair and square assessment.

Respectfully,
ARTHUR ALLEN.

Why Should a Woman?

Why should a woman be born, educated, married, divorced and buried under laws made exclusively by men.

The right to govern is conferred by the governed and the governed are not exclusively males, the governed are men and women, for women are responsible before the law.

Why, if we desire to be just and fair, should we not allow the women to exercise what should be an equal right with man.

OLD GLORY OR THE RED RAG

Nightly on the streets of Portland loud-mouthed agitators blaspheme the name of the Lord and curse the Star Spangled Banner. They are reaching out into the smaller communities and it may be your turn next to contend with them. Read and Vote No. 370 in Voters Pamphlet.

Assaulting the Dignity of Labor

High salaried agitators are constantly assaulting and maiming the honest laboring men of Portland who are unwilling to divide their earnings with these leeches on the decent labor element. Read and vote No. 368 and prohibit boycotting and picketing. Your son is not safe in Portland if he refused to support these crime instigators.

MAJORITY RULE AMENDMENT.

Among the thirty-eight measures which will appear on the official ballot to be voted on by the electorate of Oregon at the coming election on November 5th is the Majority Rule Amendment. This is an amendment to the Constitution of the state of Oregon so as to require a majority of all electors voting at any election to adopt constitutional amendment and pass initiative measures.

This measure is proposed for the express purpose of preserving the Initiative Law for the people of Oregon, both present and future, we must protect it by preventing its abuse and possibly its repeal by its enemies.

It scarcely admits of argument that the Initiative Law as originally intended by its sponsor is a most worthy measure. But we find it today "working overtime" in Oregon. We find it being grossly abused and prevented from the purpose for which it was originally intended, namely, to be a powerful tool in the hands of the people with which to get important and necessary legislation, after the same had been neglected or refused by the state legislature. Governor Woodrow Wilson says: It is to be regarded as "a good thing to do" — to be used only when the people's representatives fail to represent them.

After its eight years of use and abuse we find that it is fast pushing the legislature into a subordinate and secondary place. Beginning with a few measures and comparatively small ones, it has grown until now it is a power to be reckoned with, and by driving the selfish and pernicious measures into oblivion where they also belong.

The Majority Rule amendment, if passed, will reduce the number of measures on the ballot to a bare basis by giving notice to all that a measure in order to stand a chance of passing must have real merit and there must be an actual demand for the same, in which case there must be no difficulty at all in getting a majority to vote in favor of it.

Take the time and pains to look into the Majority Rule amendment and if you do, you will vote for it and preserve the Initiative law for the people of Oregon.

What percentage of the voters will take the trouble to give these 38 measures the requisite time and attention in order to vote intelligently thereon? And yet, it is the bounden duty of every voter to do so, because in this conglomeration of measures there may be important measures, affecting vitally all the people of the state.

A large majority of these 38 measures are ordinary matters of legislation which should have gone to the legislature where members elected by all of the people are paid for the privilege of doing their work. The proponents of such measures, and who are at least supposed to be competent to render an intelligent decision thereon. And yet, we cannot expect any change in the number of measures on the ballot so long as we have an undiscerning and ignorant electorate.

What percentage of the voters will raise the price with which to hire an army of professional petition circulators to go forth and solicit signatures to a petition at so much per name?
