Reports have been received from Walter Edwards noting no improvement in his health. He was an employee of the McCann-Collins feed barn until lately, when he became so bad off with tuberculosis that a fund of $23 was raised among our charitable folks, and he was sent to a sanitarium at Salem.

W. A. Ayres has purchased the interest of Norman L. Hayes in the Star theatre, and has taken charge of the same. While new to the business, Mr. Ayres is noted for making the best of everything he tackles, and patrons of this popular place of amusement can depend on it that they will be furnished with the best the market affords. Mr. Hayes will remain in Dallas a time at least.

W. Ayres reports to the Itemizer that the total valuation of city property for the year 1912 is $1,089,550, this being a decrease of $96,215 from the year 1911, and is accounted for by the non-assessment of credits. To the above amount will be added the assessments of the public utilities which was $63,105 in 1911. This would make a total of $1,145,655 for the council to levy on for the coming year.

GUY-HUGHES

Popular Young Couple of Dallas Become Man and Wife.

Newton L. Guy and Mina M. Hughes, of Dallas, were united in marriage on Thursday at 8 p. m. Nov. 14, 1912, at 702 Levens street, Dallas, Ore., Rev. D. Lester Fields; officiating. The members of the bridal party were Rev. D. Lester Fields, in the lead, next came Newton L. Guy and Fred W. Hughes, brother of the bride, as best man. The next was Miss Nora Robertson, bridesmaid, gowned in pink crepe-de-chine. She carried an arm boquet of pink chrysanthemums. Cleo Guy, niece of the groom, and Virginia Ellis, daughter, of W. R. Ellis, the flower girls, came next. Last came the bride, Miss Mina M. Hughes upon her father's arm.

The bride was dressed in shadow lace and chiffon over white satin trimmed with pearls, and carried a shower boquet of Bride's roses and lines of the valley.

Miss Opal McDevitt sang "Because," and played Mendelshon's Wedding March while the party took their places.

They stood under a bell made of white chrysanthemums tied with a lover's knot beneath an arch of fern, chrysanthemums and Oregon grape.

The living room was decorated with fern and white chrysanthemums and the color scheme of the dining room was pink.

A three course lunch was served Miss Olive Howe, of Portland, presiding at the punch bowl.

Many beautiful gifts were received. There were 41 guests in attendance. Congratulations by telegram were received from an aunt and uncle and aged grandmother who live in Manitoba, Canada. Mr. and Mrs. Chas. Johnson, of Balcarres, Saskatchewan Canada, the bride's uncle and aunt, came unexpectedly to bring their congratulations.

Mrs. Guy, dressed in a beautiful brown tailored suit with her husband left by auto on their way to Portland. They will be at home to their friends after December 1, 1912 at 702 Levens street.

MAYBE A NEW MILL.

Rumor Has It That the Spaulding Interests Will Build Mill Once More in Dallas.

An undefined but seemingly well authenticated rumor has been circulating around town lately to the effect that the Spaulding people are to once more engage in the saw mill business in Dallas. The Itemizer has not been able to trace the rumor to the fountain head as yet, but where there is so much smoke there must be some fire, and we would not be surprised if the rumor prove true. We know that Spaulding hated very much to leave Dallas, and had it not been for the adverse conditions met with, would not have done so. His old location here is the natural outcome for his great holdings of timber back in the mountains, and it is known that the company has often contemplated again putting in a first-class saw mill on the old site, if the conditions could be made favorable. It is now avered that the corporation will put in a railroad from their mill site to their timber, and erect a first class mill in every particular. There is no one thing that would be more welcomed by the citizens of Dallas than to see the old mill once more with us. It gave employment to a great number of people, and its loss was severely felt by all.

COUNCIL MEETING.

Many Crosswalks Become Necessary, But Not of Cement.

The council was called to order last Monday evening by Mayor Craven, with all the officers and councilmen present except Councilmen Barham and Campbell.

Coad, of the street committee, recommended that a crosswalk be installed on the alley near the Barham property, also a crosswalk at Shelton and Clay, also that no more cement crosswalks be put in, as in the event of hard surface pavement, which is bound to come soon, such would be a great expense to the city to remove, also that temporary crosswalks of two boards be put in where needed. The recommendations were concurred in by the council.

Staats moved that the proposed cement walks at Mill and Main be built of boards instead of cement. Carried.

Fenton, of the fire and water committee, reported unfavorably on the arc lights recently requested, for various reasons. Adopted.

Councilman Campbell appeared and took his seat.

