met at the high school building, and held a meeting. The subject of a good time was brought up and it was decided to spend some of the money in the treasury for a good time, to be held immediately after the meeting. The society adjourned and formed in lock step and marched to Lloyd Kohara's restaurant. They gave their orders and then placed all the tables together and set that they have had for some that they have had for some that they have had for some time. A couple of days before Christmas we took our buggy and span of grays from the stable we were running where the Bee Hive store now is, and started for Salem to visit our mother and get a few things for Christmas cheer. It began snowing on the way, and kept it up all night at a good pace. We delayed starting home next day on account of the storm, but decided to start next day. We had our team in Bob Ford's livery stable, and when we went to get them, he strongly advised against it, saystrongly advised against it, saying that a hard crust had formed of life. on the snow, and no trail being broken, it would be inhuman to standards,—although the systems take a team out. People of Dallas and vicinity, in fact, all of Polk County, are taking a remarkable interest in our Clearance Sale regardless of weather conditions. Our store has been crowded every day during the Sale. We have it figured out. This is the "Quality" and "Service" age of merchandising, and our good people know that when The Bee Hive Store offers a reduction the Quality of the merchandise sold is A1, consequently the goods give service and a price reduction on standard goods actually means a great saving.