Fenton reported the people of Germantown as asking for a better crosswalk at the Hansen corner, and the chief reported that he had put crushed rock there.

Staats reported that the building committee had ordered the furniture for the new library.

The reports of the city officers were presented and referred to the finance committee.

Claims allowed:

Dallas L & L Co	$ 8.69
F B VanNortwick, hauling	2.50
Star Transfer Co	7.00
Emerson & Nash, tent fly	4.75
Lee Smith, painting	.50
Dallas planing mills	1.90
Fire department	38.00

An ordinance providing for the proper construction of cement street curbs and corners was read first time.

The new saloon ordinance raising the license from $1200 a year to $1800 was read second time and passed.

An ordinance for the licensing of transient stocks of goods was read second time and passed, the license fee being placed at $10 a day or $60 a week. Gus Bowman appeared and asked for a cleanup back of the stores, one of his horses having gotten a nail in his foot, and suffered serious injury. He was requested to put in a bid at the next meeting for hauling off all trash back of the stores.

Attorney Tooze appeared for George Billings requesting a modification of the present ordinance licensing the peddling of meat, which is now claimed is prohibitive to outsiders. The license now is $1.50 a day as charged for peddling. After considerable discussion the matter was referred to the ordinance committee for investigation.

Fenton moved that the matter of arranging for the 1913 tax levy be left with the finance committee, and the same was carried.

The matter of incongruity in lot lines on Clay street, was referred to the street committee.

Healthy Baby is Precious Blessing

To make it healthy and keep it healthy use a reliable baby laxative.

CLARENCE CARROLL HEAD

In spite of the greatest personal care and the most intelligent attention to diet babies and children will become constipation and indigestion have wrecked many a young life. To start with a good digestive apparatus is to start life without handicap.

But as we cannot all have perfect working bowels we must do the next best thing and acquire them, or train them to become healthy. This can be done by the use of a laxative-tonic very highly recommended by a great many mothers. The remedy is called Dr. Caldwell's Syrup Pepsin and has been on the market for two generations. It can be bought conveniently at any drug store for fifty cents or one dollar a bottle, and those who are already convinced of its merits buy the dollar size. Its mildness makes it the ideal medicine for children, and it is also very pleasant to the taste. It does not hide behind the name of a fruit or a vegetable and yet it is genuinely harmless. Very little of it is required and its frequent use does not cause it to lose its effect, as is the case withe so many other remedies.

Thousands can testify to its merits in constipation, indigestion, biliousness, sick headaches, etc., among them reliable people like Mr. D. C. Head, Mgr. Head Drug Co., Ft. Worth, Tex., father of Clarence Carroll Head, and Mrs. M. E. Harman, Esmond, S. D. They keep it constantly in the house, for every member of the family can use it from infancy to old age. The users of Syrup Pepsin have learned to avoid cathartics, salt waters, pills and other harsh remedies, for they do but temporary good and are a shock to any delicate system.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. D. Caldwell, 415 Washington St., Monticello, Ill., and a free sample bottle will be mailed you.—Results are always guaranteed or money will be refunded.

BOYS' CLUB MEETING.

At Eugene from November 28th to December 1st, a state session of the boys' conference will be held, and 14 lads from Dallas will be in attendance, they representing the different church associations here. A special train will be run over the Oregon Electric from Portland to convey delegates, and our boys will join the bunch at Salem. The citizens of Eugene are preparing lavishly for their entertainment, and they expect to have the time of their lives. Those attending from Dallas are:

From Christian church—Frank Campbell, Warren Dickensen, Loren Butler, Forest Neal, Elzia Houser.

Evangelical church—Virgil Ballantyne, Ray Scott, Vey Coffin, James Guerney.

Methodist church—Harold Miller, Herbert Shepherd, Theodore Berg, Merril Barber, Glen Brock.

Doan's Regulets cure constipation, tone the stomach, stimulate the liver, promote digestion and appetite and easy passage of the bowels. Ask your druggist for them. 25 cents a box.

Monmouth's Oldest Man.

T. Orville Waller, the oldest man in Monmouth, celebrated his 90th birthday Wednesday and all his friends called on him for a few minutes during the day. Mr. Waller was born in Morgan county, Ill., in 1822, and crossed the plains to Oregon in 1849, settling in Polk county on a donation land claim. The first store in Eola was built by him in 1856. He has lived in Monmouth since 1890. His first vote for president was cast for James K. Polk, and he is still a voter attending the election here on November 5th.
